

calculated rate that reflects the behavior of exporters without the discipline of an order or suspension agreement in place, under certain circumstances, the Department may select a more recently calculated rate to report to the ITC. Thus, we determined that the margins likely to prevail were the order revoked would be above *de minimis*. As stated above, Domestic Parties submitted comments in support of our *Preliminary Results*, and we did not receive comments from any respondent interested party. Therefore, for the reasons explained in the *Preliminary Results*, we continue to determine that the margins likely to prevail were the *Order* revoked would be above *de minimis*.

### Final Results of Sunset Review

Pursuant to section 751(c) of the Act, the Department determines that revocation of the *Order* on folding gift boxes from the PRC would likely lead to continuation or recurrence of dumping at the rate listed below:

Exporter	Weighted-average margin
All exporters <sup>5</sup> .....	Above <i>de minimis</i> .

### Notification Regarding Administrative Protective Order

This notice also serves as the only reminder to parties subject to administrative protective order ("APO") of their responsibility concerning the return or destruction of proprietary information disclosed under APO in accordance with 19 CFR 351.305. Timely notification of the return or destruction of APO materials or conversion to judicial protective order is hereby requested. Failure to comply with the regulations and terms of an APO is a violation which is subject to sanction.

### Continuation of the Order

As a result of the determinations by the Department and the ITC that revocation of the *Order* on folding gift boxes from the PRC would likely lead to a continuation or recurrence of dumping and material injury to an industry in the United States, pursuant to section 751(d)(2) of the Act, the Department hereby orders the continuation of the antidumping duty order on folding gift boxes from the PRC. U.S. Customs and Border Protection will continue to collect antidumping duty cash deposits at the rates in effect at the time of entry

In addition, the respective managers or superintendents for the four California National Marine Sanctuaries (Channel Islands National Marine Sanctuary, Cordell Bank National Marine Sanctuary, Gulf of the Farallones National Marine Sanctuary and the Monterey Bay National Marine Sanctuary) and the Elkhorn Slough National Estuarine Research Reserve sit as non-voting members.
