Within three years of the effective date of the Settlement Agreement, the Settling Parties will sell the seven properties that they own and pay EPA 60% of the net proceeds from the sale of each of the seven properties until the balance of \$386,805.19 is paid in full. In the event that any balance remains due after the sale of the seven properties the remaining balance will be paid out of the Settling Parties' estates. EPA will consider all comments received and may modify or withdraw its consent to the Agreement if comments received indicate that the proposed Agreement is inappropriate, improper, or inadequate.
