Office of the Secretary

Centers for Medicare & Medicaid Services

[CMS-0038-NC]

Advancing Interoperability and Health Information Exchange

AGENCY: Office of the National Coordinator for Health Information Technology (ONC) and Centers for Medicare & Medicaid Services (CMS), Department of Health and Human Services (HHS).

ACTION: Notice with comment; Request for Information.

SUMMARY: HHS seeks input on a series of potential policy and programmatic changes to accelerate electronic health information exchange across providers, as well as new ideas that would be both effective and feasible to implement. To further accelerate and advance interoperability and health information exchange beyond what is currently being done through ONC programs and the EHR Incentive Program, HHS is considering a number of policy levers using existing authorities and programs.

DATES: To be assured consideration, written or electronic comments must be received at one of the addresses provided below, no later than 5 p.m. on April 22, 2013.

ADDRESSES: You may submit comments identified by any of the following methods below (please do not submit duplicate comments). Because of staff and resource limitations, we cannot accept comments by facsimile (FAX) transmission.

- *Federal eRulemaking Portal:* Follow the instructions for submitting comments. Attachments should be in Microsoft Word or Excel, Adobe PDF; however, we prefer Microsoft Word. <http://www.regulations.gov>.

- *Regular, Express, or Overnight Mail:* Department of Health and Human Services, Office of the National Coordinator for Health Information Technology, Attention: *Interoperability RFI*, Hubert H. Humphrey Building, Suite 729D, 200 Independence Ave. SW., Washington, DC 20201. Please submit one original and two copies.

- *Hand Delivery or Courier:* Office of the National Coordinator for Health Information Technology, Attention: *Interoperability RFI*, Hubert H. Humphrey Building, Suite 729D, 200 Independence Ave. SW., Washington, DC 20201. Please submit one original

and two copies. (Because access to the interior of the Hubert H. Humphrey Building is not readily available to persons without federal government identification, commenters are encouraged to leave their comments in the mail drop slots located in the main lobby of the building.)

Inspection of Public Comments: All comments received before the close of the comment period will be available for public inspection, including any personally identifiable or confidential business information that is included in a comment. Please do not include anything in your comment submission that you do not wish to share with the general public. Such information includes, but is not limited to: A person's social security number; date of birth; driver's license number; state identification number or foreign country equivalent; passport number; financial account number; credit or debit card number; any personal health information; or any business information that could be considered to be proprietary. We will post all comments received before the close of the comment period at <http://www.regulations.gov>.

Docket: For access to the docket to read background documents or comments received, go to <http://www.regulations.gov> or the Department of Health and Human Services, Office of the National Coordinator for Health Information Technology, Hubert H. Humphrey Building, Suite 729D, 200 Independence Ave. SW., Washington, DC 20201 (call ahead to the contact listed below to arrange for inspection).

SUPPLEMENTARY INFORMATION:

I. Background

Since enactment of the Health Information Technology for Clinical and Economic Health Act as part of the American Recovery and Reinvestment Act, adoption and use of electronic health records in the United States has dramatically increased. Adoption of EHRs that met the criteria for a basic EHR system by office-based physicians grew by over 80% between 2009 and 2012, from 22% in 2009 to 40% in 2012.^{1,2} Among non-federal acute care
