FOR FURTHER INFORMATION CONTACT:

Thomas A. Nies, Executive Director, New England Fishery Management Council; telephone: (978) 465-0492.

SUPPLEMENTARY INFORMATION: The Committee will recommend measures for Framework 25 to the Sea Scallop Fishery Management Program (FMP). Framework 25 will include fishery specifications for fishing year 2014 and default measures for 2015 as well as accountability measures for southern windowpane flounder. The committee will provide recommendations for research priorities as well as review the status of the fishery for fishing year

2012. In addition, the committee will review progress on the Limited Access General Category Individual Fishing Quota performance report being completed by the Scallop Plan Development Team. Finally, NMFS will give a presentation about management action timing issues. The Committee will review the general timelines and steps involved in reviewing and approving fishery management actions and have an opportunity to ask questions.

Although non-emergency issues not contained in this agenda may come before this group for discussion, those issues may not be the subject of formal action during this meeting. Action will be restricted to those issues specifically listed in this notice and any issues arising after publication of this notice that require emergency action under section 305(c) of the Magnuson-Stevens Act, provided the public has been notified of the Council's intent to take final action to address the emergency.
