SUPPLEMENTARY INFORMATION:**I. Abstract and Request for Comments**

NCUA is renewing the currently approved collection for 3133-0185. The collection includes the NCUA Vendor Registration Form (NCUA 1772) and instructions for completing the form. Section 342 of the Dodd-Frank Wall Street Reform and Consumer Protection Act (The "Dodd-Frank Act") calls for NCUA (the "Agency") to promote the inclusion of minority-owned and women-owned firms in the Agency's business activities. The Dodd-Frank Act also requires NCUA to annually report to Congress the total amounts paid to minority- and women-owned businesses. In order to comply with this Congressional mandate, NCUA needs to collect certain information from its current and potential vendors, so that it can identify businesses that meet the criteria that must be reported to Congress. Without the use of the vendor registration form, NCUA would not be able to capture the type of information that Congress is requiring under the Dodd-Frank Act. The section within the Dodd-Frank Act that makes it necessary to collect this information is as follows: Section 342(e)(2) Reports—Each office shall submit to Congress an annual report regarding the actions taken by the agency and the Office pursuant to this section, which shall include—the percentage of the amounts described in paragraph (1) that were paid to contractors described in subsection (c)(1) [minority-owned and women-owned businesses]. The vendor information is to be submitted to the agency on a one-time basis through a one-page vendor form. The one-page form is brief and asks for simple, readily available information. Additionally, NCUA plans to make this registration available electronically in a format that allows vendors to complete and submit online, without requiring any printing, manual entries, or faxing. The information provided will be used to assign an ownership status to the vendor (i.e., minority-owned business, woman-owned business) per the requirements of the Act. Once an ownership status is assigned to each vendor, NCUA will be able to calculate the total amounts of contracting dollars

paid to minority-owned and women-owned businesses. There is no change in burden hours or cost from NCUA's last submission.

The NCUA requests that you send your comments on this collection to the location listed in the addresses section. Your comments should address: (a) The necessity of the information collection for the proper performance of NCUA, including whether the information will have practical utility; (b) the accuracy of our estimate of the burden (hours and cost) of the collection of information, including the validity of the methodology and assumptions used; (c) ways we could enhance the quality, utility, and clarity of the information to be collected; and (d) ways we could minimize the burden of the collection of the information on the respondents such as through the use of automated collection techniques or other forms of information technology. It is NCUA's policy to make all comments available to the public for review. Comments submitted in response to this notice will be summarized and/or included in the request for OMB approval. All comments will become a matter of public record.

SUPPLEMENTARY INFORMATION:**I. Abstract and Request for Comments**

The NCUA has developed two forms for collecting information from prospective outside counsel. One form relates to a budget or estimate of the legal fees, costs, and expenses that outside counsel would expect to invoice with respect to a particular legal matter. The other form includes representations

and certifications, covering matters such as firm profile and expertise, malpractice insurance, price determination and contract solicitation methods, equal opportunity, lobbying, invoices, and conflicts of interest. The information will enable the NCUA to further standardize the data it uses to select outside counsel, consider additional criteria in making its selections, and improve efficiency and recordkeeping related to its selection process.

In connection with seeking proposals from outside counsel, the NCUA's collections of information, in any of its capacities, are not subject to the Paperwork Reduction Act.¹ Nevertheless, the NCUA intends to voluntarily comply with the Paperwork Reduction Act in collecting this information.

The NCUA's estimates of the average number of respondents, burden, and total annual cost appear below. The estimated number of respondents is the NCUA's approximation of the average number of requests for proposals or inquiries for legal services it processes in any given calendar year. The estimated burden is the NCUA's assessment of the aggregate time prospective outside counsel will need to respond to the information on both the budget form and the representations and certifications form. The NCUA estimated the total annual cost by multiplying its estimate of the number of respondents (100) by the burden (2 hours) and multiplying that total by an estimated national average hourly billing rate for attorneys of \$284.

The NCUA requests that you send your comments on this collection to the location listed in the addresses section. Your comments should address the following subjects: (a) The necessity of the information collection for the proper performance of the NCUA, including whether the information will have

practical utility; (b) the accuracy of the NCUA's estimate of the burden (hours and cost) of the collection of information, including the validity of the methodology and assumptions used; (c) ways the NCUA could enhance the quality, utility, and clarity of the information to be collected; and (d) ways the NCUA could minimize the burden of the collection of the information on the respondents, such as through the use of automated collection techniques or other forms of information technology. It is the NCUA's policy to make all comments available to the public for review.

This request seeks to merge elements of both the loan and grant programs into the same collection and application in order to increase program accessibility and internal and external efficiencies. SUPPLEMENTARY INFORMATION:

I. Abstract and Request for Comments

NCUA is amending the currently approved collection for 3133-0138. The CDRLF Loan and Technical Assistance (Grant) Programs are both administered under the NCUA Rules and Regulations Section 705. 12 CFR 705. Previously, two specific forms were used, one application for loans and one application for grants. NCUA is seeking to streamline the CDRLF Program application to include both the loan and the grant section into one interactive, on-line application in order to recognize internal and external efficiencies. With the merger of the grant documents to this collection, the burden will increase
