

years from the end of the fiscal year in which any purchase in an Affiliated Underwriting occurred, the first two years in an easily accessible place, a written record of each purchase of securities in Affiliated Underwritings, once an investment by an Acquiring Fund in the securities of the Fund exceeds the limit of section 12(d)(1)(A)(i) of the Act, setting forth from whom the securities were acquired, the identity of the underwriting syndicate's members, the terms of the purchase, and the information or materials upon which the determinations of the Board of the Fund were made.

14. Before investing in Shares of a Fund in excess of the limits in section 12(d)(1)(A), each Acquiring Fund and the Fund will execute an Acquiring Fund Agreement stating, without limitation, that their Boards and their investment adviser(s), or their Sponsors or trustees ("Trustee"), as applicable, understand the terms and conditions of the requested order, and agree to fulfill their responsibilities under the requested order. At the time of its investment in Shares of a Fund in excess of the limit in section 12(d)(1)(A)(i), an Acquiring Fund will notify the Fund of the investment. At such time, the Acquiring Fund will also transmit to the Fund a list of the names of each Acquiring Fund Affiliate and Underwriting Affiliate. The Acquiring Fund will notify the Fund of any changes to the list of the names as soon as reasonably practicable after a change occurs. The Fund and the Acquiring Fund will maintain and preserve a copy of the requested order, the Acquiring Fund Agreement, and the list with any updated information for the duration of the investment and for a period of not less than six years thereafter, the first two years in an easily accessible place.

15. The Acquiring Fund Adviser, Trustee or Sponsor, as applicable, will waive fees otherwise payable to it by the Acquiring Fund in an amount at least equal to any compensation (including fees received pursuant to any plan adopted under rule 12b-1 under the Act) received from the Fund by the Acquiring Fund Adviser, Trustee or Sponsor, or an affiliated person of the Acquiring Fund Adviser, Trustee or Sponsor, other than any advisory fees paid to the Acquiring Fund Adviser, Trustee or Sponsor, or its affiliated person by the Fund, in connection with the investment by the Acquiring Fund in the Fund. Any Acquiring Fund Sub-Adviser will waive fees otherwise payable to the Acquiring Fund Sub-Adviser, directly or indirectly, by the Acquiring Management Company in an

amount at least equal to any compensation received from a Fund by the Acquiring Fund Sub-Adviser, or an affiliated person of the Acquiring Fund Sub-Adviser, other than any advisory fees paid to the Acquiring Fund Sub-Adviser or its affiliated person by the Fund, in connection with any investment by the Acquiring Management Company in the Fund made at the direction of the Acquiring Fund Sub-Adviser. In the event that the Acquiring Fund Sub-Adviser waives fees, the benefit of the waiver will be passed through to the Acquiring Management Company.

16. Any sales charges and/or service fees charged with respect to shares of an Acquiring Fund will not exceed the limits applicable to a fund of funds as set forth in NASD Conduct Rule 2830.

17. No Fund will acquire securities of any other investment company or company relying on section 3(c)(1) or 3(c)(7) of the Act in excess of the limits contained in section 12(d)(1)(A) of the Act, except to the extent permitted by exemptive relief from the Commission permitting the Fund to purchase shares of other investment companies for short-term cash management purposes.

18. Before approving any advisory contract under section 15 of the Act, the Board of each Acquiring Management Company, including a majority of the Independent Trustees, will find that the advisory fees charged under such advisory contract are based on services provided that will be in addition to, rather than duplicative of, the services provided under the advisory contract(s) of any Fund in which the Acquiring Management Company may invest. These findings and their basis will be recorded fully in the minute books of the appropriate Acquiring Management Company.

For the Commission, by the Division of Investment Management, under delegated authority.

Deputy Secretary.

SECURITIES AND EXCHANGE COMMISSION

[Release No. 34-69055; File No. SR-NASDAQ-2013-038]

Self-Regulatory Organizations; the NASDAQ Stock Market LLC; Notice of Filing and Immediate Effectiveness of Proposed Rule Change To Modify the Fee Schedule Governing Order Routing

March 7, 2013.

Pursuant to Section 19(b)(1) of the Securities Exchange Act of 1934 ("Act"),¹ and Rule 19b-4 thereunder,² notice is hereby given that on February 26, 2013, The NASDAQ Stock Market LLC ("NASDAQ" or the "Exchange") filed with the Securities and Exchange Commission ("Commission") a proposed rule change as described in Items I and II below, which Items have been prepared by the Exchange. The Commission is publishing this notice to solicit comments on the proposed rule change from interested persons.

I. Self-Regulatory Organization's Statement of the Terms of Substance of the Proposed Rule Change

NASDAQ is proposing [sic] proposed changes to amend NASDAQ's fee schedule governing order routing. NASDAQ will implement the proposed change on February 27, 2013.

II. Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

In its filing with the Commission, the self-regulatory organization included statements concerning the purpose of, and basis for, the proposed rule change and discussed any comments it received on the proposed rule change. The text of those statements may be examined at the places specified in Item III [sic] below. The Exchange has prepared summaries, set forth in sections A, B, and C below, of the most significant parts of such statements.

A. Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

1. Purpose

NASDAQ is amending its fee schedule governing order routing to establish fees for routing orders using its two new order routing strategies, QDRK and QCST.³ All of the changes pertain

¹ 15 U.S.C. 78s(b)(1).

² 17 CFR 240.19b-4.

³ QDRK orders, pursuant to Rule 4758(a)(1)(A)(xii), check the System for available

to securities priced at \$1 or more per share, and to securities listed on NASDAQ, the New York Stock Exchange (“NYSE”) and exchanges other than NASDAQ and NYSE. In addition, QDARK [sic] and QCST orders, like other routable orders, will not count toward determining a member’s shares of liquidity routed for purposes of NASDAQ fees.

With respect to QDRK and QCST orders that access liquidity in the NASDAQ Market Center, members will be charged \$0.0029 per share executed. With respect to QDRK and QCST orders that execute on a venue other than NASDAQ, members will be charged \$0.0005 per share executed, except that for QCST orders that execute on NASDAQ OMX BX, members will receive a credit of \$0.0014 per share executed.

2. Statutory Basis

NASDAQ believes that the proposed rule change is consistent with the provisions of Section 6 of the Act,⁴ in general, and with Sections 6(b)(4) and 6(b)(5) of the Act,⁵ in particular, in that it provides for the equitable allocation of reasonable dues, fees and other charges among members and issuers and other persons using any facility or system which NASDAQ operates or controls, and is not designed to permit unfair discrimination between customers, issuers, brokers, or dealers.

The proposed pricing for QDRK and QCST orders executed on NASDAQ is reasonable because it is similar to the current pricing for most orders executed on NASDAQ. The proposed fee for QDRK and QCST orders that execute on a venue other than NASDAQ is s [sic] the same as the current fee for TFTY orders, and the credit for orders that execute on NASDAQ OMX BX is the same as the current credit for TFTY, SOLV [sic] CART and SAVE orders that execute on NASDAQ OMX BX.

The proposed pricing for QDRK and QCST orders is consistent with an equitable allocation of fees and is not unfairly discriminatory because the pricing, which is the same for all NASDAQ participants, applies solely to members that opt to route QDRK and

QCST orders. Moreover, the lower cost of these routing strategies as compared with other existing routing strategies is not unfairly discriminatory because it is consistent with the lower costs associated with routing to the venues that are accessed by the new strategies.

Finally, NASDAQ notes that it operates in a highly competitive market in which market participants can readily favor competing venues if they deem fee levels at a particular venue to be excessive. In such an environment, NASDAQ must continually adjust its fees to remain competitive with other exchanges and with alternative trading systems that have been exempted from compliance with the statutory standards applicable to exchanges. NASDAQ believes that the proposed rule change reflects this competitive environment because it is designed to ensure that the charges for use of the NASDAQ routing facility to route reflect changes in the cost of such routing.

B. Self-Regulatory Organization’s Statement on Burden on Competition

NASDAQ does not believe that the proposed rule change will result in any burden on competition that is not necessary or appropriate in furtherance of the purposes of the Act, as amended. Because the market for order routing is extremely competitive, members may readily opt to disfavor NASDAQ’s routing services if they believe that alternatives offer them better value. Moreover, by introducing new routing options and charging fees that NASDAQ believes to be reasonable, NASDAQ believes that it is increasing its competitiveness vis-à-vis other trading venues. For this reason and the reasons discussed in connection with the statutory basis for the proposed rule change, NASDAQ does not believe that the proposed changes will impair the ability of members or competing order execution venues to maintain their competitive standing in the financial markets. NASDAQ also does not believe that the proposal raises issues of competition among its own market participants, because the proposal applies fee and credits equally to all participants.

C. Self-Regulatory Organization’s Statement on Comments on the Proposed Rule Change Received From Members, Participants or Others

Written comments were neither solicited nor received.

III. Date of Effectiveness of the Proposed Rule Change and Timing for Commission Action

The foregoing rule change is effective upon filing pursuant to Section 19(b)(3)(A)⁶ of the Act and subparagraph (f)(2) of Rule 19b-4⁷ thereunder, because it establishes a due, fee, or other charge imposed by NASDAQ.

At any time within 60 days of the filing of such proposed rule change, the Commission summarily may temporarily suspend such rule change if it appears to the Commission that such action is necessary or appropriate in the public interest, for the protection of investors, or otherwise in furtherance of the purposes of the Act. If the Commission takes such action, the Commission shall institute proceedings under Section 19(b)(2)(B)⁸ of the Act to determine whether the proposed rule change should be approved or disapproved.

IV. Solicitation of Comments

Interested persons are invited to submit written data, views, and arguments concerning the foregoing, including whether the proposed rule change is consistent with the Act. Comments may be submitted by any of the following methods:

Electronic Comments

- Use the Commission’s Internet comment form (<http://www.sec.gov/rules/sro.shtml>); or
- Send an email to rule-comments@sec.gov. Please include File Number SR–NASDAQ–2013–038 on the subject line.

SECURITIES AND EXCHANGE COMMISSION

[Release No. 34-69061; File No. SR-NYSEArca-2013-01]

Self-Regulatory Organizations; NYSE Arca, Inc.; Order Granting Approval of Proposed Rule Change Relating to Listing and Trading of the Newfleet Multi-Sector Income ETF Under NYSE Arca Equities Rule 8.600

March 7, 2013.

I. Introduction

On January 4, 2013, NYSE Arca, Inc. ("Exchange" or "NYSE Arca") filed with the Securities and Exchange Commission ("Commission"), pursuant to Section 19(b)(1) of the Securities Exchange Act of 1934 ("Act" or "Exchange Act")¹ and Rule 19b-4 thereunder,² a proposed rule change to list and trade shares ("Shares") of the Newfleet Multi-Sector Income ETF ("Fund") under NYSE Arca Equities Rule 8.600. The proposed rule change was published for comment in the *Federal Register* on January 23, 2013.³ The Commission received no comments

on the proposed rule change. This order grants approval of the proposed rule change.

II. Description of the Proposed Rule Change

The Exchange proposes to list and trade Shares of the Fund pursuant to NYSE Arca Equities Rule 8.600, which governs the listing and trading of Managed Fund Shares on the Exchange. The Shares will be offered by AdvisorShares Trust ("Trust"), a statutory trust organized under the laws of the State of Delaware and registered with the Commission as an open-end management investment company.⁴ The investment manager to the Fund will be AdvisorShares Investments LLC ("Adviser"). Newfleet Asset Management, LLC will serve as sub-adviser to the Fund ("Sub-Adviser"). Foreside Fund Services, LLC will serve as the distributor for the Fund. The Bank of New York Mellon will serve as the custodian and transfer agent for the Fund. The Exchange represents that the Adviser is not affiliated with a broker-dealer. The Exchange represents that the Sub-Adviser is affiliated with a broker-dealer and has implemented a fire wall with respect to its broker-dealer affiliate regarding access to information concerning the composition and/or changes to the Fund's portfolio, and will be subject to procedures designed to prevent the use and dissemination of material non-public information regarding the portfolio.⁵

Description of the Fund

Principal Investments

The Fund will, under normal market conditions,⁶ invest at least eighty

percent (80%) in investment-grade fixed income securities, which are fixed income securities with credit ratings within the four highest rating categories of a nationally recognized statistical rating organization. The Fund may invest in unrated securities to a limited extent if such security is determined by the Sub-Adviser to be of comparable quality.⁷ The average duration of the Fund's fixed income investments will range from one to three years.

The Fund's investment objective is to provide a competitive level of current income, consistent with preservation of capital, while limiting fluctuations in net asset value ("NAV") due to changes in interest rates. The Fund seeks to apply extensive credit research and a time-tested approach to capitalize on opportunities across undervalued areas of the bond markets.

The Sub-Adviser will seek to provide diversification by allocating the Fund's investments among various sectors of the fixed income markets, including investment grade debt securities issued primarily by U.S. issuers and secondarily by non-U.S. issuers, as follows:

- Securities issued or guaranteed as to principal and interest by the U.S. government, its agencies, authorities, or instrumentalities, including collateralized mortgage obligations, real estate mortgage investment conduits, and other pass-through securities;
- Non-agency⁸ commercial mortgage-backed securities ("CMBS"), agency and non-agency residential mortgage-backed securities ("RMBS"), and other asset backed securities;⁹

type events such as systems failure, natural or man-made disaster, act of God, armed conflict, act of terrorism, riot or labor disruption, or any similar intervening circumstance.

⁷ In determining whether a security is of "comparable quality," the Sub-Adviser will consider, for example, whether the issuer of the security has issued other rated securities; whether the obligations under the security are guaranteed by another entity and the rating of such guarantor (if any); whether and (if applicable) how the security is collateralized; other forms of credit enhancement (if any); the security's maturity date; liquidity features (if any); relevant cash flow(s); valuation features; other structural analysis; macroeconomic analysis; and sector or industry analysis.

⁸ "Non-agency" securities are financial instruments that have been issued by an entity that is not a government-sponsored agency, such as the Federal National Mortgage Association, Federal Home Loan Mortgage Corporation, Federal Home Loan Banks, or the Government National Mortgage Association.

⁹ Although the Fund has not established a fixed limit to the amount of non-agency securities in which it will invest, at least 80% of the Fund's net assets will be, under normal market conditions, invested in U.S. dollar denominated investment grade fixed income securities. The liquidity of any such security will be a factor in the selection of any such security.

⁴ The Trust is registered under the Investment Company Act of 1940 ("1940 Act"). On June 25, 2012, the Trust filed with the Commission an amendment to its registration statement on Form N-1A under the Securities Act of 1933 ("Securities Act") and under the 1940 Act relating to the Fund (File Nos. 333-157876 and 811-22110) ("Registration Statement"). In addition, the Commission has issued an order granting certain exemptive relief to the Trust under the 1940 Act. See Investment Company Act Release No. 29291 (May 28, 2010) (File No. 812-13677).

⁵ See NYSE Arca Equities Rule 8.600, Commentary .06. In the event (a) the Adviser or the Sub-Adviser becomes newly affiliated with a broker-dealer, or (b) any new adviser or sub-adviser becomes affiliated with a broker-dealer, it will implement a fire wall with respect to such broker-dealer regarding access to information concerning the composition and/or changes to the portfolio, and will be subject to procedures designed to prevent the use and dissemination of material non-public information regarding such portfolio.

⁶ The term "under normal market conditions" includes, but is not limited to, the absence of extreme volatility or trading halts in the fixed income markets or the financial markets generally; operational issues causing dissemination of inaccurate market information; or force majeure
