information collection. The Department of Education is especially interested in
public comment addressing the following issues: (1) Is this collection
necessary to the proper functions of the Department; (2) will this information be
processed and used in a timely manner; (3) is the estimate of burden accurate;
(4) how might the Department enhance the quality, utility, and clarity of the
information to be collected; and (5) how might the Department minimize the
burden of this collection on the respondents, including through the use of
information technology. Please note that written comments received in
response to this notice will be
considered public records.

Title of Collection: Integrated Postsecondary Education Data System
OMB Control Number: 1850–0582.
Type of Review: Revision of a Current Information Collection.
Respondents/Affected Public: State, Local, or Tribal Governments.
Total Estimated Number of Annual Responses: 77,600.
Total Estimated Number of Annual Burden Hours: 954,030.
Abstract: The Integrated Postsecondary Education Data System (IPEDS) is a web-based data
collection system designed to collect basic data from all postsecondary institutions in the
United States and the other jurisdictions. IPEDS enables NCES to report on key dimensions of
postsecondary education such as enrollments, degrees and other awards earned, tuition and fees, average net
price, student financial aid, graduation rates, revenues and expenditures, faculty salaries, and staff employed. The
IPEDS web-based data collection system was implemented in 2000–01, and it collects basic data from approximately
7,500 postsecondary institutions in the United States and the other jurisdictions that are eligible to participate in Title IV
Federal financial aid programs. All Title IV institutions are required to respond to IPEDS (Section 490 of the Higher
Education Amendments of 1992 [Pub. L. 102–325]). IPEDS allows other (non-title IV) institutions to participate on a
voluntary basis. About 200 elect to respond. IPEDS data are available to the public through the College Navigator and
IPEDS Data Center Web sites. The National Center for Education Statistics (NCES) seeks authorization to continue its
IPEDS data collection. Current authorization expires 6/30/2014 (OMB No. 1850–0582). We are requesting a
new clearance for the 2014–15 and 2015–16 data collections now in order to provide institutions a one-year
advance notice of changes to the current data collection. Because the already
approved 2013–14 IPEDS data collection has not yet taken place, we are carrying over the documentation and
estimated burden associated with the 2013–14 data collection.

Dated: March 11, 2013.
Kate Mullan,
Acting Director, Information Collection
Clearance Division, Privacy, Information and
Records Management Services, Office of
Management.
