

regulatory oversight services provided to the membership by the Exchange.⁸

The Exchange notes that the proposed change is not otherwise intended to address any other issues, and the Exchange is not aware of any problems that member organizations would have in complying with the proposed change.

2. Statutory Basis

The Exchange believes that the proposed rule change is consistent with Section 6(b) of the Act,⁹ in general, and furthers the objectives of Sections 6(b)(4) and 6(b)(5) of the Act,¹⁰ in particular, because it provides for the equitable allocation of reasonable dues, fees, and other charges among its members, issuers and other persons using its facilities and does not unfairly discriminate between customers, issuers, brokers or dealers.

The Exchange believes that the proposed change is reasonable because the increase in the Gross FOCUS Fee would permit the Exchange to offset increased regulatory expenses related to member organizations. In this regard, the Exchange notes that it has not increased the Gross FOCUS Fee in more than five years, since January 2008.¹¹

The Exchange further believes that the level of the Gross FOCUS Fee is reasonable because it is expected to generate revenues that, when combined with the Exchange's other regulatory fees with respect to member organizations, will be less than or equal to the Exchange's regulatory costs. The Exchange believes that this is consistent with the Commission's previously stated view that regulatory fees be used for regulatory purposes and not to support the Exchange's business side.

The Exchange further believes that the proposed change is equitable and not unfairly discriminatory because the Gross FOCUS Fee is assessed in an objective manner to all member organizations based on gross revenue reported on their FOCUS Reports.

The Exchange also believes that consolidating the text related to the Gross FOCUS Fee in the Price List is reasonable, equitable and not unfairly discriminatory because it would provide member organizations with a single location to reference the applicable fees and would eliminate unnecessary duplication of related text.

B. Self-Regulatory Organization's Statement on Burden on Competition

The Exchange does not believe that the proposed rule change will impose any burden on competition that is not necessary or appropriate in furtherance of the purposes of the Act. The proposed change is not designed to address any competitive issues. Rather, the proposed change is designed to permit the Exchange to adequately fund its regulatory activities in light of increased regulatory expenses related to member organizations.

C. Self-Regulatory Organization's Statement on Comments on the Proposed Rule Change Received From Members, Participants, or Others

No written comments were solicited or received with respect to the proposed rule change.

III. Date of Effectiveness of the Proposed Rule Change and Timing for Commission Action

The foregoing rule change is effective upon filing pursuant to Section 19(b)(3)(A)¹² of the Act and subparagraph (f)(2) of Rule 19b-4¹³ thereunder, because it establishes a due, fee, or other charge imposed by NYSE.

At any time within 60 days of the filing of such proposed rule change, the Commission summarily may temporarily suspend such rule change if it appears to the Commission that such action is necessary or appropriate in the public interest, for the protection of investors, or otherwise in furtherance of the purposes of the Act.

“Act”)² and Rule 19b–4 thereunder,³ notice is hereby given that on February 26, 2013, NYSE Arca, Inc. (“Exchange” or “NYSE Arca”) filed with the Securities and Exchange Commission (the “Commission”) the proposed rule change as described in Items I and II below, which Items have been prepared by the Exchange. The Commission is publishing this notice to solicit comments on the proposed rule change from interested persons.

I. Self-Regulatory Organization’s Statement of the Terms of Substance of the Proposed Rule Change

The Exchange proposes to amend Commentary .02 to NYSE Arca Options Rule 6.72 in order to extend the Penny Pilot in options classes in certain issues (“Pilot Program”) previously approved by the Securities and Exchange Commission (“Commission”) through June 30, 2013. The text of the proposed rule change is available on the Exchange’s Web site at www.nyse.com, at the Exchange’s principal office and at the Commission’s Public Reference Room.

II. Self-Regulatory Organization’s Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

In its filing with the Commission, the self-regulatory organization included statements concerning the purpose of and basis for the proposed rule change and discussed any comments it received on the proposed rule change. The text of those statements may be examined at the places specified in Item IV below. The Exchange has prepared summaries, set forth in sections A, B, and C below, of the most significant parts of such statements.

A. Self-Regulatory Organization’s Statement of the Purpose of, and the Statutory Basis for, the Proposed Rule Change

1. Purpose

The Exchange hereby proposes to amend Commentary .02 to Exchange Rule 6.72 to extend the time period of the Pilot Program,⁴ which is currently scheduled to expire on March 31, 2013 through June 30, 2013.

This filing does not propose any substantive changes to the Pilot Program: all classes currently participating will remain the same and all minimum increments will remain

unchanged. The Exchange believes the benefits to public customers and other market participants who will be able to express their true prices to buy and sell options have been demonstrated to outweigh the increase in quote traffic.

2. Statutory Basis

The proposed rule change is consistent with Section 6(b)⁵ of the Securities Exchange Act of 1934 (the “Act”), in general, and furthers the objectives of Section 6(b)(5),⁶ in particular, in that it is designed to prevent fraudulent and manipulative acts and practices, to promote just and equitable principles of trade, to foster cooperation and coordination with persons engaged in facilitating transactions in securities, and to remove impediments to and perfect the mechanisms of a free and open market and a national market system. The Exchange believes that the Pilot Program promotes just and equitable principles of trade by enabling public customers and other market participants to express their true prices to buy and sell options. The proposal to extend the Pilot Program is designed to promote just and equitable principles of trade, to foster cooperation and coordination with persons engaged in facilitating transactions in securities, and to remove impediments to and perfect the mechanisms of a free and open market and a national market system, by allowing the Exchange and the Commission additional time to analyze the impact of the Pilot Program while also allowing the Exchange to continue to compete for order flow with other exchanges in option issues trading as part of the Pilot Program.

B. Self-Regulatory Organization’s Statement on Burden on Competition

The Exchange does not believe that the proposed rule change will impose any burden on Competition that is not necessary or appropriate in furtherance of the purposes of the Act. Specifically, the Exchange believes that, by extending the expiration of the Pilot Program, the proposed rule change will allow for further analysis of the Pilot Program and a determination of how the Program should be structured in the future. In doing so, the proposed rule change will also serve to promote regulatory clarity and consistency, thereby reducing burdens on the marketplace and facilitating investor protection. The Pilot Program is an industry wide initiative supported by all other option exchanges. The Exchange believes that

extending of the Pilot Program to coincide with the expiration of the Pilot Program at other exchange will allow for continued competition between market participants on the NYSE Arca trading similar products as their counterparts on other exchanges, while at the same time allowing the Exchange to continue to compete for order flow with other exchanges in option issues trading as part of the Pilot Program.

C. Self-Regulatory Organization’s Statement on Comments on the Proposed Rule Change Received from Members, Participants or Others

No written comments were solicited or received with respect to the proposed rule change.

III. Date of Effectiveness of the Proposed Rule Change and Timing for Commission Action

The Exchange has filed the proposed rule change pursuant to Section 19(b)(3)(A)(iii) of the Act⁷ and Rule 19b–4(f)(6) thereunder.⁸ Because the proposed rule change does not: (i) Significantly affect the protection of investors or the public interest; (ii) impose any significant burden on competition; and (iii) become operative prior to 30 days from the date on which it was filed, or such shorter time as the Commission may designate if consistent with the protection of investors and the public interest, the proposed rule change has become effective pursuant to Section 19(b)(3)(A) of the Act⁹ and Rule 19b–4(f)(6)(iii) thereunder.¹⁰

A proposed rule change filed under Rule 19b–4(f)(6) normally does not become operative prior to 30 days after the date of the filing.¹¹ However, pursuant to Rule 19b–4(f)(6)(iii),¹² the Commission may designate a shorter time if such action is consistent with the protection of investors and the public interest. The Exchange has asked the Commission to waive the 30-day operative delay so that the proposal may become operative immediately upon filing. The Commission believes that waiving the 30-day operative delay is consistent with the protection of investors and the public interest

¹⁰ 17 CFR 240.19b–4(f)(6)(iii).

¹¹ 17 CFR 240.19b–4(f)(6). In addition, Rule 19b–4(f)(6)(iii) requires the Exchange to give the Commission written notice of the Exchange’s intent to file the proposed rule change along with a brief description and the text of the proposed rule change, at least five business days prior to the date of filing of the proposed rule change, or such shorter time as designated by the Commission. The Exchange has satisfied this pre-filing requirement.

because doing so will allow the Pilot Program to continue without interruption in a manner that is consistent with the Commission's prior approval of the extension and expansion of the Pilot Program and will allow the Exchange and the Commission additional time to analyze the impact of the Pilot Program.¹³ Accordingly, the Commission designates the proposed rule change as operative upon filing with the Commission.¹⁴

At any time within 60 days of the filing of the proposed rule change, the Commission summarily may temporarily suspend such rule change if it appears to the Commission that such action is necessary or appropriate in the public interest, for the protection of investors, or otherwise in furtherance of the purposes of the Act.
