

File No. 17367: The permit holder is issued a five year permit to study captive shortnose and Atlantic sturgeon to conduct scientific research facilitating the development of new methods needed for achieving species recovery in four facilities located in the Southeast Region of the USFWS. Research would include, but is not limited to, nutrition, physiology, propagation, contaminants, genetics, fish health, cryopreservation, tagging, refugia, as well as, collaborative research with other researchers. Additionally, work with captive animals would examine abiotic factors (e.g., pH, temperature, salinity dissolved oxygen, etc.) potentially influencing distribution and abundance in the wild.

File No. 17364: The permit holder is issued a five year permit to refine propagation and culture techniques of captive Atlantic sturgeon held in refugia at the USFWS's Northeast Fisheries Center, providing a source of research animals for studies related to tagging, tracking, behavior, physiology, genetics, health, cryopreservation, and other methods for population conservation, recovery, or enhancement of the species in the wild.

Issuance of this permit, as required by the ESA, was based on a finding that such permit (1) Was applied for in good faith, (2) will not operate to the disadvantage of such endangered or threatened species, and (3) is consistent with the purposes and policies set forth in section 2 of the ESA.

Dated: March 18, 2013.

SUPPLEMENTARY INFORMATION:

Additions

On 12/21/2012 (77 FR 75616) and 1/25/2013 (78 FR 5423), the Committee for Purchase From People Who Are Blind or Severely Disabled published notices of proposed additions to the Procurement List.

After consideration of the material presented to it concerning capability of qualified nonprofit agencies to provide the products and service and impact of the additions on the current or most recent contractors, the Committee has determined that the products and service listed below are suitable for procurement by the Federal Government under 41 U.S.C. 8501-8506 and 41 CFR 51-2.4.

Regulatory Flexibility Act Certification

I certify that the following action will not have a significant impact on a substantial number of small entities. The major factors considered for this certification were:

1. The action will not result in any additional reporting, recordkeeping or other compliance requirements for small entities other than the small organizations that will furnish the products and service to the Government.

2. The action will result in authorizing small entities to furnish the products and service to the Government.

3. There are no known regulatory alternatives which would accomplish the objectives of the Javits-Wagner-O'Day Act (41 U.S.C. 8501-8506) in connection with the products and service proposed for addition to the Procurement List.
