

their fishing seasons, and be very disruptive.

For the reasons listed above, the AA also finds good cause to waive the 30-day delay in effectiveness of the action under 5 U.S.C. 553(d)(3).

Because prior notice and opportunity for public comment are not required for this rule by 5 U.S.C. 553 or any other law, the analytical requirements of the Regulatory Flexibility Act, 5 U.S.C. 601 et seq. are inapplicable. Accordingly, no Regulatory Flexibility Analysis is required and none has been prepared.

List of Subjects in 50 CFR Part 622

Fisheries, Fishing, Puerto Rico, Reporting and recordkeeping requirements, Virgin Islands.

Dated: March 19, 2013.

Alan D. Risenhoover,

Director, Office of Sustainable Fisheries, performing the functions and duties of the Deputy Assistant Administrator for Regulatory Programs, National Marine Fisheries Service.

For the reasons set out in the preamble, 50 CFR part 622 is amended as follows:

PART 622—FISHERIES OF THE CARIBBEAN, GULF, AND SOUTH ATLANTIC

■ 1. The authority citation for part 622 continues to read as follows:

Authority: 16 U.S.C. 1801 et seq.

■ 2. In § 622.2, the definitions for “Off Louisiana”, “Off Mississippi” and “Off Alabama” are added in alphabetical order to read as follows:

§ 622.2 Definitions and acronyms.

\* \* \* \* \*

Off Alabama means the waters in the Gulf west of a rhumb line at 87°31.1' W. long., which is a line directly south from the Alabama/Florida boundary, to a rhumb line at 88°23.1' W. long., which is a line directly south from the Mississippi/Alabama boundary.

Off Louisiana means the waters in the Gulf west of a rhumb line at 89°10.0' W. long., which is a line extending directly south from South Pass Light, to a rhumb line beginning at 29°32.1' N. lat., 93°47.7' W. long. and extending to 26°11.4' N. lat., 92°53.0' W. long., which line is an extension of the boundary between Louisiana and Texas.

\* \* \* \* \*

Off Mississippi means the waters in the Gulf west of a rhumb line at 88°23.1' W. long., which is a line directly south from the Mississippi/Alabama boundary, to a rhumb line at 89°10.0' W.

long., which is a line extending directly south from South Pass Light.

\* \* \* \* \*

■ 3. In § 622.43, paragraph (a)(1)(ii) is suspended and paragraph (a)(1)(iv) is added to read as follows:

§ 622.43 Closures.

(a) \* \* \*

(1) \* \* \*

(iv) Recreational quota for red snapper. The bag and possession limit for red snapper in or from the Gulf EEZ is zero, off specified Gulf states and on specified dates as determined by NMFS and announced in the Federal Register. If one or more Gulf states establish less restrictive red snapper regulations than Federal regulations, NMFS may reduce the recreational red snapper season in the Gulf EEZ off those states (including a zero-day season) by the amount necessary to compensate for the additional harvest that would occur in state waters as a result of those inconsistent state regulations.

50 CFR Part 679

[Docket No. 120918468-3111-02]

RIN 0648-XC585

Fisheries of the Exclusive Economic Zone Off Alaska; Pacific Cod by Catcher Vessels Greater Than or Equal to 50 Feet (15.2 Meters) Length Overall Using Hook-and-Line Gear in the Central Regulatory Area of the Gulf of Alaska

AGENCY: National Marine Fisheries Service (NMFS), National Oceanic and Atmospheric Administration (NOAA), Commerce.

ACTION: Temporary rule; closure.

SUMMARY: NMFS is prohibiting directed fishing for Pacific cod by catcher vessels (CVs) greater than or equal to 50 feet (15.2 meters (m)) in length overall (LOA) using hook-and-line gear in the Central Regulatory Area of the Gulf of Alaska (GOA). This action is necessary to prevent exceeding the A season allowance of the 2013 Pacific cod total allowable catch apportioned to CVs greater than or equal to 50 feet (15.2 m) LOA using hook-and-line gear in the Central Regulatory Area of the GOA.

DATES: Effective 1200 hours, Alaska local time (A.l.t.), March 21, 2013, through 1200 hours, A.l.t., September 1, 2013.

FOR FURTHER INFORMATION CONTACT: Josh Keaton, 907-586-7228.

SUPPLEMENTARY INFORMATION: NMFS manages the groundfish fishery in the GOA exclusive economic zone according to the Fishery Management Plan for Groundfish of the Gulf of Alaska (FMP) prepared by the North Pacific Fishery Management Council under authority of the Magnuson-Stevens Fishery Conservation and Management Act. Regulations governing fishing by U.S. vessels in accordance with the FMP appear at subpart H of 50 CFR part 600 and 50 CFR part 679. Regulations governing sideboard protections for GOA groundfish fisheries appear at subpart B of 50 CFR part 680.

The A season allowance of the 2013 Pacific cod total allowable catch (TAC) apportioned to CVs greater than or equal to 50 feet (15.2 m) LOA using hook-and-line gear in the Central Regulatory Area of the GOA is 2,032 metric tons (mt), as established by the final 2013 and 2014 harvest specifications for groundfish of the GOA (78 FR 13162, February 26, 2013).

In accordance with § 679.20(d)(1)(i), the Administrator, Alaska Region, NMFS (Regional Administrator) has determined that the A season allowance of the 2013 Pacific cod TAC apportioned to CVs greater than or equal to 50 feet (15.2 m) LOA using hook-and-line gear in the Central Regulatory Area of the GOA will soon be reached. Therefore, the Regional Administrator is establishing a directed fishing allowance of 1,932 mt, and is setting aside the remaining 100 mt as bycatch to support other anticipated groundfish fisheries. In accordance with § 679.20(d)(1)(iii), the Regional Administrator finds that this directed fishing allowance has been reached. Consequently, NMFS is prohibiting directed fishing for Pacific cod by CVs greater than or equal to 50 feet (15.2 m) LOA using hook-and-line gear in the Central Regulatory Area of the GOA. After the effective date of this closure the maximum retainable amounts at § 679.20(e) and (f) apply at any time during a trip.

Classification

This action responds to the best available information recently obtained from the fishery. The Acting Assistant Administrator for Fisheries, NOAA (AA), finds good cause to waive the requirement to provide prior notice and

opportunity for public comment pursuant to the authority set forth at 5 U.S.C. 553(b)(B) as such requirement is impracticable and contrary to the public interest. This requirement is impracticable and contrary to the public interest as it would prevent NMFS from responding to the most recent fisheries data in a timely fashion and would delay the closure of directed fishing for Pacific cod for CVs greater than or equal to 50 feet (15.2 m) LOA using hook-and-line gear in the Central Regulatory Area of the GOA. NMFS was unable to publish a notice providing time for public comment because the most recent, relevant data only became available as of March 19, 2013.

The AA also finds good cause to waive the 30-day delay in the effective date of this action under 5 U.S.C. 553(d)(3). This finding is based upon the reasons provided above for waiver of prior notice and opportunity for public comment.

This action is required by § 679.20 and is exempt from review under Executive Order 12866.

#### Fisheries of the Exclusive Economic Zone Off Alaska; Pacific Cod by Catcher Vessels Less Than 50 Feet (15.2 Meters) Length Overall Using Hook-and-Line Gear in the Central Regulatory Area of the Gulf of Alaska

**AGENCY:** National Marine Fisheries Service (NMFS), National Oceanic and Atmospheric Administration (NOAA), Commerce.

**ACTION:** Temporary rule; closure.

**SUMMARY:** NMFS is prohibiting directed fishing for Pacific cod by catcher vessels (CVs) less than 50 feet (15.2 meters (m)) in length overall (LOA) using hook-and-line gear in the Central Regulatory Area of the Gulf of Alaska (GOA). This action is necessary to prevent exceeding the A season allowance of the 2013 Pacific cod total allowable catch apportioned to

CVs less than 50 feet (15.2 m) LOA using hook-and-line gear in the Central Regulatory Area of the GOA.

**DATES:** Effective 1200 hours, Alaska local time (A.l.t.), March 21, 2013, through 1200 hours, A.l.t., September 1, 2013.

**FOR FURTHER INFORMATION CONTACT:** Josh Keaton, 907-586-7228.

**SUPPLEMENTARY INFORMATION:** NMFS manages the groundfish fishery in the GOA exclusive economic zone according to the Fishery Management Plan for Groundfish of the Gulf of Alaska (FMP) prepared by the North Pacific Fishery Management Council under authority of the Magnuson-Stevens Fishery Conservation and Management Act. Regulations governing fishing by U.S. vessels in accordance with the FMP appear at subpart H of 50 CFR part 600 and 50 CFR part 679. Regulations governing sideboard protections for GOA groundfish fisheries appear at subpart B of 50 CFR part 680.

The A season allowance of the 2013 Pacific cod total allowable catch (TAC) apportioned to CVs less than 50 feet (15.2 m) LOA using hook-and-line gear in the Central Regulatory Area of the GOA is 3,375 metric tons (mt), as established by the final 2013 and 2014 harvest specifications for groundfish of the GOA (78 FR 13162, February 26, 2013).

In accordance with § 679.20(d)(1)(i), the Administrator, Alaska Region, NMFS (Regional Administrator) has determined that the A season allowance of the 2013 Pacific cod TAC apportioned to CVs less than 50 feet (15.2 m) LOA using hook-and-line gear in the Central Regulatory Area of the GOA will soon be reached. Therefore, the Regional Administrator is establishing a directed fishing allowance of 3,340 mt, and is setting aside the remaining 35 mt as bycatch to support other anticipated groundfish fisheries. In accordance with § 679.20(d)(1)(iii), the Regional Administrator finds that this directed fishing allowance has been reached. Consequently, NMFS is prohibiting directed fishing for Pacific cod by CVs less than 50 feet (15.2 m) LOA using hook-and-line gear in the Central Regulatory Area of the GOA. After the effective date of this closure the maximum retainable amounts at § 679.20(e) and (f) apply at any time during a trip.

#### Classification

This action responds to the best available information recently obtained from the fishery. The Acting Assistant

Administrator for Fisheries, NOAA (AA), finds good cause to waive the requirement to provide prior notice and opportunity for public comment pursuant to the authority set forth at 5 U.S.C. 553(b)(B) as such requirement is impracticable and contrary to the public interest. This requirement is impracticable and contrary to the public interest as it would prevent NMFS from responding to the most recent fisheries data in a timely fashion and would delay the closure of directed fishing for Pacific cod by CVs less than 50 feet (15.2 m) LOA using hook-and-line gear in the Central Regulatory Area of the GOA. NMFS was unable to publish a notice providing time for public comment because the most recent, relevant data only became available as of March 19, 2013.

The AA also finds good cause to waive the 30-day delay in the effective date of this action under 5 U.S.C. 553(d)(3). This finding is based upon the reasons provided above for waiver of prior notice and opportunity for public comment.

This action is required by § 679.20 and is exempt from review under Executive Order 12866.
