Withdrawal of direct final rule.

SUMMARY: Due to the receipt of an adverse comment, EPA is withdrawing the January 31, 2013, direct final rule approving a revision to the Minnesota sulfur dioxide SIP for Flint Hills Resources Pine Bend, LLC, in Dakota County. In the direct final rule, EPA stated that if adverse comments were received by March 4, 2013, the rule would be withdrawn and not take effect. On February 5, 2013, EPA received a comment, which it interprets as adverse and, therefore, EPA is withdrawing the direct final rule. EPA will address the comment in a subsequent final action based upon the proposed rulemaking action, also published on January 31, 2013 (78 FR 6783). EPA will not institute a second comment period on this action.
