

instance where the requester would want to complete this section. OPM added the OGIS suggested verbiage "By completing this section, you authorize information relating to you to be released to another person, such as a family member or legal counsel." OGIS recommended that in Section 6, Verification of Requester's Identity, OPM should change the verbiage, for clarity, from "the person named above" to "the person named in Section 2." OPM accepted the comment and changed the verbiage. OGIS recommended that in Section 7, because a requester is generally not required to state the purpose of his or her request, OPM replace the introductory sentence to state, "In the box below, you may wish to provide information about yourself and the purpose of your request to help us determine your fee category. While FOIA does not require a requester to state the purpose of a request, fees may be reduced based on the nature of the requester or purpose of the request." OPM accepted the comment and changed the verbiage. OGIS further recommended a rewrite in Section 7 to state, "I request a waiver or reduction of fees because I am (check one of the three options listed below):" so requesters may check all of the options that apply. This will provide clarity because fee waivers are different from fee categories, and the two are not mutually exclusive. OPM accepted the comment and changed the verbiage to state, "I request a waiver or reduction of fees because I am (check all options listed below that apply):".
