Letters of Authorization To Take Marine Mammals

AGENCY: Fish and Wildlife Service, Interior.

ACTION: Notice of Issuance.

SUMMARY: In accordance with the Marine Mammal Protection Act of 1972,

as amended (MMPA), the U.S. Fish and Wildlife Service (Service, or we), has issued letters of authorization for the nonlethal take of polar bears and Pacific walrus incidental to oil and gas industry exploration, development, and production activities in the Beaufort Sea and the adjacent northern coast of Alaska and incidental to oil and gas industry exploration activities in the Chukchi Sea and the adjacent western coast of Alaska. These letters of authorization stipulate conditions and methods that minimize impacts to polar bears and Pacific walrus from these activities.

FOR FURTHER INFORMATION CONTACT: Craig Perham at the U.S. Fish and Wildlife Service, Marine Mammals Management Office, 1011 East Tudor Road, MS 341, Anchorage, AK 99503; (800) 362-5148 or (907) 786-3810.

SUPPLEMENTARY INFORMATION: On August 3, 2011, we published in the **Federal Register** a final rule (76 FR 47010) establishing regulations that allow us to authorize the nonlethal, incidental, unintentional take of small numbers of polar bears and Pacific walrus during year-round oil and gas industry exploration, development, and production activities in the Beaufort Sea and adjacent northern coast of Alaska. The rule established subpart J in part 18 of title 50 of the Code of Federal Regulations (CFR) and is effective through August 3, 2016. The rule prescribed a process under which we issue Letters of Authorization (LOAs) to applicants conducting activities as described under the provisions of the regulations.

Each LOA stipulates conditions or methods that are specific to the activity and location. Holders of LOAs must use methods and conduct activities in a manner that minimizes to the greatest extent practicable adverse impacts on Pacific walrus and polar bears, their habitat, and on the availability of these marine mammals for subsistence purposes. Intentional take and lethal incidental take is prohibited.

In accordance with section 101(a)(5)(A) of the MMPA (16 U.S.C. 1361 et seq.) and our regulations at 50 CFR 18, subpart J, we issued LOAs to each of the following companies in the Beaufort Sea and adjacent northern coast of Alaska:

Call for Nominations for Advisory Committees

AGENCY: Bureau of Land Management, Interior.

ACTION: Notice.

SUMMARY: The purpose of this notice is to reopen the request for public nominations for certain Bureau of Land Management (BLM) Advisory Committees that have member terms expiring this year. These Advisory Committees provide advice and recommendations to the BLM on land use planning and management of the National System of Public Lands within their respective geographic areas. The Advisory Committees covered by this request for nominations are identified below. The BLM will accept public nominations for 30 days after the publication of this notice.

DATES: All nominations must be received no later than April 29, 2013.

ADDRESSES: See **SUPPLEMENTARY INFORMATION** for the address of respective BLM Offices accepting nominations.

FOR FURTHER INFORMATION CONTACT: Lauren Luckey, U.S. Department of the Interior, Bureau of Land Management, Correspondence, International, and Advisory Committee Office, 1849 C Street NW., MS-MIB 5070, Washington, DC 20240; 202-208-3806.

SUPPLEMENTARY INFORMATION: The Federal Land Policy and Management Act (FLPMA) directs the Secretary of the Interior to involve the public in planning and issues related to management of lands administered by the BLM. Section 309 of FLPMA (43 U.S.C. 1739) directs the Secretary to establish 10- to 15-member citizen-based advisory councils that are consistent with the Federal Advisory Committee Act (FACA). As required by FACA, Resource Advisory Council

(RAC) membership must be balanced and representative of the various interests concerned with the management of the public lands. The rules governing RACs are found at 43 CFR subpart 1784 and include the following three membership categories:

Category One—Holders of Federal grazing permits and representatives of organizations associated with energy and mineral development, timber industry, transportation or rights-of-way, developed outdoor recreation, off-highway vehicle use, and commercial recreation;

Category Two—Representatives of nationally or regionally recognized environmental organizations, archaeological and historic organizations, dispersed recreation activities, and wild horse and burro organizations; and

Category Three—Representatives of State, county, or local elected office, employees of a State agency responsible for management of natural resources, representatives of Indian tribes within or adjacent to the area for which the council is organized, representatives of academia who are employed in natural sciences, and the public-at-large.

Individuals may nominate themselves or others. Nominees must be residents of the State in which the RAC has jurisdiction. The BLM will evaluate nominees based on their education, training, experience, and knowledge of the geographical area of the RAC. Nominees should demonstrate a commitment to collaborative resource decision-making. The Obama Administration prohibits individuals who are currently federally registered lobbyists from being appointed or re-appointed to FACA and non-FACA boards, committees, or councils.

This request for public nominations also applies to the Steens Mountain Advisory Council (SMAC) in Oregon established pursuant to Section 131 of the Steens Mountain Cooperative Management and Protection Act of 2000. The SMAC advises the Secretary of the Interior in managing the Steens Mountain Cooperative Management and Protection Area. The following must accompany all nominations for the RACs and SMAC:

- Letters of reference from represented interests or organizations;
- A completed Resource Advisory Council application; and
- Any other information that addresses the nominee's qualifications.

Simultaneous with this notice, BLM state offices will issue press releases providing additional information for submitting nominations, with specifics about the number and categories of member positions available for each RAC in the state and the Steens Mountain Advisory Council in Oregon.
