SUPPLEMENTARY INFORMATION:

Background
On May 25, 2007, the President signed into law the U.S. Troop Readiness, Veterans’ Care, Katrina Recovery, and Iraq Accountability Appropriations Act, 2007 (the Act), (Pub. L. 110–28, 121 Stat. 112, 183, May 25, 2007). Section 6901 of the Act requires that certain actions be taken by the United States (U.S.) Department of Transportation (DOT) as a condition of obligating or expending appropriated funds to grant authority to Mexico-domiciled motor carriers to operate beyond the border commercial zones in Mexico that are granted authority to operate beyond the border commercial zones in the Federal Register to provide sufficient opportunity for public notice and comment. There is no requirement to provide information to the public on the motor carriers that failed the PASA, and, therefore, will not be granted authority to operate in the pilot program. However, FMCSA committed in previous notices to provide information on the motor carriers that did not pass the PASA.

The Mexico-domiciled motor carriers in Table 1 did not successfully complete the PASA.
