Foreign-Trade Zones Board

[B-28-2013]

Foreign-Trade Zone (FTZ) 158— Vicksburg/Jackson, Mississippi; Notification of Proposed Production Activity; Lane Furniture Industries, Inc., (Upholstered Furniture), Belden, Saltillo, and Verona, Mississippi

The Greater Mississippi Foreign-Trade Zone, Inc., grantee of FTZ 158, submitted a notification of proposed production activity on behalf of Lane Furniture Industries, Inc. (Lane), located in Belden, Saltillo, and Verona, Mississippi. The notification conforming to the requirements of the regulations of the FTZ Board (15 CFR 400.22) was received on February 28, 2013.

The Lane facilities are located within Sites 14, 16, and 17 of FTZ 158 and currently have authority to conduct cut-and-sew activity using certain foreign micro-denier suede upholstery fabrics to produce upholstered furniture and related parts (upholstery cover sets) on a restricted basis (see, Board Order 1598, 74 FR 263, 1-5-2009). The current request seeks to extend the company's current FTZ authority indefinitely. Pursuant to 15 CFR 400.14(b), FTZ activity would be limited to the specific foreign-status materials and components and specific finished products described in the submitted notification (as described below) and subsequently authorized by the FTZ Board.

Production under FTZ procedures could exempt Lane from customs duty payments on the foreign micro-denier suede upholstery fabric used in export production. On its domestic sales, Lane would be able to apply the finished upholstery cover set (*i.e.*, furniture part) or finished furniture duty rate (free) for the micro-denier suede fabric listed below. Customs duties also could possibly be deferred or reduced on foreign status production equipment.

The proposed scope of authority under FTZ procedures would only
