Relevant public comments may be submitted in writing or presented in person for the Council to consider. Comments received by Nancy Wong after 12:00 p.m. on April 8, 2013, will still be accepted and reviewed by the members, but not necessarily by the time of the meeting. FOR FURTHER INFORMATION CONTACT: Nancy Wong, National Infrastructure Advisory Council Designated Federal Officer, Department of Homeland Security, telephone (703) 235-2888.

SUPPLEMENTARY INFORMATION: Notice of this meeting is given under the Federal Advisory Committee Act, 5 U.S.C. App. (Pub. L. 92-463). The NIAC shall provide the President through the Secretary of Homeland Security with advice on the security and resilience of the Nation's critical infrastructure sectors and their information systems.

The NIAC will meet to discuss issues relevant to the critical infrastructure protection and resilience as directed by the President. At this meeting, the committee will receive and discuss a presentation from the NIAC Regional Resilience Working Group documenting their work to date on the Regional Resilience Study, which includes the role and impact of critical infrastructure on regional resiliency, best regional practices and models, and the contribution of public private

partnerships. The presentation will be posted no later than one week prior to the meeting on the Council's public Web page on www.dhs.gov/NIAC. The Council will review and discuss the findings of the Working Group. Federal officials will brief the members on the recently issued Executive Order 13636 and Presidential Policy Directive 21 to receive comments. Federal officials will also provide further direction to the Council on the scope of the Working Group's study, and on potential new topics for study by the Council.

The Federal Advisory Committee Act requires that notices of meetings of advisory committees be announced in the **Federal Register** 15 days prior to the meeting date. However, this notice of the NIAC meeting is being published in the **Federal Register** on April 8, 2013, zero days prior to the meeting due to an immediate need by DHS to receive advice on the new implementation of Executive Order 13636 and Presidential Policy Directive 21. Both mandate comprehensive consultation with stakeholders in very short time lines for implementation. Although the meeting notice was published in the **Federal Register** late, the date of the meeting has been posted on the Council's public Web site on www.dhs.gov since January 2013. Additional outreach will be accomplished through trade and professional associations.
