

liquidate the appropriate entries without regard to antidumping duties in accordance with the *Final Modification for Reviews*, i.e., “{w}here the weighted-average margin of dumping for the exporter is determined to be zero or *de minimis*, no antidumping duties will be assessed.”³

The Department clarified its “automatic assessment” regulation on May 6, 2003.⁴ This clarification applies to entries of subject merchandise during the POR produced by Saha Thai for which it did not know its merchandise was destined for the United States. In such instances, we will instruct CBP to liquidate unreviewed entries at the all-others rate if there is no rate for the intermediate company(ies) involved in the transaction.

Consistent with the *Assessment Policy Notice*, if we continue to find that Pacific Pipe had no shipments of subject merchandise to the United States in the final results of this review, we intend to instruct CBP to liquidate all existing entries of merchandise produced by Pacific Pipe and exported by other parties at the all-others rate.

We intend to issue instructions to CBP 15 days after publication of the final results of this review.

Cash Deposit Requirements

The following cash deposit requirements will be effective for all shipments of circular welded carbon steel pipes and tubes from Thailand entered, or withdrawn from warehouse, for consumption on or after the date of publication of the final results of this administrative review, as provided for by section 751(a)(2)(C) of the Act: (1) The cash deposit rate for the company under review will be the rate established in the final results of this review (except, if the rate is zero or *de minimis*, i.e., less than 0.5 percent, then no cash deposit will be required); (2) for previously reviewed or investigated companies not listed above, the cash deposit rate will continue to be the company-specific rate published for the most recent period; (3) if the exporter is not a firm covered in this review, a prior review, or the less than fair value (LTFV) investigation, but the manufacturer is, then the cash deposit rate will be the rate established for the most recent period for the manufacturer

of the merchandise; and (4) if neither the exporter nor the manufacturer is a firm covered in this or any previous review or the LTFV investigation, then the cash deposit rate will be the “all-others” rate of 15.67 percent established in the LTFV investigation. See *Order*. These deposit rates, when imposed, shall remain in effect until further notice.

DATES: April 9, 2013.

FOR FURTHER INFORMATION CONTACT: Rebecca Pandolph, AD/CVD Operations, Office 4, Import Administration, International Trade Administration, U.S. Department of Commerce, 14th Street and Constitution Avenue NW., Washington, DC 20230; telephone: 202–482–3627.

SUPPLEMENTARY INFORMATION:

Postponement of Preliminary Determination

On December 12, 2012, the Department of Commerce (“Department”) published a notice of initiation of an antidumping duty investigation of silica bricks and shapes from the People’s Republic of China.¹ The period of investigation is April 1, 2012, through September 30, 2012. The notice of initiation stated that, unless

postponed, the Department would issue its preliminary determination for this investigation no later than 140 days after the date of the initiation in accordance with section 773(b)(1)(A) of the Tariff Act of 1930, as amended (“the Act”), and 19 CFR 351.205(b)(1). The preliminary determination of the antidumping duty investigation is currently due no later than April 24, 2013.

On March 27, 2013, Utah Refractories Corporation (“Petitioner”) made a timely request pursuant to section 773(c)(1) of the Act and 19 CFR 351.205(b)(2) and (e) for postponement of the preliminary determination in this investigation.² Petitioner requested a 50-day postponement of the preliminary determination in order to provide sufficient time for review of the questionnaire responses, comment on the responses, issuance of appropriate requests for clarification and/or additional information, and consideration of the surrogate value information for properly valuing the critical factors of production of subject merchandise.

For the reasons stated above and because there are no compelling reasons to deny the request, the Department, in accordance with section 773(c)(1)(A) of the Act and 19 CFR 351.205(e), is postponing the deadline for the preliminary determination to no later than 190 days after the date on which the Department initiated this investigation. Therefore, the new deadline for issuing the preliminary determination is June 13, 2013.

This notice is issued and published pursuant to section 773(c)(2) of the Act and 19 CFR 351.205(f)(1).

Dated: April 2, 2013.

Circular Welded Carbon Steel Pipes and Tubes from Turkey: Preliminary Results of Countervailing Duty Administrative Review; Calendar Year 2011

AGENCY: Import Administration, International Trade Administration, Department of Commerce.

SUMMARY: The Department of Commerce (the Department) is conducting an administrative review of the countervailing duty (CVD) order on circular welded carbon steel pipes and tubes from Turkey (pipes and tubes from Turkey) for the period of review (POR) of January 1, 2011, through December 31, 2011. The review covers the following three producers/exporters of subject merchandise: Borusan Group, Borusan Mannesmann Boru Sanayi ve Ticaret A.S. (BMB), and Borusan Istikbal Ticaret T.A.S. (Istikbal), (collectively, Borusan); Erbosan Erciyas Boru Sanayi ve Ticaret A.S. (Erbosan) and Erbosan Erciyas Pipe Industry and Trade Co. Kayseri Free Zone Branch (Erbosan FZB), (collectively Erbosan); and Tosyali dis Ticaret A.S. (Tosyali) and Toscelik Profil ve Sac Endustrisi A.S. (Toscelik Profil), (collectively, Toscelik). We preliminarily determine that Borusan, Erbosan, and Toscelik received countervailable subsidies during the POR but that the companies’ respective total net subsidy rates are less than 0.5 percent *ad valorem* and, therefore, are *de minimis*.

DATES: *Effective Date:* April 9, 2013.

FOR FURTHER INFORMATION CONTACT:

Jolanta Lawska at 202-482-8362 (for Borusan and Erbosan) at 202-482-8362 and John Conniff at 202-482-1009 (for Toscelik), AD/CVD Operations, Office 3, Import Administration, International Trade Administration, U.S. Department of Commerce, 14th Street and Constitution Avenue NW., Washington, DC 20230.

Scope of the Order

The products covered by this order are certain welded carbon steel pipe and tube with an outside diameter of 0.375 inch or more, but not over 16 inches, of any wall thickness (pipe and tube) from Turkey. These products are currently provided for under the Harmonized Tariff Schedule of the United States (HTSUS) as item numbers 7306.30.10, 7306.30.50, and 7306.90.10. Although the HTSUS subheadings are provided for convenience and customs purposes,

the written description of the merchandise is dispositive.

Methodology

The Department has conducted this review in accordance with section 751(a)(1)(A) of the Tariff Act of 1930, as amended (the Act). For each of the subsidy programs found countervailable, we preliminarily determine that there is a subsidy, *i.e.*, a government-provided financial contribution that gives rise to a benefit to the recipient, and that the subsidy is specific. *See* sections 771(5)(B) and (D) of the Act regarding financial contribution; section 771(5)(E) of the Act regarding benefit; and, section 771(5A) of the Act regarding specificity. For a full description of the methodology underlying our conclusions, please *see* Decision Memorandum for Preliminary Results of Countervailing Duty (CVD) Administrative Review: Circular Welded Carbon Steel Pipes and Tubes from Turkey (Preliminary Decision Memorandum) from Edward C. Yang, Senior Director China/Non-Market Economy Unit, to Paul Piquado, Assistant Secretary for Import Administration, dated concurrently with these results and hereby adopted by this notice.

In making these findings, we have relied, in part, on an adverse inference in selecting from among the facts otherwise available because one of our respondents, Erbosan, did not act to the best of its ability to respond to the Department’s requests for information as it pertains to the “Deduction from Taxable Income for Export Revenue” program. *See* section 776(a) and (b) of the Act.

The Preliminary Decision Memorandum is a public document and is on file electronically via Import Administration’s Antidumping and Countervailing Duty Centralized Electronic Service System (IA ACCESS). IA ACCESS is available to registered users at <http://iaaccess.trade.gov> and in the Central Records Unit (CRU), room 7046 of the main Department of Commerce building.
