- Attachment 4—an application for non-public treatment of materials filed under seal.

The Postal Service asserts that the Agreement is functionally equivalent to the baseline agreement filed in Docket No. CP2011–59 because it shares similar cost and market characteristics and meets criteria in Governors' Decision No. 08–24 concerning attributable costs. *Id.* at 4. The Postal Service further asserts that the functional terms of the Agreement and the baseline agreement are the same and the benefits are comparable. *Id.* It states that prices offered under the Agreement may differ from other IBRS 3 contracts due to differences in volumes, postage commitments, and pricing at the time of the Agreement's execution, but asserts that these differences do not alter the functional equivalency of the Agreement and the baseline agreement. *Id.* at 5. The Postal Service also identifies differences between the terms of the two agreements, but asserts that these differences do not affect the fundamental service being offered or the fundamental structure of the Agreement.³ *Id.*
