## OFFICE OF MANAGEMENT AND BUDGET

### OMB Final Sequestration Report to the President and Congress for Fiscal Year 2013

**AGENCY:** Executive Office of the President, Office of Management and Budget.

**ACTION:** Notice of availability of the OMB Final Sequestration Report to the President and Congress for FY 2013.

**SUMMARY:** Public Law 112-25, the Budget Control Act of 2011 amended

the Balanced Budget and Emergency Deficit Control Act of 1985 (BBEDCA) by reinstating the discretionary spending limits that had expired after 2002. These limits were further revised by P.L. 112-240, the American Taxpayer Relief Act of 2012 (ATRA). Section 254 of BBEDCA requires the Office of Management and Budget (OMB) to issue a Final Sequestration Report after Congress ends a session to determine whether or not a sequestration of discretionary budget authority is required based on OMB scoring of enacted appropriations legislation against those limits. ATRA, however, delayed the release of this report. Based on its scoring of enacted 2013 appropriations, OMB has determined that a sequestration of discretionary budget authority pursuant to section 251 of BBEDCA is not required. As required, these estimates rely on the same economic and technical assumptions used in the President's 2013 Budget, which the Administration transmitted to the Congress on February 13, 2012.

**DATES:** *Effective Date:* Sec. 254(b). **SUBMISSION AND AVAILABILITY OF REPORTS.**—Each report required by this section shall be submitted, in the case of CBO, to the House of Representatives, the Senate and OMB and, in the case of OMB, to the House of Representatives, the Senate, and the President on the day it is issued. On the following day a notice of the report shall be printed in the **Federal Register**.

**ADDRESSES:** The OMB Sequestration Reports to the President and Congress is available on-line on the OMB home page at: [http://www.whitehouse.gov/omb/legislative\\_reports/sequestration](http://www.whitehouse.gov/omb/legislative_reports/sequestration).

## NATIONAL ARCHIVES AND RECORDS ADMINISTRATION

### Records Schedules; Availability and Request for Comments

**AGENCY:** National Archives and Records Administration (NARA).

**ACTION:** Notice of availability of proposed records schedules; request for comments.

**SUMMARY:** The National Archives and Records Administration (NARA) publishes notice at least once monthly of certain Federal agency requests for records disposition authority (records schedules). Once approved by NARA, records schedules provide mandatory instructions on what happens to records when no longer needed for current Government business. They authorize the preservation of records of continuing value in the National Archives of the United States and the destruction, after a specified period, of records lacking administrative, legal, research, or other value. Notice is published for records schedules in which agencies propose to destroy records not previously authorized for disposal or reduce the retention period of records already authorized for disposal. NARA invites public comments on such records schedules, as required by 44 U.S.C. 3303a(a).

**DATES:** Requests for copies must be received in writing on or before May 16, 2013. Once the appraisal of the records is completed, NARA will send a copy of the schedule. NARA staff usually prepare appraisal memorandums that contain additional information concerning the records covered by a proposed schedule. These, too, may be requested and will be provided once the appraisal is completed. Requesters will be given 30 days to submit comments.

**ADDRESSES:** You may request a copy of any records schedule identified in this notice by contacting Records Management Services (ACNR) using one of the following means:

*Mail:* NARA (ACNR), 8601 Adelphi Road, College Park, MD 20740-6001.  
*Email:* [request.schedule@nara.gov](mailto:request.schedule@nara.gov).  
*FAX:* 301-837-3698.

Requesters must cite the control number, which appears in parentheses after the name of the agency which submitted the schedule, and must provide a mailing address. Those who desire appraisal reports should so indicate in their request.

**FOR FURTHER INFORMATION CONTACT:** Margaret Hawkins, Director, Records Management Services (ACNR), National Archives and Records Administration, 8601 Adelphi Road, College Park, MD

20740–6001. Telephone: 301–837–1799. Email: [request.schedule@nara.gov](mailto:request.schedule@nara.gov).

**SUPPLEMENTARY INFORMATION:** Each year Federal agencies create billions of records on paper, film, magnetic tape, and other media. To control this accumulation, agency records managers prepare schedules proposing retention periods for records and submit these schedules for NARA's approval, using the Standard Form (SF) 115, Request for Records Disposition Authority. These schedules provide for the timely transfer into the National Archives of historically valuable records and authorize the disposal of all other records after the agency no longer needs them to conduct its business. Some schedules are comprehensive and cover all the records of an agency or one of its major subdivisions. Most schedules, however, cover records of only one office or program or a few series of records. Many of these update previously approved schedules, and some include records proposed as permanent.

The schedules listed in this notice are media neutral unless specified otherwise. An item in a schedule is media neutral when the disposition instructions may be applied to records regardless of the medium in which the records are created and maintained. Items included in schedules submitted to NARA on or after December 17, 2007, are media neutral unless the item is limited to a specific medium. (See 36 CFR 1225.12(e).)

No Federal records are authorized for destruction without the approval of the Archivist of the United States. This approval is granted only after a thorough consideration of their administrative use by the agency of origin, the rights of the Government and of private persons directly affected by the Government's activities, and whether or not they have historical or other value.

Besides identifying the Federal agencies and any subdivisions requesting disposition authority, this public notice lists the organizational unit(s) accumulating the records or indicates agency-wide applicability in the case of schedules that cover records that may be accumulated throughout an agency. This notice provides the control number assigned to each schedule, the total number of schedule items, and the number of temporary items (the records proposed for destruction). It also includes a brief description of the temporary records. The records schedule itself contains a full description of the records at the file unit level as well as their disposition. If

NARA staff has prepared an appraisal memorandum for the schedule, it too includes information about the records. Further information about the disposition process is available on request.
