

the ISA program and submit it to CBP. If the ISA pre-certifier finds that the importer is ready to assume the responsibilities of the ISA program, the ISA pre-certifier will pre-certify the importer. CBP will review the ISA pre-certifier's evaluation report and applicable supporting documentation and then make a final determination on whether the importer is approved and certified to participate in the ISA program. CBP will notify the ISA pre-certifier and the importer of its final determination.

#### *Final ISA Approval Process*

Once the ISA pre-certifier submits the ISA Evaluation Report, CBP will review and verify the soundness of the report and the supporting documentation provided. CBP will provide the ISA pre-certifier with feedback on the ISA Evaluation Report and allow time to resolve any issues or questions. The ISA Evaluation Report will be submitted to the ISA Review Board, an independent body consisting of representatives from U.S. Immigration and Customs Enforcement, as well as the CBP Offices of Field Operations and International Trade, for final approval during periodic meetings. The ISA pre-certifier will provide the ISA Review Board with a summary of the ISA Evaluation Report results and support the conclusion as to the importer's readiness to assume the responsibilities of the ISA program and answer any related questions that the Board may have.

#### *Request for Reconsideration for Rejected ISA Applications*

If during the final ISA approval process, the ISA Review Board determines that an ISA application should not be approved, it will inform the Partnership Programs Branch, which will issue a written notice to the ISA pre-certifier and ISA applicant indicating the reason(s) for the rejection. The ISA pre-certifier and/or ISA applicant may submit a written request for reconsideration if the reason(s) for the rejected ISA application has been corrected within 90 days of receipt of the notice. The request for reconsideration should be forwarded to U.S. Customs and Border Protection, Executive Director, Trade Policy & Programs, Office of International Trade, 1400 L Street NW., Washington, DC 20229-1155.

A final written decision on the request for reconsideration will be issued within 45 days of receipt of the request. The ISA pre-certifier and/or applicant may respond to denials, in writing, to the Assistant Commissioner, Office of International Trade, at the

following address: U.S. Customs and Border Protection, Assistant Commissioner, Office of International Trade, 1400 L Street NW., Washington, DC 20229-1155.

#### **Misconduct Under the Test**

The Executive Director of Trade Policy and Programs may revoke a broker's participation privileges under the Broker ISA PC test program if the licensed broker serving as an ISA pre-certifier:

1. Obtains participation in the program through false statement, act, or omission;
2. Commits an act that would constitute a misdemeanor or felony;
3. Refuses to cooperate with CBP in response to any inquiry, audit, or investigation;
4. Fails to meet the program eligibility requirements outlined in this **Federal Register** notice or fails to abide by the terms, conditions and obligations of this test ;
5. Submits an ISA Evaluation Report that contains misstatements of fact;
6. Evaluates the importer's ISA application package contrary to Broker ISA PC evaluation procedures and agreed upon processes;
7. Submits ISA Evaluation Reports that are consistently inadequate and require additional evaluation or documentation to support the conclusion of the importer's readiness to participate in the ISA program;
8. Has their entry filer code revoked;
9. Incurs excessive broker penalties; or
10. Fails to comply with applicable laws and regulations.

If the Executive Director of Trade Policy and Programs believes that there is a basis for revocation of an ISA pre-certifier's participation privileges, a written notice of removal with a description of the facts warranting removal will be provided to the ISA pre-certifier. The ISA pre-certifier will be offered the opportunity to appeal the Executive Director's decision within 30 calendar days of receipt of the written notice providing for proposed revocation. Appeals should be forwarded to U.S. Customs and Border Protection, Assistant Commissioner, Office of International Trade, 1400 L Street NW., Washington, DC 20229-1155. The Assistant Commissioner will issue a final written decision on the discontinuance within fifteen (15) working days after receiving a timely filed appeal from the ISA pre-certifier. If no timely appeal is received, the notice becomes the final decision of the Agency as of the date that the appeal period expires.

In the case where CBP proposes to suspend or revoke a broker's license or a criminal charge is filed against the broker, CBP may immediately discontinue the ISA pre-certifier's participation privileges upon written notice to the ISA pre-certifier. The notice will contain a description of the facts or conduct warranting the immediate action. The ISA pre-certifier will be offered the opportunity to appeal CBP's decision within ten (10) calendar days of receipt of the written notice providing for immediate discontinuance. The immediate discontinuance will remain in effect during the appeal period. CBP will issue a final written decision on the discontinuance within fifteen (15) working days after receiving a timely filed appeal from the ISA pre-certifier. If no timely appeal is received, the notice becomes the final decision of the Agency as of the date that the appeal period expires.

#### **Evaluation of Test**

CBP will review the effectiveness and feasibility of the Broker ISA PC test program one (1) year after the date of the ISA Pre-Certifiers Orientation. Based on the results and lessons learned from the test, CBP will determine if the Broker ISA PC will be fully implemented as a permanent program.
