Promoting Readiness of Minors in Supplemental Security Income (SSI) (PROMISE) Evaluation—Preliminary Activities—0960-NEW

Background

The Promoting Readiness of Minors in SSI (PROMISE) program pursues positive outcomes for children with disabilities who receive Supplemental Security Income (SSI) and their families by reducing dependency on SSI. The Department of Education is awarding grants to States to improve the provision and coordination of services and support for children with disabilities who receive SSI and their families to achieve improved outcomes.

PROMISE Evaluation

With support from the Department of Labor and the Department of Health and Human Services, SSA will evaluate the PROMISE program. SSA will contract with an evaluator to conduct the evaluation. The assessment will require a process evaluation of the PROMISE projects, an impact analysis of important outcomes, and a cost-benefit analysis. This will be a multi-site project conducted in four States. The evaluation contractor and the local PROMISE projects will collect data on project participants.

Current Information Collection Request

SSA will pursue OMB approval for the actual project surveys and focus group interviews at a later date. In this information collection request, SSA is only seeking OMB clearance for two pre-project activities: (1) An initial intake interview (documented on a demonstration enrollment form), and (2) a consent form. Contractors will conduct both preliminary activities at local project assessment sites. The respondents are minors receiving SSI and their parents/guardians who will eventually participate in the PROMISE project.

Type of Request: This is a new information collection.

1. Request for Change in Time/Place of Disability Hearing—20 CFR 404.914(c)(2) and 416.1414(c)(2)—0960-0348. At the request of the claimants or their representative, SSA schedules evidentiary hearings at the reconsideration level for claimants of title II benefits or title XVI payments when we deny their claims for disability. When claimants or their representatives find they are unable to attend the scheduled hearing, they

complete Form SSA-769 to request a change in time or place of the hearing. SSA uses the information as a basis for granting or denying requests for changes and for rescheduling disability hearings. Respondents are claimants or their representatives who wish to request a change in the time or place of their hearing.
