National Advisory Council on Nurse Education and Practice; Notice of Meeting

In accordance with section 10(a)(2) of the Federal Advisory Committee Act (Public Law 92-463), notice is hereby given of the following meeting:

Name: National Advisory Council on Nurse Education and Practice (NACNEP)

Dates and Times: April 24 and 25, 2013, 9:00 a.m.-5:00 p.m. EST

Place: In-Person with Webinar Format Combined

Status: This advisory council meeting will be open to the public.

Purpose: The purpose of this meeting is to identify the key issues facing nursing workforce development to respond to the Affordable Care Act and health care system redesign, and to formulate policy recommendations for Congress and the Secretary to ensure the nursing workforce is ready to meet these challenges. The objectives of the meeting are: (1) To articulate the key challenges facing nursing workforce development in meeting the health care needs of the nation; (2) to develop goals and priorities for Council action to address these challenges; and (3) to develop recommendations on the activities, initiatives, and partnerships that are critical to advancing 21st century interprofessional education and practice models needed to promote the health of the public. This meeting will form the basis for NACNEP's mandated 12th Annual Report to the Secretary of Health and Human Services and Congress. The meeting will include a presentation and discussion focused around the purpose and objectives of this meeting. The logistical challenges of scheduling this meeting hindered an earlier publication of this meeting notice.

Agenda: The agenda will be available on the NACNEP Web site, noted below, one day prior to the meeting. Agenda items are subject to change as priorities dictate.

For Further Information Contact: Further information regarding NACNEP, including the roster of members, reports to Congress, and minutes from previous meetings are available at the following Web site: <http://www.hrsa.gov/advisorycommittees/bhpradvisory/nacnep/index.html>.

Members of the public and interested parties may register for the meeting by contacting our Staff Assistant, Jeanne Brown, to obtain access information. Registration is first come, first served as space is limited.

For additional information regarding NACNEP, please contact Jeanne Brown, Staff Assistant, National Advisory Council on Nurse Education and Practice, Parklawn Building, Room 9-61, 5600 Fishers Lane, Rockville, Maryland 20857; email reachDN@hrsa.gov; or telephone (301) 443-5688.

Dated: April 11, 2013.

National Institutes of Health

Proposed Collection; 60-day Comment Request: Topic-based Studies for the Population Assessment of Tobacco and Health (PATH) Study

SUMMARY: In compliance with the requirement of Section 3506(c)(2)(A) of the Paperwork Reduction Act of 1995, for opportunity for public comment on proposed data collection projects, the National Institute on Drug Abuse (NIDA), the National Institutes of Health (NIH) will publish periodic summaries of proposed projects to be submitted to the Office of Management and Budget (OMB) for review and approval.

Written comments and/or suggestions from the public and affected agencies

are invited on one or more of the following points: (1) Whether the proposed collection of information is necessary for the proper performance of the function of the agency, including whether the information will have practical utility; (2) The accuracy of the agency's estimate of the burden of the proposed collection of information, including the validity of the methodology and assumptions used; (3) Ways to enhance the quality, utility, and clarity of the information to be collected; and (4) Ways to minimize the burden of the collection of information on those who are to respond, including the use of appropriate automated, electronic, mechanical, or other technological collection techniques or other forms of information technology.

To Submit Comments and for Further Information: To obtain a copy of the data collection plans and instruments, submit comments in writing, or request more information on the proposed project, contact Kevin P. Conway, Ph.D., Deputy Director, Division of Epidemiology, Services, and Prevention Research, National Institute on Drug Abuse, 6001 Executive Blvd., Room 5185; Rockville, MD 20852, or call non-toll free number (301) 443-8755 or Email your request, including your address to: PATHprojectofficer@mail.nih.gov. Formal requests for additional plans and instruments must be requested in writing.

DATES: Comment Due Date: Comments regarding this information collection are best assured of having their full effect if received within 60-days of the date of this publication

Proposed Collection: Topic-based Studies for the Population Assessment of Tobacco and Health (PATH) Study, 0925-New, National Institute on Drug Abuse (NIDA), National Institutes of Health (NIH).

Need and Use of Information Collection: The PATH study will establish a population-based framework for the tracking of potential behavioral and health impacts associated with changes in tobacco products in the U.S., including those enacted under the Family Smoking Prevention and Tobacco Control Act (FSPTCA) by the Food and Drug Administration (FDA). NIDA is requesting generic approval from OMB for topic-based studies to rapidly address new and emerging issues related to PATH Study objectives. These topic-based studies will serve two primary purposes: (1) To complement and supplement the main PATH Study; and (2) to inform future content changes to the main PATH Study. These studies will add depth and context to specific issues and topics already being addressed in the main PATH Study and will help inform decisions about potential new topics to include in the next or a future annual wave of data collection. Data collection methods to be used in these topic-based studies include: in-person and telephone surveys; web and smartphone/mobile phone surveys; and focus group and individual in-depth qualitative interviews. Biospecimens may also be collected from adults.

OMB approval is requested for 3 years. There are no costs to respondents other than their time. The total estimated annualized burden hours are 29,750.

ESTIMATED ANNUALIZED BURDEN HOURS

Form name (Data collection activity)	Type of respondent	Number of respondents	Number of responses per respondent	Average time per response (in hours)	Total annual burden hour
