POLICIES AND PRACTICES FOR STORING, RETRIEVING, ACCESSING, RETAINING, AND DISPOSING OF RECORDS IN THE SYSTEM:

STORAGE:

We maintain records in this system in paper form and system generated forms and in electronic files.

RETRIEVABILITY:

We will retrieve records by both SSN and name. If we deny an application because the applicant submitted fraudulent evidence, or if we are verifying evidence we suspect to be fraudulent, we will retrieve records by the applicant's name plus month and year of birth, or by the applicant's name plus the eleven-digit reference number of the disallowed application.

SAFEGUARDS:

We have established safeguards for automated records in accordance with our Information Systems Security Handbook. These safeguards include maintaining the magnetic tapes and discs within a secured enclosure attended by security guards. Anyone entering or leaving this enclosure must have a special badge we issue only to authorized personnel.

For computerized records, we or our contractors, including organizations administering our programs under contractual agreements, transmit information electronically between Central Office and field office locations. Safeguards include a lock/unlock password system, exclusive use of leased telephone lines, a terminal-oriented transaction matrix, and an audit trail. Only authorized personnel who have a need for the records in the performance of their official duties may access paper files.

We annually provide to all our employees and contractors appropriate security guidance and training that include reminders about the need to protect PII and the criminal penalties that apply to unauthorized access to, or disclosure of, PII. See 5 U.S.C. 552a(i)(1). Furthermore, employees and contractors with access to databases maintaining PII must sign a sanction document annually, acknowledging their accountability for inappropriately accessing or disclosing such information.

We retain and destroy this information in accordance with the National Archives and Records Administration approved records

schedules N1-47-09-04, Master Beneficiary Record, and N1-47-09-5, Supplemental Security Income Record. We retain most paper forms only until we film and verify them for accuracy. We then shred the paper records. We retain electronic and updated microfilm and microfiche records in accordance with the approved records schedules. We update all tape, discs, microfilm, and microfiche files periodically. We erase out-of-date magnetic tapes and discs and we shred out-of-date microfiches.

Title: 49 U.S.C. Section—5307 Capital Assistance Program and Section 5309—Urbanized Area Formula Program; (OMB Number: 2132-0502).

Abstract: 49 U.S.C. Section 5307—Capital Assistance Program and Section 5309—Urbanized Area Formula Program authorize the Secretary of Transportation to make grants to State and local governments and public transportation authorities for financing mass transportation projects. In response to requirements authorized by the new legislation, Moving Ahead for Progress in the 21st Century (MAP-21), a Passenger Ferry Grant Program has been added under 49 U.S.C. 5307. The Passenger Ferry Grant Program is a new discretionary grant program that will award funding on a competitive selection basis. Grant recipients for 49 U.S.C. Sections 5307 and 5309 are required to make information available

to the public and publish a program of projects for affected citizens to comment on the proposed program and performance of the grant recipients at public hearings. Notices of hearings must include a brief description of the proposed project and be published in a newspaper circulated in the affected area. FTA also uses the information to determine eligibility for funding and to monitor the progress of the grantee in implementing and completing project activities. The information submitted ensures FTA's compliance with applicable federal laws, OMB Circular A-102 and 49 CFR part 18, "Uniform Administrative Requirements for Grants and Cooperative Agreements with State and Local Governments."

Title: 49 U.S.C. Section 5310—Capital Assistance Program for Elderly Persons and Persons with Disabilities and Section 5311—Nonurbanized Area Formula Program; (OMB Number 2132-0500).

Abstract: 49 U.S.C. Section 5310—Capital Assistance Program for Elderly Persons and Persons with Disabilities provides financial assistance for the specialized transportation service needs of elderly persons and persons with disabilities in all areas, urbanized, small urban and rural. 49 U.S.C. 5311—Nonurbanized Area Formula Program provides financial assistance for the provision of public transportation services in nonurbanized areas. Both programs are administered by the State. The Tribal Transit Program, which was approved as a separate program under the American Recovery and Reinvestment Act (ARRA), is now being added under 49 U.S.C. 5311. Under the new legislation, Moving Ahead for Progress in the 21st Century (MAP-21), the Tribal Transit Program continues to be a set-aside from the rural area formula program (Section 5311), but now consists of a \$25 million formula program and a \$5 million discretionary grant program. This program no longer provides a single apportionment to the State. It now provides apportionments specifically for large urbanized, small urbanized and rural areas and will require new designations in large urbanized areas. MAP-21 also expands the eligibility provisions to include operating expenses.
