wire mesh (not less than No. 14 gauge or equivalent) to a height of not less than 6 feet (1.83 m). However, when the cage or skip is being used as a work platform, its sides may be reduced in height to 42 inches (1.07 m) when the conveyance is not in motion.

(iv) All personnel cages shall be provided with a positive locking door that does not open outward.
(v) All personnel cages shall be provided with a protective canopy. The canopy shall be made of steel plate, at least 3/16-inch (4.763 mm) in thickness, or material of equivalent strength and impact resistance. The canopy shall be sloped to the outside, and so designed that a section may be readily pushed upward to afford emergency egress. The canopy shall cover the top in such a manner as to protect those inside from objects falling in the shaft.

(vi) Personnel platforms operating on guide rails or guide ropes shall be equipped with broken-rope safety devices, safety catches or arrestment devices that will stop and hold 150 percent of the weight of the personnel platform and its equivalent rated load.

(vii) During sinking operations in shafts where guides and safeties are not yet used, the travel speed of the personnel platform shall not exceed 200 feet (60.96 m) per minute. Governor controls set for 200 feet (60.96 m) per minute shall be installed in the control system and shall be used during personnel hoisting.

(vii) The personnel platform may travel over the controlled length of the hoistway at rated speeds up to 600 feet (182.88 m) per minute during sinking operations in shafts where guides and safeties are used.

(ix) The personnel platform may travel at rated speeds greater than 600 feet (182.88 m) per minute in completed shafts.

Subpart T—Demolition

3. The authority citation for subpart T of 29 CFR part 1926 continues to read as follows:

4. Amend §1926.856 by revising paragraph (c) to read as follows:

§1926.856 Removal of walls, floors, and material with equipment.

(c) Cranes, derricks, and other mechanical equipment. Employers must meet the requirements specified in subparts N, O, and CC of this part.

5. Amend §1926.858 by revising paragraph (b) to read as follows:

§1926.858 Removal of steel construction.

(b) Cranes, derricks, and other hoisting equipment. Employers must meet the requirements specified in subparts N and CC of this part.

FOR FURTHER INFORMATION CONTACT: If you have questions on this temporary rule, call or email LT Lenell J. Carson, Sector Mobile, Waterways Division, U.S. Coast Guard; telephone 251–441–5940, email Lenell.J.Carson@uscg.mil. If you have questions on viewing or submitting material to the docket, call Barbara Hairston, Program Manager, Docket Operations, telephone 202–366–9826.

DEPARTMENT OF HOMELAND SECURITY

Coast Guard

33 CFR Part 100

[Docket No. USCG–2013–0015]

RIN 1625–AA08

Special Local Regulations; Moss Point Rockin’ the Riverfront Festival; Robertson Lake & O’Leary Lake; Moss Point, MS

AGENCY: Coast Guard, DHS.

ACTION: Temporary final rule.

SUMMARY: The Coast Guard is establishing a temporary special local regulation for a portion of Robertson Lake & O’Leary Lake, Moss Point, MS. This action is necessary for the safeguard of participants and spectators, including all crews, vessels, and persons on navigable waters during the Moss Point Rockin’ the Riverfront Festival high speed boat races.

DATES: This rule is effective from 11 a.m. on April 27, 2013, until 4 p.m. on April 28, 2013. This rule will be enforced from 11 a.m. to 4 p.m. on April 27 and April 28, 2013.

ADDRESSES: Documents mentioned in this preamble are part of docket USCG–2013–0015. To view documents mentioned in this preamble as being available in the docket, go to http://www.regulations.gov, type the docket number in the “SEARCH” box and click “SEARCH”. Click on Open Docket Folder on the line associated with this rulemaking. You may also visit the Docket Management Facility in Room W12–140 on the ground floor of the Department of Transportation West Building, 1200 New Jersey Avenue SE., Washington, DC 20590, between 9 a.m. and 5 p.m., Monday through Friday, except Federal holidays.

SUPPLEMENTARY INFORMATION:

Table of Acronyms

DHS Department of Homeland Security
FR Federal Register
NPRM Notice of Proposed Rulemaking
COTP Captain of the Port

A. Regulatory History and Information

The Coast Guard published a NPRM in the Federal Register on February 12, 2013 (78 FR 9866), providing proper notice and opportunity to comment on this rule. No comments were received and there were no requests for a public meeting.

B. Basis and Purpose

The Moss Point Main Street Association applied for a Marine Event Permit to conduct a high speed boat race on Robertson Lake & O’Leary Lake, Moss Point, MS on April 27–28, 2013. This event will draw in a large number of pleasure craft and the high speed boats pose a significant safety hazard to both vessels and mariners operating in or near the area. The COTP Mobile is establishing a temporary special local regulation for a portion of Robertson Lake & O’Leary Lake, Moss Point, MS. This temporary special local regulation is deemed necessary to safeguard persons and vessels during the high speed boat races. The legal basis and authorities for this rule are found in 33 U.S.C. 1233 and 33 CFR part 100, which authorizes the Coast Guard to propose, establish, and define regulatory special local regulations for safety during marine events.

The COTP anticipates minimal impact on vessel traffic due to this regulation. However, the temporary special local regulation is deemed necessary for the safeguard of life and property within the COTP Mobile zone.

C. Discussion of Comments, Changes and the Temporary Final Rule

There were no comments received by the Coast Guard during the NPRM process.
The Coast Guard is establishing a temporary special local regulation for a portion of Robertson Lake & O’Leary Lake, Moss Point, MS, enclosed by a bounded area starting at a point on the shore at approximately 30°25’11.0” N, 088°32’24.4” W, then east to 30°25’12.9” N, 088°32’18.0” W, then south to 30°24’50.9” N, 088°32’09.6” W, then west following the shore line back to the starting point at 30°25’11.0” N, 088°32’24.4”. This temporary rule will safeguard life and property in this area. Entry into, transiting or anchoring in this zone is prohibited to all vessels not registered with the sponsor as participants or not part of the regatta patrol, unless specifically authorized by the COTP Mobile or a designated representative. They may be contacted on VHF–FM Channel 16 or through Coast Guard Sector Mobile at 251–441–5976.

The COTP Mobile or a designated representative will inform the public through broadcast notice to mariners of changes in the effective period for the temporary special local regulation. This rule is effective from April 27, 2013 through April 28, 2013.

D. Regulatory Analyses

We developed this rule after considering numerous statutes and executive orders related to rulemaking. Below we summarize our analyses based on a number of these statutes or executive orders.

1. Regulatory Planning and Review

This rule is not a significant regulatory action under section 3(f) of Executive Order 12866, Regulatory Planning and Review, as supplemented by Executive Order 13563, Improving Regulation and Regulatory Review, and does not require an assessment of potential costs and benefits under section 6(a)(3) of Executive Order 12866 or under section 1 of Executive Order 13563. The Office of Management and Budget has not reviewed it under those Orders.

The temporary special local regulation listed in this rule will only restrict vessel traffic from entering or transiting a small portion of Robertson Lake & O’Leary Lake, Moss Point, MS. The effect of this regulation will not be significant for several reasons: (1) This rule will only affect vessel traffic for a short duration; (2) vessels may request permission from the COTP to transit through the regulated area; and (3) the impacts on routine navigation are expected to be minimal. Notifications to the marine community will be made through Local Notice to Mariners and Broadcast Notice to Mariners. These notifications will allow the public to plan operations around the affected area.

2. Impact on Small Entities

The Regulatory Flexibility Act of 1980 (RFA), 5 U.S.C. 601–612, as amended, requires federal agencies to consider the potential impact of regulations on small entities during rulemaking. The term “small entities” comprises small businesses, not-for-profit organizations that are independently owned and operated and are not dominant in their fields, and governmental jurisdictions with populations of less than 50,000. The Coast Guard received 0 comments from the Small Business Administration on this rule. The Coast Guard certifies under 5 U.S.C. 605(b) that this rule will not have a significant economic impact on a substantial number of small entities. This rule will affect the following entities, some of which may be small entities: the owners or operators of vessels intending to transit or anchor in the affected portion of the Robertson Lake & O’Leary Lake during the high speed boat races. This temporary special local regulation will not have a significant economic impact on a substantial number of small entities for the following reasons. The regulated area is limited in size, is of short duration and vessel traffic may request permission from the COTP Mobile or a designated representative to enter or transit through the regulated area.

3. Assistance for Small Entities

Under section 213(a) of the Small Business Regulatory Enforcement Fairness Act of 1996 (Pub. L. 104–121), we want to assist small entities in understanding this rule. If the rule would affect your small business, organization, or governmental jurisdiction and you have questions concerning its provisions or options for compliance, please contact the person listed in the FOR FURTHER INFORMATION CONTACT, above.

Small businesses may send comments on the actions of Federal employees who enforce, or otherwise determine compliance with, Federal regulations to the Small Business and Agriculture Regulatory Enforcement Ombudsman and the Regional Small Business Regulatory Fairness Boards. The Ombudsman evaluates these actions annually and rates each agency’s responsiveness to small business. If you wish to comment on actions by employees of the Coast Guard, call 1–888–REG–FAIR (1–888–734–3247). The Coast Guard will not retaliate against small entities that question or complain about this rule or any policy or action of the Coast Guard.

4. Collection of Information

This rule will not call for a new collection of information under the Paperwork Reduction Act of 1995 (44 U.S.C. 3501–3520).

5. Federalism

A rule has implications for federalism under Executive Order 13132, Federalism, if it has a substantial direct effect on the States, the relationship between the national government and the States, or on the distribution of power and responsibilities among the various levels of government. We have analyzed this rule under that Order and have determined that it does not have implications for federalism.

6. Protest Activities

The Coast Guard respects the First Amendment rights of protesters. Protesters are asked to contact the person listed in the FOR FURTHER INFORMATION CONTACT section to coordinate protest activities so that your message can be received without jeopardizing the safety or security of people, places or vessels.

7. Unfunded Mandates Reform Act

The Unfunded Mandates Reform Act of 1995 (2 U.S.C. 1531–1538) requires Federal agencies to assess the effects of their discretionary regulatory actions. In particular, the Act addresses actions that may result in the expenditure by a State, local, or tribal government, in the aggregate, or by the private sector of $100,000,000 (adjusted for inflation) or more in any one year. Though this rule would not result in such expenditure, we do discuss the effects of this rule elsewhere in this preamble.

8. Taking of Private Property

This rule would not cause a taking of private property or otherwise have taking implications under Executive Order 12630, Governmental Actions and Interference with Constitutionally Protected Property Rights.

9. Civil Justice Reform

This rule meets applicable standards in sections 3(a) and 3(b)(2) of Executive Order 12988, Civil Justice Reform, to minimize litigation, eliminate ambiguity, and reduce burden.

10. Protection of Children From Environmental Health Risks

We have analyzed this under Executive Order 13045, Protection of Children from Environmental Health Risks and Safety Risks. This rule is not
an economically significant rule and does not create an environmental risk to health or risk to safety that may disproportionately affect children.

11. Indian Tribal Governments

This rule does not have tribal implications under Executive Order 13175, Consultation and Coordination with Indian Tribal Governments, because it would not have a substantial direct effect on one or more Indian tribes, on the relationship between the Federal Government and Indian tribes, or on the distribution of power and responsibilities between the Federal Government and Indian tribes.

12. Energy Effects

This rule is not a “significant energy action” under Executive Order 13211, Actions Concerning Regulations That Significantly Affect Energy Supply, Distribution, or Use.

13. Technical Standards

This rule does not use technical standards. Therefore, we did not consider the use of voluntary consensus standards.

14. Environment

We have analyzed this rule under Department of Homeland Security Management Directive 023–01 and Commandant Instruction M16475.1D, which guide the Coast Guard in complying with the National Environmental Policy Act of 1969 (NEPA) (42 U.S.C. 4321–4370f), and have made a preliminary determination that this action is one of a category of actions which do not individually or cumulatively have a significant effect on the human environment. This rule involves safety for the public and is not expected to result in any significant adverse environmental impact as described in NEPA. This rule is categorically excluded from further review under paragraph 34(h) of Figure 2–1 of the Commandant Instruction. An environmental analysis checklist supporting this determination and a Categorical Exclusion Determination are available in the docket where indicated under ADDRESSES.

List of Subjects 33 CFR Part 100

Marine safety, Navigation (water), Reporting and recordkeeping requirements, Waterways,

For the reasons discussed in the preamble, the Coast Guard amends 33 CFR part 100 as follows:

PART 100—SAFETY OF LIFE ON NAVIGABLE WATERS

§ 100.08–0015 Special Local Regulation; Moss Point Rockin’ the Riverfront Festival; Robertson Lake & O’Leary Lake; Moss Point, MS.

(a) Location. The following area is a regulated area: a portion of Robertson Lake & O’Leary Lake, Moss Point, MS, enclosed by a bounded area starting at a point on the shore at approximately 30°25′11.0″ N, 088°32′24.4″ W, then east to 30°25′12.9″ N, 088°32′18.0″ W, then south to 30°24′50.9″ N, 088°32′09.6″ W, then west following the shore line back to the starting point at 30°25′11.0″ N, 088°32′24.4″ W.

(b) Effective date. This rule is effective from 11 a.m. on April 27, 2013, until 4 p.m. on April 28, 2013. This rule will be enforced from 11 a.m. to 4 p.m. on April 27 and April 28, 2013.

(c) Special Local Regulations. (1) The Coast Guard will patrol the regulated area under the direction of a designated Coast Guard Patrol Commander. The Patrol Commander may be contacted on Channel 16 VHF–FM (156.8 MHz) by the call sign “PATCOM”.

(2) All Persons and vessels not registered with the sponsor as participants or official patrol vessels are considered spectators. The “official patrol vessels” consist of any Coast Guard, state, or local law enforcement patrol vessels’ consist of any Coast Guard, state, or local law enforcement and sponsor provided vessels assigned or approved by the Captain of the Port Mobile to patrol the regulated area.

(3) Spectator vessels desiring to transit the regulated area may do so only with prior approval of the Patrol Commander and when so directed by that officer and will be operated at a minimum safe navigation speed in a manner which will not endanger participants in the regulated area or any other vessels.

(4) No spectator shall anchor, block, loiter, or impede the transit of participants or official patrol vessels in the regulated area during the effective dates and times, unless cleared for entry by or through an official patrol vessel.

(5) The patrol commander may forbid and control the movement of all vessels in the regulated area. When hailed or signaled by an official patrol vessel, a vessel shall come to an immediate stop and comply with the directions given. Failure to do so may result in expulsion from the area, citation for failure to comply, or both.

Any spectator vessel may anchor outside the regulated area, but may not anchor in, block, or loiter in a navigable channel. Spectator vessels may be moored to a waterfront facility within the regulated area in such a way that they shall not interfere with the progress of the event. Such mooring must be complete least 30 minutes prior to the establishment of the regulated area and remain moored through the duration of the event.

(7) The Patrol Commander may terminate the event or the operation of any vessel at any time it is deemed necessary for the protection of life or property.

(8) The Patrol Commander will terminate enforcement of the special local regulations at the conclusion of the event.

(d) Informational broadcasts. The Captain of the Port or a designated representative will inform the public through broadcast notices to mariners of the enforcement period for the regulated area as well as any changes in the planned schedule.

Dated: March 18, 2013.

D.J. Rose,
Captain, U.S. Coast Guard, Captain of the Port, Mobile.

DEPARTMENT OF HOMELAND SECURITY

Coast Guard

33 CFR Part 117

[Docket No. USCG–2013–0237]

Drawbridge Operation Regulations; Narrow Bay, Smith Point, NY

AGENCY: Coast Guard, DHS.

ACTION: Notice of temporary deviation from regulations.

SUMMARY: The Commander, First Coast Guard District, has issued a temporary deviation from the regulation governing the operation of the Smith Point Bridge, mile 6.1, across Narrow Bay, between Smith Point and Fire Island, New York. The deviation is necessary to facilitate the Smith Point Triathlon. This deviation allows the bridge to remain closed for two hours to facilitate public safety during a public event.

DATES: This deviation is effective between 7 a.m. and 9 a.m. on August 4, 2013.
