

this survey reduces respondent burden for the five-year Economic Census, as businesses will be mailed Economic Census forms specifically tailored to their industry.

We plan a few changes to the form. Most of the changes to the questionnaire will be aesthetic. The questionnaire will be redeveloped in the Census Bureau's standard form design software. This will give it the look of the other Census Bureau's economic surveys and the Economic Census. Minimal changes will be made to the wording and organization of existing questions and instructions to ensure consistency across the economic surveys and/or the Economic Census.
