included in an April 1–June 30, 2012, quarterly report to NIAID.

- In Liquid Logic laboratory documents, the Respondent falsified the graphs of RT–PCR results of the Escherichia coli bacteriophage MS2, an internal control, viral loads for three (3) clinical samples, when the results were actually from prior experiments of two (2) controls and one (1) unrelated clinical sample. The Respondent falsified the MS2 graphs in an effort to conceal that RT–PCR experiments of the clinical samples had not been performed.

Mr. Poore has entered into a Voluntary Settlement Agreement and has voluntarily agreed for a period of three (3) years, beginning on April 1, 2013:

(1) To have his research supervised; Respondent agreed that prior to the submission of an application for U.S. Public Health Service (PHS) support for a research project on which his participation is proposed and prior to his participation in any capacity on PHS-supported research, Respondent shall ensure that a plan for supervision of his duties is submitted to ORI for approval; the supervision plan must be designed to ensure the scientific integrity of his research contribution; he agreed that he shall not participate in any PHS-supported research until such a supervision plan is submitted to and approved by ORI; Respondent agreed to maintain responsibility for compliance with the agreed upon supervision plan; and

(2) To exclude himself voluntarily from serving in any advisory capacity to PHS including, but not limited to, service on any PHS advisory committee, board, and/or peer review committee, or as a consultant.

SUPPLEMENTAL INFORMATION: CFSAF was established on September 5, 2002, to advise, consult with, and make recommendations to the Secretary, through the Assistant Secretary for Health, on a broad range of topics including: (1) The current state of knowledge and research and the relevant gaps in knowledge and research about the epidemiology, etiologies, biomarkers, and risk factors relating to CFS, and identifying potential opportunities in these areas; (2) impact and implications of current and proposed diagnosis and treatment methods for CFS; (3) development and implementation of programs to inform the public, health care professionals, and the biomedical academic and research communities about CFS advances; and (4) partnering to improve the quality of life of CFS patients.

The agenda for this meeting is being developed and will be posted on the CFSAF Web site, http://www.hhs.gov/advcomcfs when finalized. The meeting will be live-video streamed at www.HHS.gov/Live and archived through the CFSAF Web site: www.hhs.gov/advcomcfs. Listening-only audio via telephone will be available on both days. Call-in information will be posted on the CFSAF Web site.

Individuals who plan to attend should register at the following link by May 17, 2013: http://www.blsmeetings.net/CFSAFMay2013. Attendance by visitors who are not U.S. citizens is welcome, but prior approval is required by sending a request to CFSAFMay2013@seamon corporation.com before May 8, 2013. Members of the media will also need to register. All attendees will be required to show government-issued picture identification (state or federal) for entry into a federal building. Attendees will receive a wrist band that must be worn the entire time. Security requires all non-federal employees to be escorted the entire time they are in the building. Upon leaving the building for any reason, all persons will be required to follow the security steps mentioned above and receive a new wrist band.

Members of the public will have the opportunity to provide public comment at the meeting or via telephone. International calls cannot be accommodated. You are no longer required to submit a written copy of your testimony as in past years unless you wish to have it included in the public record. Individuals wishing to submit public comment for public record must send an electronic copy of their testimony in advance to CFSAFMay2013@seamon corporation.com by Wednesday, May 15, 2013. A separate sign-up process for requesting time for public comment must be completed by Wednesday, May 15, 2013 at the following link: http://www.blsmeetings.net/CFSAFPublic CommentMay2013. An email to acknowledge receipt of the request for public comment will be sent from this email address. The document for public record must not exceed 5 single-spaced, typed pages, using a 12-point typeface; it is preferred that the document be prepared in the MSWord format. Please note that PDF files, handwritten notes, charts, and photographs that are submitted for distribution to the Committee will not be posted on the CFSAF Web site. However, this material will be made available for the public to view on site during the dates that the meeting is being conducted. Individuals who wish to view this material after the meeting should contact the CFSAF DFO, whose contact information is included in this Federal Register notice. Requests to participate in the public comment and provide written testimony will not be accepted through the CFSAF mailbox. Also, the CFSAF mailbox will not respond to questions about specific public comment requests. These requests and/or inquiries should be directed to CFSAFMay2013@seamon corporation.com.
