3. Type of Information Collection Request: Revision of a currently approved collection. Title of Information Collection: Parts C and D Complaints Resolution Performance Measures. Use: CMS seeks to conduct a survey as part of the Part C and D Complaints Resolution Performance Measure project. The purpose of the project is to develop and support implementation of internal monitoring tools for the Medicare Advantage (Part C) and Prescription Drug (Part D) program that represents, from the beneficiary’s perspective, the way in which plans handle complaints. The data collection is necessary because a survey is the only way to collect information about the resolution process from the beneficiary’s perspective. Currently, there is no other data source that collects such information for Part C and Part D Medicare plans. Form Number: CMS–10308 (OCN 0938–1107). Frequency: Yearly. Affected Public: Individuals or households. Number of Respondents: 18,210. Total Annual Responses: 18,210. Total Annual Hours: 3,035. 4. Type of Information Collection Request: Revision of a currently approved collection. Title of Information Collection: Pre-Existing Health Insurance Plan and Supporting Regulations; Use: On March 23, 2010, the President signed into law H.R. 3590, the Patient Protection and Affordable Care Act (Affordable Care Act), Public Law 111–148. Section 1101 of the law establishes a “temporary high risk health insurance pool program” (which has been named the Pre-Existing Condition Insurance Plan, or PCIP) to provide health insurance coverage to currently uninsured individuals with pre-existing conditions. The law authorizes HHS to carry out the program directly or through contracts with states or private, non-profit entities. We are requesting an extension of this package because this information is needed to assure that PCIP programs are established timely and effectively. This request is being made based on regulations and guidance that have been issued and contracts which have been executed by HHS with states or an entity on their behalf participating in the PCIP program. PCIP is also referred to as the temporary qualified high risk insurance pool program, as it is called in the Affordable Care Act, but we have adopted the term PCIP to better describe the program and avoid confusion with the existing state high risk pool programs. Form Number: CMS–10339 (OMB#: 0938–1100); Frequency: Reporting—On occasion; Affected Public: state governments; Number of Respondents: 51; Total Annual Responses: 2,652; Total Annual Hours: 36,924. (For policy questions regarding this collection contact Laura Dash at 410–786–8623. For all other issues call 410–786–1326.)
