

dealing with the company, as if such company were a registered investment company.

3. BHBC acknowledges that it may be deemed to fall within one of the Act's definitions of an investment company. Accordingly, BHBC requests an order of the Commission pursuant to sections 6(c) and 6(e) of the Act exempting it from all provisions of the Act, subject to certain exceptions described below. BHBC requests an exemption until the earlier of one year from the date of the requested order or such time as it would no longer be required to register as an investment company under the Act. During the term of the proposed exemption, BHBC states that it will comply with sections 9, 17(a), 17(d), 17(e), 17(f), 36 through 45, and 47 through 51 of the Act and the rules thereunder, subject to certain modifications described in the application.

4. BHBC requests exemptive relief to the extent necessary to permit it to hold certain types of instruments that may be considered "securities", as defined in section 2(a)(36) under the Act, such as short-term U.S. government securities, certificates of deposit and deposit accounts with banks that are insured by the FDIC, shares of registered money market funds, and any instruments that are eligible for investment by money market funds consistent with rule 2a-7 under the Act (collectively, "Permitted Securities") without being required to register as an investment company under the Act. BHBC requests this relief in order to permit it to preserve the value of its assets for the benefit of its security holders, and submits that this relief is necessary and appropriate for the public interest.

5. In determining whether to grant relief for a company in an extended transition period, the following factors are considered: (a) Whether the failure of the company to become primarily engaged in a non-investment business or excepted business or to liquidate within one year was due to factors beyond its control; (b) whether the company's officers and employees during that period tried, in good faith, to effect the company's investment of its assets in a non-investment business or excepted business or to cause the liquidation of the company; and (c) whether the company invested in securities solely to preserve the value of its assets. BHBC believes that it meets these criteria.

6. BHBC believes its failure to become primarily engaged in a non-investment business or to liquidate within a year following the receivership of the Bank is due to factors beyond its control. The board of directors of BHBC has regularly

considered the feasibility of liquidating or engaging in an operating non-investment business and concluded that it is not feasible to commence or acquire a non-investment business or liquidate as a result of BHBC's negative net worth and the uncertainties associated with actual and potential litigation and regulatory claims. BHBC states that the contingent liabilities make it impossible to liquidate BHBC and distribute its assets to creditors and make it imprudent to utilize any substantial part of its assets in an operating business. BHBC states that these circumstances are unlikely to change over the requested one-year period in light of the nature of the actual and contingent liabilities. BHBC states that it has invested its liquid assets solely to preserve the value of its assets and has invested solely in Permitted Securities since the Original Order. BHBC does not believe its current ownership of certain loans acquired prior to its receivership is inconsistent with its purpose of preserving the value of its assets for the benefit of its security holders. BHBC thus believes that the public interest will be best served by permitting it to continue to invest in Permitted Securities while its liabilities are resolved.

Applicant's Conditions

Applicant agrees that the requested order will be subject to the following conditions:

1. BHBC will not purchase or otherwise acquire any securities other than Permitted Securities, except that BHBC may acquire equity securities of an issuer that is not an "investment company" as defined in section 3(a) of the Act or is relying on an exclusion from the definition of "investment company" under section 3(c) of the Act other than section 3(c)(1) or 3(c)(7), in connection with the acquisition of an operating business as evidenced by a resolution approved by BHBC's board of directors. BHBC may continue to hold the Subsidiary Assets.

2. BHBC will not hold itself out as being engaged in the business of investing, reinvesting, owning, holding, or trading in securities.

3. BHBC will not make any primary or secondary public offerings of its securities, and it will notify its stockholders that an exemptive order has been granted pursuant to sections 6(c) and 6(e) of the Act and that BHBC and other persons, in their transactions and relations with BHBC, are subject to sections 9, 17(a), 17(d), 17(e), 17(f), 36 through 45, and 47 through 51 of the Act, and the rules thereunder, as if BHBC were a registered investment

company, except as permitted by the order requested hereby.

4. Notwithstanding sections 17(a) and 17(d) of the Act, an affiliated person (as defined in section 2(a)(3) of the Act) of BHBC may engage in a transaction that otherwise would be prohibited by these sections with BHBC:

(a) If such proposed transaction is first approved by a bankruptcy court on the basis that (i) the terms thereof, including the consideration to be paid or received, are reasonable and fair to BHBC, and (ii) the participation of BHBC in the proposed transaction will not be on a basis less advantageous to BHBC than that of other participants; and

(b) in connection with each such transaction, BHBC shall inform the bankruptcy court of: (i) The identity of all of its affiliated persons who are parties to, or have a direct or indirect financial interest in, the transaction; (ii) the nature of the affiliation; and (iii) the financial interests of such persons in the transaction.

For the Commission, by the Division of Investment Management, pursuant to delegated authority.

Kevin M. O'Neill,
Deputy Secretary.

SECURITIES AND EXCHANGE COMMISSION

[Release No. 34-69480; File No. SR-OCC-2013-04]

Self-Regulatory Organizations; The Options Clearing Corporation; Notice of Filing of Proposed Rule Change to Change the Expiration Date For Most Option Contracts to the Third Friday of the Expiration Month Instead of the Saturday Following the Third Friday

April 30, 2013.

Pursuant to Section 19(b)(1) of the Securities Exchange Act of 1934 ("Exchange Act"),¹ and Rule 19b-4 thereunder,² notice is hereby given that on April 17, 2013 The Options Clearing Corporation ("OCC") filed with the Securities and Exchange Commission ("Commission") the proposed rule change as described in Items I and II below, which Items have been substantially prepared by the clearing agency.³ The Commission is publishing this notice to solicit comments on the proposed rule change from interested persons.

I. Clearing Agency's Statement of the Terms of Substance of the Proposed Rule Change

This proposed rule change would allow OCC to change the expiration date for most option contracts to the third Friday of the expiration month instead of the Saturday following the third Friday.

II. Clearing Agency's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

In its filing with the Commission, the clearing agency included statements concerning the purpose of and basis for the proposed rule change and discussed any comments it received on the proposed rule change. The text of these statements may be examined at the places specified in Item IV below. The clearing agency has prepared summaries, set forth in sections A, B, and C below, of the most significant aspects of such statements.⁴

¹ 15 U.S.C. 78s(b)(1).

² 17 CFR 240.19b-4.

³ OCC also filed the proposed rule change as an advance notice under Section 806(e)(1) of Title VIII of the Dodd-Frank Wall Street Reform and Consumer Protection Act ("Dodd-Frank Act") entitled the Payment, Clearing, and Settlement Supervision Act of 2010 ("Clearing Supervision Act"). 12 U.S.C. 5465(e)(1); SR-OCC-2013-802.

⁴ The Commission has modified the text of the summaries prepared by the clearing agency.

(A) *Clearing Agency's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change*

Most option contracts ("Standard Expiration Contracts") currently expire at the "expiration time" (11:59 p.m. Eastern Time) on the Saturday following the third Friday of the specified expiration month ("Expiration Date").⁵ The purpose of this proposed rule change is to change the Expiration Date for Standard Expiration Contracts to the third Friday of the expiration month. (The expiration time would continue to be 11:59 p.m. Eastern Time on the Expiration Date.) The proposed change would apply only to Standard Expiration Contracts expiring after February 1, 2015, and OCC does not propose to change the Expiration Date for any outstanding option contract. The proposed change will apply only to series of option contracts opened for trading after the effective date of this proposed rule change and having Expiration Dates later than February 1, 2015. Option contracts having non-standard expiration dates ("Non-standard Expiration Contracts") will be unaffected by this proposed rule change.⁶

In order to provide a smooth transition to the Friday expiration, OCC would, beginning June 21, 2013, move the expiration exercise procedures to Friday for all Standard Expiration Contracts even though the contracts would continue to expire on Saturday. After February 1, 2015, virtually all Standard Expiration Contracts will actually expire on Friday. The only Standard Expiration Contracts that will expire on a Saturday after February 1, 2015 are certain options that were listed prior to the effectiveness of this rule change, and a limited number of options that may be listed prior to necessary systems changes of the options exchanges, which are expected to be completed in August 2013. The exchanges have agreed that once these systems changes are made they will not open for trading any new series of option contracts with Saturday expiration dates falling after February 1, 2015.

Background

Saturday was established as the standard Expiration Date for OCC-cleared options primarily in order to allow sufficient time for processing of

⁵ See the definition of "expiration time" in Article I of OCC's By-Laws.

⁶ Examples of options with Non-standard Expiration Contracts include flex options, quarterly, monthly and weekly options, where the expiration exercise processing for such options presently occurs on a weekday.
