

95756543&RT=MiMO. If requested, enter your name, email address, and the webinar id, which is 298 872 886. Once registered, participants will receive a confirmation email message that contains detailed information about viewing the event. To only join the audio teleconference of the NWFSC Pre-Assessment Workshop webinar from the U.S. or Canada, call the toll number 1-650-479-3208 (**Note:** this is not a toll-free number) and use the access code 298-872-886 when prompted. To request a toll-free audio connection, please contact Ms. Stacey Miller, (541) 867-0562, at least 5 days prior to the webinar meeting.

System requirements for attending the online webinar are as follows: PC-based attendees: Windows® 2000, XP SP#, 2003 Server, Vista 32-bit/64-bit, Windows® 7 32-bit/64-bit, 2008 Server 64-bit; Intel Core2 Duo CPU 2.XX GHz or AMD processor. (2 GB of RAM recommended), JavaScript and Cookies enabled, Active X enabled and unblocked for Microsoft Internet Explorer (recommended) and Java 6.0 or above, Microsoft® Internet Explorer 6, 7 or 8 (8 is recommended), Mozilla Firefox 3.x or 4.0b, Chrome 5, 6, or 7; Mac®-based attendees: Mac OS® X 10.5 or 10.6; Other platforms supported: Linux, Solaris Solaris 10, HP-UX 11.11 and AIX 5.3; and Mobile attendees: iPhone® or iPad® (iOS 3+), Android TM (v 2.1+) and Cius devices. If you experience technical difficulties connecting to the webinar meeting, it may be helpful to try using a different browser if possible.

Public listening stations for the NWFSC Pre-Assessment Workshop webinar will also be available at the following locations: (1) Auditorium, National Marine Fisheries Service, Northwest Fisheries Science Center, 2725 Montlake Blvd. East, Seattle, WA 98112, Telephone: (206) 860-3200; (2) Public Meeting Room, Englund Marine & Industrial Supply, Hamburg Avenue, Astoria, OR 97103, Telephone: (503) 325-4341; (3) Conference Room 101, National Marine Fisheries Service, Northwest Fisheries Science Center, 2032 SE OSU Drive, Newport, OR 97365, Telephone: (541) 867-0500; (4) Public Meeting Room, Port of Coos Bay, Charleston Marina RV Park, 63402 Kingfisher Road, Charleston, OR 97420, Telephone: (541) 888-9512; (5) Meeting Room, Fishermen's Marketing Association, 1585 Heartwood Drive, Suite E., McKinleyville, CA 95519, Telephone: (707) 840-0182; and (6) Large Conference Room, Pacific Fishery Management Council, 7700 NE Ambassador Place, Suite 101, Portland,

OR 97220-1384, Telephone: (503) 820-2280.

To attend the webinar at the Northwest Fisheries Science Center listening stations in Seattle, WA or Newport, OR, members of the general public who are not National Marine Fisheries Service employees need to provide photo identification. Foreign nationals, where a foreign national is an individual who is not a citizen of the United States, not a legal permanent resident (meaning not a "permanent resident alien" or "Green Card" holder), and not a "protected individual" under 8 U.S.C. 1324b(a)(3), intending to attend the webinar at either of the Northwest Fisheries Science Centers must notify Ms. Stacey Miller, (541) 867-0562, at the Northwest Fisheries Science Center at least 2 weeks prior to the webinar.

Public comments during the webinar will be received from attendees at one of the public listening stations as well as by participants who have pre-registered and are listening from remote locations.

The specific objectives of the NWFSC Pre-Assessment Workshop webinar are to: (1) Present and describe data that may be included in the stock assessment modeling for rougheye rockfish, aurora rockfish, longspine thornyhead and shortspine thornyhead; (2) discuss the interpretation of data given historical and current fishing practices and changes in fishing regulations; (3) discuss approaches for improving stock assessment modeling efforts; and (4) identify data gaps and future research possibilities. No management actions will be decided in this workshop.

All visitors to the National Marine Fisheries Service science centers should bring photo identification to the meeting location. Visitors who are foreign nationals (defined as a person who is not a citizen or national of the United States) will require additional security clearance to access the NOAA facilities. Foreign national visitors should contact Ms. Stacey Miller at (541) 867-0562 at least 2 weeks prior to the meeting date to initiate the security clearance process.

Although non-emergency issues not identified in the webinar agenda may come before the webinar participants for discussion, those issues may not be the subject of formal action during this webinar. Formal action at the workshop will be restricted to those issues specifically listed in this notice and any issues arising after publication of this notice that require emergency action under section 305(c) of the Magnuson-Stevens Fishery Conservation and Management Act, provided the public has been notified of the webinar

participants' intent to take final action to address the emergency.

Special Accommodations

This meeting is physically accessible to people with disabilities. Requests for auxiliary aids should be directed to Ms. Stacey Miller at (541) 867-0562 at least 5 days prior to the webinar date.

Dated: May 2, 2013.

Tracey L. Thompson,

Acting Deputy Director, Office of Sustainable Fisheries, National Marine Fisheries Service.

BILLING CODE 3510-22-P

CONSUMER PRODUCT SAFETY COMMISSION

[Docket No. CPSC-2009-0102]

Collection of Information; Proposed Extension of Approval; Comment Request—Follow-Up Activities for Product-Related Injuries

AGENCY: Consumer Product Safety Commission.

ACTION: Notice.

SUMMARY: As required by the Paperwork Reduction Act of 1995 (PRA) (44 U.S.C. Chapter 35), the Consumer Product Safety Commission (CPSC or Commission) requests comments on a proposed extension of approval of a collection of information from persons who have been involved in or have witnessed incidents associated with consumer products. The Commission will consider all comments received in response to this notice before requesting an extension of approval of this collection of information from the Office of Management and Budget (OMB).

DATES: The Office of the Secretary must receive comments not later than July 8, 2013.

ADDRESSES: You may submit comments, identified by Docket No. CPSC-2009-0102, by any of the following methods:

Electronic Submissions: Submit electronic comments to the Federal eRulemaking Portal at: <http://www.regulations.gov>. Follow the instructions for submitting comments. The Commission does not accept comments submitted by electronic mail (email), except through www.regulations.gov. The Commission encourages you to submit electronic comments by using the Federal eRulemaking Portal, as described above.

Written Submissions: Submit written submissions in the following way: Mail/Hand delivery/Courier (for paper, disk, or CD-ROM submissions), preferably in five copies, to: Office of the Secretary,

Consumer Product Safety Commission, Room 820, 4330 East-West Highway, Bethesda, MD 20814; telephone (301) 504-7923.

Instructions: All submissions received must include the agency name and docket number for this notice. All comments received may be posted without change, including any personal identifiers, contact information, or other personal information provided, to: <http://www.regulations.gov>. Do not submit confidential business information, trade secret information, or other sensitive or protected information that you do not want to be available to the public. If furnished at all, such information should be submitted in writing.

Docket: For access to the docket to read background documents or comments received, go to: <http://www.regulations.gov>, and insert the docket number, CPSC-2009-0102, into the "Search" box, and follow the prompts.

FOR FURTHER INFORMATION CONTACT: For further information contact: Robert H. Squibb, Consumer Product Safety Commission, 4330 East-West Highway, Bethesda, MD 20814; (301) 504-7815, or by email to: rsquibb@cpsc.gov.

SUPPLEMENTARY INFORMATION:

A. Background

Section 5(a) of the Consumer Product Safety Act, 15 U.S.C. 2054(a), requires the Commission to collect information related to the causes and prevention of death, injury, and illness associated with consumer products. That section also requires the Commission to conduct continuing studies and investigations of deaths, injuries, diseases, other health impairments, and economic losses resulting from accidents involving consumer products.

The Commission obtains information about product-related deaths, injuries, and illnesses from a variety of sources, including newspapers, death certificates, consumer complaints, and medical facilities. In addition, the Commission receives information through its Internet Web site through forms reporting on product-related injuries or incidents.

The Commission also operates a surveillance system known as the National Electronic Injury Surveillance System (NEISS) that provides timely data on consumer product-related injuries treated as well as U.S. childhood poisonings. NEISS data comes from a statistically valid sample from approximately 100 hospital emergency departments. The NEISS system has been in operation since

1971. NEISS emergency department records are reviewed by hospital employees or contractors (NEISS coders).

From these sources, Commission staff selects cases of interest for further investigation by face-to-face or telephone interviews with persons who witnessed, or were injured in, incidents involving consumer products. On-site investigations are usually made in cases where Commission staff needs photographs of the incident site, the product involved, or detailed information about the incident. This information can come from face-to-face interviews with persons who were injured or who witnessed the incident, as well as contact with state and local officials, including police, coroners, and fire investigators, and others with knowledge of the incident.

The Commission uses the information to support the development and improvement of voluntary standards; rulemaking proceedings; information and education campaigns; compliance and enforcement efforts and related administrative and judicial proceedings. Commission activities are, in many cases, data driven, and incident data is crucial in advancing the agency's mission.

OMB approved the collection of information concerning product-related injuries under control number 3041-0029. OMB's most recent extension of approval will expire on July 31, 2013. The Commission now proposes to request an extension of approval of this collection of information.

B. NEISS Estimated Burden

The NEISS system collects information on consumer-product related injuries from about 100 hospitals in the U.S. Respondents to NEISS include hospitals that directly report information to NEISS, and hospitals that allow CPSC contractors to collect the data on behalf of the agency. In FY 2012, there were a maximum of 150 NEISS contracts (total hospitals and CPSC contractors). NEISS coders collect and review all emergency records daily or weekly. During that year, NEISS coders reviewed an estimated 4.6 million emergency department records and reported approximately 400,000 consumer-product related injuries, of which 5,100 were childhood poisoning-related injuries. Each record takes approximately 15 seconds to review. Coding and reporting records that involve consumer product related injuries takes approximately 2.5 minutes per record. NEISS coders also spend about 36 hours per year in related activities (training, evaluations, and

communicating with doctors and nurses if more detailed information is needed).

The total burden hours for collecting, reviewing and coding incident records and reports during FY 2012 are estimated to be 41,300. The average burden hour per hospital for FY 2012 is approximately 430 hours; however, the total burden hour on each hospital varies due to differences in size of the hospital (e.g., small rural hospitals versus large metropolitan hospitals). For example, the smallest hospital reported approximately 150 cases with a burden of about 50 hours, while the largest hospital reported more than 17,500 cases with a burden of almost 1,400 hours.

The total contract costs for NEISS in FY 2012 are \$1.7 million. Based on FY 2012 data, the average cost per respondent is estimated to be about \$17,600. The average cost per burden hour is estimated to be \$41 per hour (including wages and overhead); however, the actual cost to each respondent varies due to the type of respondent (hospital versus CPSC contractor), size of hospital, and regional differences in wages and overhead. Thus, the actual annual cost for any given respondent may vary between \$1,000 at a small rural hospital and \$78,000 at a large metropolitan hospital.

C. Other Burden Hours

In cases that require more information regarding product-related incidents or injuries, the staff conducted face-to-face interviews of approximately 550 persons during FY 2012. Such interviews may take place with the injured party, or a witness to the incident. On average, each on-site interview took about 4.5 hours. In FY 2012 Commission staff also conducted about 3700 in-depth investigations by telephone from the injured party or, in the case of a minor, the parents or guardian. Each such in-depth telephone investigation required approximately 20 minutes. Based on the FY 2012 data, staff estimates that this collection of information imposes a total annual hourly burden of 3,708 hours on all respondents: 2,475 hours for face-to-face interviews and 1,233 hours for in-depth telephone interviews. Commission staff estimates the value of the time required for reporting is \$27.12 an hour (U.S. Bureau of Labor Statistics, "Employer Costs for Employee Compensation," December 2012, Table 9, Total compensation for all sales and office workers in goods-producing industries: <http://www.bls.gov/ncs>). At this valuation, the estimated annual cost of

the burden hours to the public is about \$100,570.

This request for the approval of an estimated 45,008 (41,300 NEISS and 3,708 other) burden hours per year is a decrease of 4,697 hours since this collection of information was last approved by OMB in 2009. This decrease is due, in part, to the increased proportion of investigations being conducted by phone rather than on-site. In addition, to avoid duplication, this information collection request excludes the burden now associated with other publicly available Consumer Product Safety Information Databases, such as Internet complaints, Hotline, and the Medical Examiner and Coroners Alert Project reports. These information collections have been approved by OMB and are now collected under OMB Control No. 3041-0146.

The annual cost to the government of the information collection is estimated to be \$3.3 million a year. This estimate includes approximately \$1.7 million in contract costs to NEISS respondents (based on FY 2012 data). This estimate also includes \$1.6 million for approximately 160 Commission staff months each year. The estimate of staff months includes the time required to oversee NEISS operations (e.g., administration, training, quality control); conduct face-to-face and telephone interviews; and evaluate responses. Each month of professional staff time costs the Commission about \$10,175. This is based on a GS-12 mid-level salaried employee. The average yearly wage rate for a mid-level salaried GS-12 employee in the Washington, DC metropolitan area (effective as of January 2011) is \$84,855 (GS-12, step 5). This represents 69.5 percent of total compensation (U.S. Bureau of Labor Statistics, "Employer Costs for Employee Compensation," December 2012, Table 1, percentage of wages and salaries for all civilian management, professional, and related employees: <http://www.bls.gov/ncs/>). Adding an additional 30.5 percent for benefits brings average yearly compensation for a mid-level salaried GS-12 employee to \$122,094.

D. Request for Comments

The Commission solicits written comments from all interested persons about the proposed collection of information. The Commission specifically solicits information relevant to the following topics:

- Whether the collection of information described above is necessary for the proper performance of the Commission's functions, including

whether the information would have practical utility;

- Whether the estimated burden of the proposed collection of information is accurate;
- Whether the quality, utility, and clarity of the information to be collected could be enhanced; and
- Whether the burden imposed by the collection of information could be minimized by use of automated, electronic or other technological collection techniques, or other forms of information technology.

Dated: May 2, 2013.

Todd A. Stevenson,

Secretary, Consumer Product Safety Commission.

[FR Doc. 2013-10777 Filed 5-6-13; 8:45 am]

BILLING CODE 6355-01-P

DEPARTMENT OF DEFENSE

Office of the Secretary

[Docket ID: DoD-2013-OS-0094]

Proposed Collection; Comment Request

AGENCY: Office of the General Counsel, Standards of Conduct Office, OSD, Defense.

ACTION: Notice.

In compliance with Section 3506(c)(2)(A) of the *Paperwork Reduction Act of 1995*, the Office of the General Counsel, Standards of Conduct Office, announces a public information collection and seeks public comment on the provisions thereof. Comments are invited on: (a) Whether the proposed collection of information is necessary for the proper performance of the functions of the agency, including whether the information shall have practical utility; (b) the accuracy of the agency's estimate of the burden of the proposed information collection; (c) ways to enhance the quality, utility, and clarity of the information to be collected; and (d) ways to minimize the burden of the information collection on respondents, including through the use of automated collection techniques or other forms of information technology.

DATES: Consideration will be given to all comments received by June 6, 2013.

ADDRESSES: You may submit comments, identified by docket number and title, by any of the following methods:

- *Federal eRulemaking Portal:* <http://www.regulations.gov>. Follow the instructions for submitting comments.
- *Mail:* Federal Docket Management System Office, 4800 Mark Center Drive,

East Tower, Suite 02G09, Alexandria, VA 22350-3100.

Instructions: All submissions received must include the agency name, docket number and title for this **Federal Register** document. The general policy for comments and other submissions from members of the public is to make these submissions available for public viewing on the Internet at <http://www.regulations.gov> as they are received without change, including any personal identifiers or contact information.

FOR FURTHER INFORMATION CONTACT: To request more information on this proposed information collection or to obtain a copy of the proposal and associated collection instruments, please write to the Office of the General Counsel, ATTN: Standards of Conduct Office (Mr. Rishel), 1600 Defense Pentagon, Suite 3E783, Washington, DC 20301-1600.

Title and OMB Control Number: Post Government Employment Advice Opinion Request; OMB Control Number 0704-0467.

Needs and Uses: The information collection requirement is necessary to obtain minimal information on which to base an opinion about post Government employment of select former and departing DoD employees seeking to work for Defense Contractors within two years after leaving DoD. The departing or former DoD employee uses the form to organize and provide employment-related information to an ethics official who will use the information to render an advisory opinion to the employee requesting the opinion. *The National Defense Authorization Act of 2008*, Public Law 110-181, section 847, requires that select DoD officials and former DoD officials who, within two years after leaving DoD, expect to receive compensation from a DoD contractor, shall, before accepting such compensation, request a written opinion regarding the applicability of post-employment restrictions to activities that the official or former official may undertake on behalf of a contractor.

Affected Public: Departing and former DoD employees.

Annual Burden Hours: 250.

Number of Respondents: 250.

Responses per Respondent: 1.

Average Burden per Response: 60 minutes.

Frequency: On occasion.

SUPPLEMENTARY INFORMATION:

Summary of Information Collection

The National Defense Authorization Act of 2008, Public Law 110-181, section 847, requires that select DoD
