

three draft CCP/EAs. All substantive comments regarding the separate Bandon Marsh NWR Land Protection Planning (LPP) process will be considered, addressed, and incorporated in draft LPP documents. To address public comments received on the draft CCP/EAs, responsive changes and clarifications were made to the final CCPs where appropriate. These changes are summarized in full within each FONSI. The major changes follow.

Bandon Marsh NWR

- The waterfowl hunting area acreage at the Ni-les'tun Unit has been changed from 300 to 299 acres.

Nestucca Bay NWR

- The objective related to upland coastal prairie restoration has been reworded to “restore up to 25 acres of native prairie by 2028 through a phased restoration project.”
- Wording regarding bank fishing has been changed from “actively pursuing opportunities” to “allow bank fishing on the east end of the Little Nestucca Restoration Area following development of access trail and gravel parking lot.”

Siletz Bay NWR

- The waterfowl hunting area acreage on refuge lands west of Highway 101 has been changed from 80 to 87 acres.
- The waterfowl hunting area acreage on refuge lands south of Millport Slough has been changed from 97 to 112 acres.

Selected Alternative

After considering the comments received, we have selected Alternative C within each CCP for implementation. The goals, objectives, and strategies under Alternative C best achieve the purpose and need for each CCP while maintaining balance among the varied management needs and programs. Alternative C within each CCP addresses the refuge purposes, issues, and relevant mandates and is consistent with principles of sound fish and wildlife management.

Notice of Request for Nominees for the Advisory Committee on Water Information

AGENCY: United States Geological Survey (USGS), Interior.

ACTION: Notice of request for nominees.

SUMMARY: The U.S. Department of the Interior (Interior) is seeking nominations for individuals to be considered as Committee members and/or alternates to serve on the Advisory Committee on Water Information (ACWI).

Membership represents a wide range of water resources interests and functions. The ACWI will have a maximum of 35 members. Members will represent the interests of water oriented organizations and will be selected from among, but not limited to the following groups: Federal agencies, professional water-related associations, State and country water-related associations, academia, private industry, water utility associations, civil engineering societies, watershed and land conservation associations, ecological societies, lake, coastal, and ocean associations, environmental and educational groups.

Member organizations designate their representatives and alternates. Membership rests not with the individual person but rather with the member organization, who names their representative, and sometimes an alternate.

Nominations should include a resume providing an adequate description of the nominee's qualifications, including information that would enable the Department of the Interior to make an informed decision regarding meeting the membership requirements of the ACWI and permit the Department of the Interior to contact a potential member.

No individual who is currently registered as a Federal lobbyist is eligible to serve as a member of the ACWI.

The Committee functions solely as an advisory body, and in compliance with the provisions of the Federal Advisory Committee Act. Nominations for member organizations should be submitted to the Executive Secretary, at the address listed below.

FOR FURTHER INFORMATION CONTACT: Ms. Wendy E. Norton (Executive Secretary), Chief, Water Information Coordination Program, U.S. Geological Survey, 12201 Sunrise Valley Drive, MS 417, Reston VA 20192. Telephone: 703-648-6810; Fax: 703-648-5644.

SUPPLEMENTARY INFORMATION: The ACWI has been established under the authority of the Office of Management and Budget and Budget Memorandum No. M-92-01 and the Federal Advisory Committee Act, as amended, (5 U.S.C. App. 2), and with the concurrence of the General Services Administration.

The purpose of the ACWI is to represent the interests of water-information users and professionals in advising the Federal Government on Federal water-information programs and their effectiveness in meeting the Nation's water-information needs. Member organizations help to foster communications between the Federal and non-Federal sectors on sharing water information.

Dated: May 5, 2013.

Jerad D. Bales,

Acting Associate Director for Water.
