

provisions for the proposed Southern Access Extension Project. Enbridge Illinois states that the Project is a 165 mile pipeline designed to transport both light and heavy crude petroleum from Flanagan, Illinois to the pipeline hub at Patoka, Illinois, and asks that the Commission act expeditiously on the Petition.

Any person desiring to intervene or to protest this filing must file in accordance with Rules 211 and 214 of the Commission's Rules of Practice and Procedure (18 CFR 385.211, 385.214). Protests will be considered by the Commission in determining the appropriate action to be taken, but will not serve to make protestants parties to the proceeding. Any person wishing to become a party must file a notice of intervention or motion to intervene, as appropriate. Such notices, motions, or protests must be filed on or before the comment date. On or before the comment date, it is not necessary to serve motions to intervene or protests on persons other than the Applicant.

The Commission encourages electronic submission of protests and interventions in lieu of paper using the "eFiling" link at <http://www.ferc.gov>. Persons unable to file electronically should submit an original and 14 copies of the protest or intervention to the Federal Energy Regulatory Commission, 888 First Street NE., Washington, DC 20426.

This filing is accessible on-line at <http://www.ferc.gov>, using the "eLibrary" link and is available for review in the Commission's Public Reference Room in Washington, DC. There is an "eSubscription" link on the Web site that enables subscribers to receive email notification when a document is added to a subscribed docket(s). [Project No. 14496-000]

Archon Energy 1, Inc. Notice of Preliminary Permit Application Accepted for Filing and Soliciting Comments, Motions To Intervene, and Competing Applications

On February 11, 2013, the Archon Energy 1, Inc., filed an application for a preliminary permit, pursuant to section 4(f) of the Federal Power Act (FPA), proposing to study the feasibility of the Upper Alamo River Hydroelectric Project (Upper Alamo River Hydroelectric Project or project) to be located on the Alamo River, near the cities of Calipatria, Brawley, and Holtville in Imperial County, California. The sole purpose of a preliminary permit, if issued, is to grant the permit holder priority to file a license application during the permit term. A preliminary permit does not authorize the permit holder to perform any land-disturbing activities or otherwise enter upon lands or waters owned by others without the owners' express permission.

The proposed project would consist of six river drop developments. Each of the proposed in-stream installations would consist of the following: (1) a VLH 4000 turbo-generator; (2) a 10-by-10-foot electrical shack; and (3) appurtenant facilities. The proposed project would have a total installed capacity of 3 megawatts and generate an estimated average annual energy production of 21 gigawatt-hours.

Applicant Contact: Mr. Paul Grist, Archon Energy 1, Inc., 101 E. Kennedy Blvd., Suite 2800, Tampa, Florida 33602, phone: (403) 618-2018.
