G. Self-Regulatory Organization’s Statement on Comments on the Proposed Rule Change Received From Members, Participants, or Others

The Exchange has neither solicited nor received written comments on the proposed rule change.

III. Date of Effectiveness of the Proposed Rule Change and Timing for Commission Action

Within 45 days of the date of publication of this notice in the Federal Register or within such longer period (i) as the Commission may designate up to 90 days of such date if it finds such longer period to be appropriate and publishes its reasons for so finding or (ii) as to which the self-regulatory organization consents, the Commission will:

(A) By order approve or disapprove the proposed rule change, or

(B) institute proceedings to determine whether the proposed rule change should be disapproved.

IV. Solicitation of Comments

Interested persons are invited to submit written data, views, and arguments concerning the foregoing, including whether the proposed rule change is consistent with the Act. Comments may be submitted by any of the following methods:

Electronic Comments

- Use the Commission’s Internet comment form (http://www.sec.gov/rules/sro.shtml); or
- Send an email to rule-comments@sec.gov. Please include File Number SR–BYX–2013–013 on the subject line.

Paper Comments

- Send paper comments in triplicate to Elizabeth M. Murphy, Secretary, Securities and Exchange Commission, 100 F Street NE., Washington, DC 20549–1090. All submissions should refer to File Number SR–BYX–2013–013. This file number should be included on the subject line if email is used. To help the Commission process and review your comments more efficiently, please use only one method. The Commission will post all comments on the Commission’s Internet Web site (http://www.sec.gov/rules/sro.shtml). Copies of the submission, all subsequent amendments, all written statements with respect to the proposed rule change that are filed with the Commission, and all written communications relating to the proposed rule change between the Commission and any person, other than those that may be withheld from the public in accordance with the provisions of 5 U.S.C. 552, will be available for Web site viewing and printing in the Commission’s Public Reference Room on official business days between the hours of 10:00 a.m. and 3:00 p.m. Copies of such filing also will be available for inspection and copying at the principal offices of the Exchange. All comments received will be posted without change; the Commission does not edit personal identifying information from submissions. You should submit only information that you wish to make available publicly. All submissions should refer to File Number SR–BYX–2013–013, and should be submitted on or before June 5, 2013.

For the Commission, by the Division of Trading and Markets, pursuant to delegated authority.11

Kevin M. O’Neill,
Deputy Secretary.

SOCIAL SECURITY ADMINISTRATION
[Docket No. SSA–2013–0021]

Finding Regarding Foreign Social Insurance or Pension System—Kosovo

AGENCY: Social Security Administration (SSA).

ACTION: Notice of Finding Regarding Foreign Social Insurance or Pension System—Kosovo.

Finding: Section 202(l)(1) of the Social Security Act (42 U.S.C. 402(l)(1)) prohibits payment of monthly benefits to any individual who is not a United States citizen or national for any month after he or she has been outside the United States for 6 consecutive months. This prohibition does not apply to such an individual where one of the exceptions described in section 202(l)(2) through 202(l)(5) of the Social Security Act (42 U.S.C. 402(l)(2) through 402(l)(5)) affects him or her case.

Section 202(l)(2) of the Social Security Act provides that, subject to certain residency requirements of Section 202(l)(11), the prohibition against payment shall not apply to any individual who is a citizen of a country which the Commissioner of Social Security finds has in effect a social insurance or pension system which is of general application in such country and which:

(a) Pays periodic benefits, or the actuarial equivalent thereof, on account of old age, retirement, or death; and

(b) Permits individuals who are United States citizens but not citizens of that country and who qualify for such benefits to receive those benefits, or the actuarial equivalent thereof, while outside the foreign country regardless of the duration of the absence.

The Commissioner of Social Security has delegated the authority to make such a finding to the Associate Commissioner of the Office of International Programs. Under that authority, the Associate Commissioner of the Office of International Programs has approved a finding that Kosovo, beginning February 18, 2008 has a social insurance or pension system of general application in effect which pays periodic benefits, or the actuarial equivalent thereof, on account of old age, retirement, or death, but that under this social insurance or pension system, citizens of the United States citizens who are not citizens of Kosovo and who leave Kosovo, are not permitted to receive such benefits, or their actuarial equivalent, at the full rate without qualification or restriction while outside Kosovo.

Accordingly, it is hereby determined and found that Kosovo has in effect, beginning February 18, 2008, a social insurance or pension system which meets the requirements of section 202(l)(2)(A) of the Social Security Act (42 U.S.C. 402(l)(2)(A), but not the requirements of section 202(l)(2)(B) of the Act (42 U.S.C. 402(l)(2)(B)).

This finding also affects the application of subparagraphs (A) and (B) of section 202(l)(4) of the Social Security Act (42 U.S.C. 402(l)(4)(A) and (B)). That section provides that subject to certain residency requirements in section 202(l)(11), section 202(l)(1) shall not apply to the benefits payable on the earnings record of an individual who has 40 quarters of coverage under Social Security or who has resided in the United States for a period or periods aggregating 10 years or more. However, the provisions of subparagraphs (A) and (B) of section 202(l)(4) shall not apply to an individual who is a citizen of a foreign country that has in effect a social insurance or pension system which is of general application in such country and which satisfies the provisions of subparagraph (A) of section 202(l)(2), but not subparagraph (B) of section 202(l)(2).

By virtue of the finding with respect to section 202(l)(2) herein, the provisions of subparagraphs (A) and (B) of sections 202(l)(4) do not apply to

citizens of Kosovo beginning February 18, 2008.

Dated: May 9, 2013.

Vance Teel, Associate Commissioner, Office of International Programs.

DEPARTMENT OF TRANSPORTATION

Federal Highway Administration

Notice to Rendic a Notice of Intent To Prepare an Environmental Impact Statement (EIS): Dickson Southwest Bypass From US–70 to State Route 46 and/or Interstate 40, Dickson County, Tennessee

AGENCY: Federal Highway Administration (FHWA), DOT.

ACTION: Notice to Rendic a Notice of Intent to prepare an Environmental Impact Statement (EIS).

SUMMARY: The Federal Highway Administration (FHWA) is issuing this notice to advise the public that the Notice of Intent published on September 24, 2007 to prepare an Environmental Impact Statement (EIS) for a proposed transportation project in Dickson County, Tennessee, is being rescinded.

SUPPLEMENTARY INFORMATION: The FHWA, in cooperation with the Tennessee Department of Transportation (TDOT), is rescinding the notice of intent to prepare an EIS for the proposed Southwest Dickson Bypass from US–70 to State Route (SR) 46 and/or Interstate 40, in Dickson County, Tennessee. The proposed project was approximately 9.7 miles in length.

The FHWA approved the Draft EIS (DEIS) on August 8, 2011. The project as described in the DEIS proposed improvements to the SR 46 corridor from the Interstate 40 interchange to US 70. The purpose of the project was to improve mobility through the City of Dickson. During the DEIS process TDOT conducted public involvement and agency coordination, developed a purpose and need for the project, and developed preliminary alternatives. The preliminary alternatives included a No-Build alternative, a Transportation System Management (TSM) alternative, and build alternatives that would involve constructing a roadway on new location to the west of the City of Dickson and SR 46.

Based on the findings of the DEIS and public and agency input, FHWA and TDOT determined that the TSM alternative, which includes various improvements primarily along existing SR 46, would meet the purpose and need of the project and could be accomplished without significant adverse impacts to the environment. Proposed improvements may include the addition of turn lanes at intersections, synchronization of traffic signals, and installation of new traffic signals, if warranted. As such, FHWA and TDOT are rescinding the Notice of Intent to prepare an EIS and will evaluate the proposed TSM improvements as a Categorical Exclusion

Comments and questions concerning the proposed action should be directed to FHWA at the address provided above.
