Extension:

Rule 20a-1; OMB Control No. 3235-0158, SEC File No. 270-132.

Notice is hereby given that, pursuant to the Paperwork Reduction Act of 1995 (44 U.S.C. 3501 *et seq.*), the Securities and Exchange Commission (the "Commission") is soliciting comments on the collection of information summarized below. The Commission plans to submit this existing collection of information to the Office of Management and Budget for extension and approval.

Rule 20a-1 (17 CFR 270.20a-1) was adopted under Section 20(a) of the Investment Company Act of 1940 ("1940 Act") (15 U.S.C. 80a-20(a)) and concerns the solicitation of proxies, consents, and authorizations with respect to securities issued by registered investment companies ("Funds"). More specifically, rule 20a-1 under the 1940 Act (15 U.S.C. 80a-1 *et seq.*) requires that the solicitation of a proxy, consent, or authorization with respect to a security issued by a Fund be in compliance with Regulation 14A (17 CFR 240.14a-1 *et seq.*), Schedule 14A (17 CFR 240.14a-101), and all other rules and regulations adopted pursuant to section 14(a) of the Securities Exchange Act of 1934 ("1934 Act") (15 U.S.C. 78n(a)). It also requires, in certain circumstances, a Fund's investment adviser or a prospective adviser, and certain affiliates of the adviser or prospective adviser, to transmit to the person making the solicitation the information necessary to enable that person to comply with the rules and regulations applicable to the solicitation. In addition, rule 20a-1 instructs Funds that have made a public offering of securities and that hold security holder votes for which proxies, consents, or authorizations are not being solicited, to refer to section 14(c) of the 1934 Act (15 U.S.C. 78n(c)) and the information statement requirements set forth in the rules thereunder.

The types of proposals voted upon by Fund shareholders include not only the typical matters considered in proxy solicitations made by operating companies, such as the election of directors, but also include issues that are unique to Funds, such as the approval of an investment advisory contract and the approval of changes in fundamental investment policies of the Fund. Through rule 20a-1, any person making a solicitation with respect to a security issued by a Fund must, similar to operating company solicitations, comply with the rules and regulations adopted pursuant to Section 14(a) of the 1934 Act. Some of those Section 14(a) rules and regulations, however, include provisions specifically related to Funds, including certain particularized disclosure requirements set forth in Item 22 of Schedule 14A under the 1934 Act.

Rule 20a-1 is intended to ensure that investors in Fund securities are provided with appropriate information upon which to base informed decisions regarding the actions for which Funds solicit proxies. Without rule 20a-1, Fund issuers would not be required to comply with the rules and regulations adopted under Section 14(a) of the 1934 Act, which are applicable to non-Fund issuers, including the provisions relating to the form of proxy and disclosure in proxy statements.

The staff currently estimates that approximately 1,108 proxy statements are filed by Funds annually. Based on staff estimations and information from the industry, the staff estimates that the average annual burden associated with the preparation and submission of proxy statements is 85 hours per response, for a total annual burden of 94,180 hours (1,108 responses × 85 hours per response = 94,180). In addition, the staff estimates the costs for purchased services, such as outside legal counsel, proxy statement mailing, and proxy tabulation services, to be \$30,000 per proxy solicitation.

Written comments are invited on: (a) Whether the proposed collection of information is necessary for the proper performance of the functions of the agency, including whether the information will have practical utility; (b) the accuracy of the agency's estimate of the burden of the collection of information; (c) ways to enhance the quality, utility, and clarity of the information collected; and (d) ways to minimize the burden of the collection of information on respondents, including through the use of automated collection techniques or other forms of information technology. Consideration will be given to comments and suggestions submitted

in writing within 60 days of this publication.

Please direct your written comments to Thomas Bayer, Chief Information Officer, Securities and Exchange Commission, c/o Remi Pavlik-Simon, 6432 General Green Way, Alexandria, VA 22312; or send an email to: PRA_Mailbox@sec.gov.

SECURITIES AND EXCHANGE COMMISSION

Proposed Collection; Comment Request

From: Securities and Exchange Commission, Office of Investor Education and Advocacy, Washington, DC 20549-0213.

Extension:

Rule 302; SEC File No. 270-453, OMB Control No. 3235-0510.

Notice is hereby given that, pursuant to the Paperwork Reduction Act of 1995 ("PRA") (44 U.S.C. 3501 *et seq.*), the Securities and Exchange Commission ("Commission") is soliciting comments on the existing collection of information provided for in Rule 302 (17 CFR 242.302) of Regulation ATS (17 CFR 242.300 *et seq.*) under the Securities and Exchange Act of 1934 ("Act") (15 U.S.C. 78a *et seq.*). The Commission plans to submit this existing collection of information to the Office of Management and Budget ("OMB") for extension and approval.

Regulation ATS sets forth a regulatory regime for "alternative trading systems" ("ATSs"), which are entities that carry out exchange functions but which are not required to register as national securities exchanges under the Act. In lieu of exchange registration, an ATS can instead opt to register with the Commission as a broker-dealer and, as a condition to not having to register as an exchange, must instead comply with Regulation ATS. Rule 302 of Regulation ATS (17 CFR 242.302) describes the recordkeeping requirements for ATSs. Under Rule 302, ATSs are required to make a record of subscribers to the ATS, daily summaries of trading in the ATS, and time-sequenced records of order information in the ATS.

The information required to be collected under Rule 302 should increase the abilities of the Commission, state securities regulatory authorities,

and the self-regulatory organizations to ensure that ATSs are in compliance with Regulation ATS as well as other applicable rules and regulations. If the information is not collected or collected less frequently, the regulators would be limited in their ability to comply with their statutory obligations, provide for the protection of investors, and promote the maintenance of fair and orderly markets.

Respondents consist of ATSs that choose to register as broker-dealers and comply with the requirements of Regulation ATS. There are currently 92 respondents. These respondents will spend approximately 11,960 hours per year (92 respondents at 130 burden hours/respondent) to comply with the recordkeeping requirements of Rule 302. At an average cost per burden hour of \$63, the resultant total related cost of compliance for these respondents is \$753,480 per year (11,960 burden hours multiplied by \$63/hour).

Written comments are invited on (a) Whether the proposed collection of information is necessary for the proper performance of the functions of the Commission, including whether the information shall have practical utility; (b) the accuracy of the Commission's estimates of the burden of the proposed collection of information; (c) ways to enhance the quality, utility, and clarity of the information collected; and (d) ways to minimize the burden of the collection of information on respondents, including through the use of automated collection techniques or other forms of information technology. Consideration will be given to comments and suggestions submitted in writing within 60 days of this publication.

An agency may not conduct or sponsor, and a person is not required to respond to, a collection of information under the PRA unless it displays a currently valid OMB control number.

Please direct your written comments to: Thomas Bayer, Director/Chief Information Officer, Securities and Exchange Commission, c/o Remi Pavlik-Simon, 6432 General Green Way, Alexandria, VA 22312 or send an email to: PRA_Mailbox@sec.gov.
