II. Backfitting and Issue Finality

Issuance of this final regulatory guide does not constitute backfitting as defined in 10 CFR 50.109 (the Backfit Rule) and is not otherwise inconsistent with the issue finality provisions in 10 CFR part 52. The changes in Revision 2 of RG 1.57 are limited to editorial changes to improve clarity and the correction of a title. These changes do not fall within the kinds of agency actions that constitute backfitting or are subject to limitations in the issue finality provisions of part 52. Accordingly, the NRC did not address the Backfit Rule or issue finality provisions of part 52.

III. Congressional Review Act

This regulatory guide is a rule as designated in the Congressional Review Act (5 U.S.C. 801–808). However, the Office of Management and Budget has not found it to be a major rule as designated in the Congressional Review Act.

IV. Submitting Suggestions for Improvement of Regulatory Guides

Revision 2 of RG 1.57 is being issued without public comment. However, you may at any time submit suggestions to the NRC for improvement of existing regulatory guides or for the development of new regulatory guides to address new issues. Suggestions can be submitted by the form available online at <http://www.nrc.gov/reading-rm/doc-collections/reg-guides/contactus.html>. Suggestions will be considered in future updates and enhancements of the regulatory guide.

BILLING CODE 3210-01-P

SECURITIES AND EXCHANGE COMMISSION

Proposed Collection; Comment Request

Upon Written Request, Copies Available

From: Securities and Exchange Commission, Office of Investor Education and Advocacy, Washington, DC 20549-0213.

Extension:

Rule 303; SEC File No. 270-450, OMB Control No. 3235-0505.

Notice is hereby given that, pursuant to the Paperwork Reduction Act of 1995 ("PRA") (44 U.S.C. 3501 *et seq.*), the Securities and Exchange Commission ("Commission") is soliciting comments

on the existing collection of information provided for in Rule 303 (17 CFR 242.303) of Regulation ATS (17 CFR 242.300 *et seq.*) under the Securities and Exchange Act of 1934 ("Act") (15 U.S.C. 78a *et seq.*). The Commission plans to submit this existing collection of information to the Office of Management and Budget ("OMB") for extension and approval.

Regulation ATS sets forth a regulatory regime for "alternative trading systems" ("ATSs"), which are entities that carry out exchange functions but which are not required to register as national securities exchanges under the Act. In lieu of exchange registration, an ATS can instead opt to register with the Commission as a broker-dealer and, as a condition to not having to register as an exchange, must instead comply with Regulation ATS. Rule 303 of Regulation ATS (17 CFR 242.303) describes the record preservation requirements for ATSs. Rule 303 also describes how such records must be maintained, what entities may perform this function, and how long records must be preserved.

Under Rule 303, ATSs are required to preserve all records made pursuant to Rule 302, which includes information relating to subscribers, trading summaries, and time-sequenced order information. Rule 303 also requires ATSs to preserve any notices provided to subscribers, including, but not limited to, notices regarding the ATSs operations and subscriber access. For an ATS subject to the fair access requirements described in Rule 301(b)(5)(ii) of Regulation ATS, Rule 303 further requires the ATS to preserve at least one copy of its standards for access to trading, all documents relevant to the ATS's decision to grant, deny, or limit access to any person, and all other documents made or received by the ATS in the course of complying with Rule 301(b)(5) of Regulation ATS. For an ATS subject to the capacity, integrity, and security requirements for automated systems under Rule 301(b)(6) of Regulation ATS, Rule 303 requires an ATS to preserve all documents made or received by the ATS related to its compliance, including all correspondence, memoranda, papers, books, notices, accounts, reports, test scripts, test results, and other similar records. As provided in Rule 303(a)(1), ATSs are required to keep all of these records, as applicable, for a period of at least three years, the first two in an easily accessible place. In addition, Rule 303 requires ATSs to preserve records of partnership articles, articles of incorporation or charter, minute books, stock certificate books, copies of reports filed pursuant to Rule 301(b)(2), and

records made pursuant to Rule 301(b)(5) for the life of the ATS.

The information contained in the records required to be preserved by Rule 303 will be used by examiners and other representatives of the Commission, state securities regulatory authorities, and the self-regulatory organizations to ensure that ATSs are in compliance with Regulation ATS as well as other applicable rules and regulations. Without the data required by the Rule, regulators would be limited in their ability to comply with their statutory obligations, provide for the protection of investors, and promote the maintenance of fair and orderly markets.

Respondents consist of ATSs that choose to register as broker-dealers and comply with the requirements of Regulation ATS. There are currently 92 respondents. To comply with the record preservation requirements of Rule 303, these respondents will spend approximately 1,380 hours per year (92 respondents at 15 burden hours/respondent). At an average cost per burden hour of \$104.20, the resultant total related cost of compliance for these respondents is \$143,796 per year (1,380 burden hours multiplied by \$104.20/hour).

Written comments are invited on (a) Whether the proposed collection of information is necessary for the proper performance of the functions of the Commission, including whether the information shall have practical utility; (b) the accuracy of the Commission's estimates of the burden of the proposed collection of information; (c) ways to enhance the quality, utility, and clarity of the information collected; and (d) ways to minimize the burden of the collection of information on respondents, including through the use of automated collection techniques or other forms of information technology. Consideration will be given to comments and suggestions submitted in writing within 60 days of this publication.

An agency may not conduct or sponsor, and a person is not required to respond to, a collection of information under the PRA unless it displays a currently valid OMB control number.

Please direct your written comments to: Thomas Bayer, Director/Chief Information Officer, Securities and Exchange Commission, c/o Remi Pavlik-Simon, 6432 General Green Way, Alexandria, VA 22312 or send an email to: PRA_Mailbox@sec.gov.
