Abstract: Public Law 105–203 (National Underground Railroad Network to Freedom Act of 1998) authorizes the Secretary of the Interior to establish the Network to Freedom (Network). The Network is a collection of sites, facilities, and programs, both governmental and nongovernmental, around the United States. All entities must have a verifiable association with the historic Underground Railroad movement. The National Park Service administers the National Underground Railroad Network to Freedom Program. The program coordinates preservation and education efforts Nationwide and integrates local historical places, museums, and interpretive programs associated with the Underground Railroad into a mosaic of community, regional, and national stories.

Individuals; businesses; organizations; State, tribal and local governments; and Federal agencies that want to join the Network must complete an application form. The application and instructions are available on our Web site at <http://www.nps.gov/subjects/ugrr/index.htm>. Respondents must (1) verify associations and characteristics through descriptive texts that are the result of historical research and (2) submit supporting documentation; e.g., copies of rare documents, photographs, and maps. Much of the information is submitted in electronic format, but, at the present time, there is no automated way to gather all of the required information. We use the information collected to determine eligibility to become part of the Network.

In reviewing this IC for renewal, we discovered an information collection requirement not previously approved by OMB. One of the principal components of the Network to Freedom Program is to validate the efforts of local and regional organizations, and to make it easier for them to share expertise and communicate with us and each other. The vehicle through which this can happen is for these local entities to become Network Partners. Partners of the Network to Freedom Program work alongside and often in cooperation with

us to fulfill the program’s mission. Prospective partners must submit a letter with the following information:

- Name and address of the agency, company or organization;
- Name, address, and phone, fax, and email information of principal contact;
- Abstract not to exceed 200 words describing the partner’s activity or mission statement; and
- Brief description of the entity’s association to the Underground Railroad.

Comments: On November 16, 2012, we published in the **Federal Register** (77 FR 68817) a notice of our intent to request that OMB renew approval for this information collection. In that notice, we solicited comments for 60 days, ending on January 15, 2013. We did not receive any comments in response to that notice.

We again invite comments concerning this information collection on:

- Whether or not the collection of information is necessary, including whether or not the information will have practical utility;
- The accuracy of our estimate of the burden for this collection of information;
- Ways to enhance the quality, utility, and clarity of the information to be collected; and
- Ways to minimize the burden of the collection of information on respondents.

Comments that you submit in response to this notice are a matter of public record. Before including your address, phone number, email address, or other personal identifying information in your comment, you should be aware that your entire comment, including your personal identifying information, may be made publicly available at any time. While you can ask OMB in your comment to withhold your personal identifying information from public review, we cannot guarantee that it will be done.

Dated: May 15, 2013.

Information Collection Clearance Officer,
National Park Service.

INTERNATIONAL TRADE COMMISSION

[Investigation No. 337–TA–858]

Certain Devices With Secure Communication Capabilities, Components Thereof, and Products Containing Same; Commission Determination Not To Review an Initial Determination Denying Respondent’s Motion for Sanctions and Granting Complainants’ Motion To Terminate the Investigation in its Entirety; Termination of Investigation

AGENCY: U.S. International Trade Commission.

ACTION: Notice.

SUMMARY: Notice is hereby given that the U.S. International Trade Commission has determined not to review an initial determination (“ID”) (Order No. 20) of the presiding administrative law judge (“ALJ”) denying respondent’s motion for sanctions and granting complainants’ motion to terminate the above-referenced investigation in its entirety. The investigation is terminated in its entirety.

FOR FURTHER INFORMATION CONTACT: Jia Chen, Office of the General Counsel, U.S. International Trade Commission, 500 E Street SW., Washington, DC 20436, telephone (202) 708–4737. Copies of non-confidential documents filed in connection with this investigation are or will be available for inspection during official business hours (8:45 a.m. to 5:15 p.m.) in the Office of the Secretary, U.S. International Trade Commission, 500 E Street SW., Washington, DC 20436, telephone (202) 205–2000. General information concerning the Commission may also be obtained by accessing its Internet server at <http://www.usitc.gov>. The public record for this investigation may be viewed on the Commission’s electronic docket (EDIS) at <http://edis.usitc.gov>. Hearing-impaired persons are advised that information on this matter can be obtained by contacting the Commission’s TDD terminal on (202) 205–1810.

SUPPLEMENTARY INFORMATION: The Commission instituted this investigation

on October 22, 2012, based on a complaint filed by VirnetX, Inc. (“VirnetX”) of Zephyr Cove, Nevada and Science Applications International Corporation (“SAIC”) of Mclean, Virginia (collectively, “Complainants”). 77 FR 64,546 (Oct. 22, 2012). The complaint alleges violations of section 337 of the Tariff Act of 1930, as amended, 19 U.S.C. 1337, by reason of infringement of certain claims of U.S. Patent No. 8,051,181 (“the ‘181 patent”). The complaint further alleges the existence of a domestic industry. The notice of investigation named Apple Inc. (“Apple”) of Cupertino, California as the sole respondent.

On March 4, 2013, Complainants filed a motion seeking to terminate the investigation in its entirety based upon withdrawal of the complaint so that Complainants may focus on their district court litigation. Apple opposed the motion in part on March 14, 2013. On March 26, 2013, Apple filed a related motion seeking sanctions against complainants. On April 15, 2013, Apple withdrew its sanctions motion with respect to SAIC.

On January 22, 2013, the ALJ issued the subject ID denying Apple’s motion for sanctions and granting Complainants’ motion to terminate the investigation in its entirety. The ALJ found that no extraordinary circumstances prevent Complainants’ withdrawal of the complaint and that termination would be in the public interest. No petitions for review were filed.

The Commission has determined not to review the subject ID.

The authority for the Commission’s determination is contained in Section 337 of the Tariff Act of 1930, as amended (19 U.S.C. 1337), and in sections 210.4 and 210.42 of the Commission’s Rules of Practice and Procedure (19 CFR 210.4 & 210.42).

By order of the Commission.

Issued: May 15, 2013.

Lisa R. Barton,

Acting Secretary to the Commission.
