and Nonprocurement Programs, DOJ and ED have determined that matching against the DOJ database is more efficient and effective than matching against the GSA List. The DOJ database has specific information about the title IV, HEA programs for which individuals are ineligible, as well as the expiration of the debarment period, making the DOJ database more complete than the GSA List. Both of these elements are essential for a successful match.

4. Categories of Records and Individuals Covered by the Match

ED will submit, for verification, records from its Central Processing System files (Federal Student Aid Application File (18–11–01)), the Social Security number (SSN), and other identifying information for each applicant for title IV, HEA student financial assistance. ED will use the SSN, date of birth, and the first two letters of an applicant’s last name for the match.

The DOJ DEBARS system contains the names, SSNs, dates of birth, and other identifying information regarding individuals convicted of Federal or State offenses involving drug trafficking or possession of a controlled substance who have been denied Federal benefits by Federal or State courts. This system of records also contains information concerning the specific program or programs for which benefits have been denied, as well as the duration of the period of ineligibility. DOJ will make available for the matching program the records of only those individuals who have been denied Federal benefits under one or more of the title IV, HEA programs.

5. Effective Dates of the Matching Program

The matching program will be effective on the latest of the following three dates: (A) June 20, 2013; (B) thirty (30) days after notice of the matching program has been published in the Federal Register; or (C) forty (40) days after a report concerning the matching program has been transmitted to OMB and transmitted to the Congress along with a copy of this agreement, unless OMB waives 10 days of this 40-day period for compelling reasons, in which case, 30 days after transmission of the report to OMB and Congress.

The matching program will continue for 18 months after the effective date of the CMA and may be extended for an additional 12 months thereafter, if the conditions specified in 5 U.S.C. 552a(o)(2)(D) have been met.

6. Address for Receipt of Public Comments or Inquiries

Individuals wishing to comment on this matching program or obtain additional information about the program, including requesting a copy of the computer matching agreement between ED and DOJ, may contact Franka Dennis, Management and Program Analyst, U.S. Department of Education, Federal Student Aid, Union Center Plaza, 830 First Street NE., Washington, DC 20202–5454.
