OFFICE OF PERSONNEL MANAGEMENT

5 CFR Part 532 RIN 3206-AM75

Prevailing Rate Systems; Redefinition of the Minneapolis-St. Paul, MN, and Southwestern Wisconsin Appropriated Fund Federal Wage System Wage Areas

AGENCY: U.S. Office of Personnel Management. ACTION: Final rule.

SUMMARY: The U.S. Office of Personnel Management is issuing a final rule to redefine the geographic boundaries of the Minneapolis-St. Paul, MN, and Southwestern Wisconsin appropriated fund Federal Wage System (FWS) wage areas. The final rule redefines Wabasha County, MN, from the Southwestern Wisconsin wage area to the Minneapolis-St. Paul wage area. This change is based on a recent consensus

recommendation of the Federal Prevailing Rate Advisory Committee to best match Wabasha County to a nearby FWS survey area.

DATES: This regulation is effective on May 21, 2013.

FOR FURTHER INFORMATION CONTACT: Madeline Gonzalez, by telephone at (202) 606-2838, or by email at pay-leave-policy@opm.gov.

SUPPLEMENTARY INFORMATION: On December 21, 2012, the U.S. Office of Personnel Management (OPM) issued a proposed rule (77 FR 75589) to redefine the geographic boundaries of the Minneapolis-St. Paul, MN, and Southwestern Wisconsin appropriated fund Federal Wage System (FWS) wage areas. The final rule redefines Wabasha County, MN, from the Southwestern Wisconsin wage area to the Minneapolis-St. Paul wage area. The Federal Prevailing Rate Advisory Committee (FPRAC), the national labor-management committee responsible for advising OPM on matters concerning the pay of FWS employees, recommended this change by consensus. FPRAC recommended no other changes in the geographic definitions of the Minneapolis-St. Paul and Southwestern Wisconsin wage areas. This change would be effective on the first day of the first applicable pay period beginning on or after 30 days following publication of the final regulations. The proposed rule had a 30-day comment period, during which OPM received no comments.

Regulatory Flexibility Act

I certify that these regulations will not have a significant economic impact on a substantial number of small entities because they will affect only Federal agencies and employees.

**Modification and Revocation of Air Traffic Service Routes; Jackson, MS**

**AGENCY:** Federal Aviation Administration (FAA), DOT.

**ACTION:** Final rule.

**SUMMARY:** This action modifies two jet routes and seven VOR Federal airways; and removes two VOR Federal airways in the vicinity of Jackson, MS. The FAA is taking this action due to the scheduled decommissioning of the Jackson, MS, VORTAC, and the commissioning of the Magnolia, MS, VORTAC.

**DATES:** Effective date 0901 UTC, August 22, 2013. The Director of the **Federal Register** approves this incorporation by reference action under 1 CFR part 51, subject to the annual revision of FAA Order 7400.9 and publication of conforming amendments.

**FOR FURTHER INFORMATION CONTACT:** Paul Gallant, Airspace, Policy and ATC Procedures Group, Office of Airspace Services, Federal Aviation Administration, 800 Independence Avenue SW., Washington, DC 20591; telephone: (202) 267-8783.

**SUPPLEMENTARY INFORMATION:**

**History**

The FAA published in the **Federal Register** a notice of proposed rulemaking (NPRM) to amend two jet routes and seven VOR Federal airways; and cancel two VOR Federal airways in the vicinity of Jackson, MS (78 FR 10560, February 14, 2013). Interested parties were invited to participate in this rulemaking effort by submitting written comments on the proposal. One comment was received and the commenter expressed support for the proposal.

**The Rule**

This action amends Title 14, Code of Federal Regulations (14 CFR) part 71 by modifying two jet routes and seven VOR Federal airways; and cancelling two VOR Federal airways in the vicinity of Jackson, MS. Specifically, this action makes the following changes to the routes:

Jet Route J-4 is amended by removing “Jackson, MS” from the description and inserting “Magnolia, MS” in its place.

Jet Route J-20 is amended by removing “Jackson, MS” from the description and inserting “Magnolia, MS” in its place. Also, the J-20 description in FAA Order 7400.9 contains an editorial error whereby “Montgomery, AL” is listed before “Meridian, MS” instead of following it. This action corrects the description by moving “Montgomery, AL” to follow “Meridian, MS” to match its proper geographic position along the route. It should be noted that this editorial error appears only in the route description in FAA Order 7400.9. J-20 is correct in the NAS database and on IFR Enroute High Altitude chart H-6.

VOR Federal Airways V-9 and V-11 are amended by removing “Jackson, MS” and inserting “Magnolia, MS” and by inserting radial intersections using the new Magnolia VORTAC.

VOR Federal Airway V-18 is amended by removing “Jackson, MS” and inserting “Magnolia, MS” in its place and by correcting the spelling of “Talladega” in the route description listed in FAA Order 7400.9.

VOR Federal Airway V-74 is amended so that the last route segment proceeds from the Greenville, MS, VOR/DME direct to the new Magnolia VORTAC instead of the Jackson VORTAC.

VOR Federal Airway V-245 is amended by removing “Jackson, MS” and substituting “Magnolia, MS,” in the description.

Currently, V-417 extends from Monroe, LA, to Charleston, SC. This action cancels the portion of V-417 that lies between Monroe, LA, and Meridian, MS. Between those two points, V-417 serves as an alternate airway to V-18. However, V-18 provides direct, more efficient routing between Monroe and Meridian, while V-417 includes two doglegs to the south of V-18, resulting in additional flying miles between Monroe and Meridian. The V-417 segments between Monroe and Meridian have been deemed obsolete and of little value to the National Airspace System (NAS), therefore, V-417 is amended to begin at Meridian and then proceed along the currently published route to Charleston.
