SECURITIES AND EXCHANGE COMMISSION

Submission for OMB Review; Comment Request

Upon Written Request, Copies Available

Extension:
Rule 19d–1, SEC File No. 270–242, OMB Control No. 3235–0206.

Notice is hereby given that pursuant to the Paperwork Reduction Act of 1995 (44 U.S.C. 3501 et seq.) (“PRA”), the Securities and Exchange Commission (“Commission”) has submitted to the Office of Management and Budget (“OMB”) a request for approval of extension of the previously approved collection of information provided for in Rule 19d–1 (17 CFR 240.19d–1) under the Securities Exchange Act of 1934 (17 U.S.C. 78a et seq.) (“Exchange Act”). Rule 19d–1 prescribes the form and content of notices to be filed with the Commission by self-regulatory organizations (“SROs”) for which the Commission is the appropriate regulatory agency concerning the following final SRO actions: (1) Disciplinary actions with respect to any person; (2) denial, bar, prohibition, or limitation of membership, participation or association with a member or of access to services offered by an SRO or member thereof; (3) summarily suspending a member, participant, or person associated with a member, or summarily limiting or prohibiting any persons with respect to access to or services offered by the SRO or a member thereof; and (4) delisting a security.

The Rule enables the Commission to obtain reports from the SROs containing information regarding SRO determinations to delist a security, discipline members or associated persons of members, deny membership or participation or association with a member, and similar adjudicated findings. The Rule requires that such actions be promptly reported to the Commission. The Rule also requires that the reports and notices supply sufficient information regarding the background, factual basis and issues involved in the proceeding to enable the Commission: (1) To determine whether the matter should be called up for review on the Commission’s own motion; and (2) to ascertain generally whether the SRO has adequately carried out its responsibilities under the Exchange Act.

It is estimated that approximately eighteen respondents will utilize this application procedure annually, with a total burden of approximately 2,250 hours, based upon past submissions. This figure is based on eighteen respondents, spending approximately 125 hours each per year. It is estimated that each respondent will submit approximately 250 responses. Commission staff estimates that the average number of hours necessary to comply with the requirements of Rule 19d–1 for each submission is 0.5 hours. The average cost per hour, per each submission is approximately $101. Therefore, it is estimated that the internal labor cost of compliance for all respondents is approximately $227,250. (18 respondents × 250 responses per respondent × 0.5 hours per response × $101 per hour).

The filing of notices pursuant to Rule 19d–1 is mandatory for the SROs, but does not involve the collection of confidential information. Rule 19d–1 does not have a record retention requirement.

An agency may not conduct or sponsor, and a person is not required to respond to, a collection of information unless it displays a currently valid OMB control number. The public may view background documentation for this information collection at the following Web site, www.reginfo.gov. Comments should be directed to: (i) Desk Officer for the Securities and Exchange Commission, Office of Information and Regulatory Affairs, Office of Management and Budget, Room 10102, New Executive Office Building, Washington, DC 20503 or by sending an email to Shagufa_Ahmed@omb.eop.gov and (ii) Thomas Bayer, Director/Chief Information Officer, Securities and Exchange Commission, c/o Remi Pavlik-Simon, 6432 General Green Way, Alexandria VA 22312 or by sending an email to: PRA_Mailbox@sec.gov. Comments must be submitted to OMB within 30 days of this notice.

Dated: May 16, 2013.

Kevin M. O’Neill,
Deputy Secretary.
