

housing who maintain pets to pay a pet deposit. As discussed in the preamble, owners of covered multifamily rental housing were subject to different rules concerning pet deposits than rules that applied to other HUD-assisted rental housing. This proposed rule would provide owners of such covered multifamily rental housing with the discretion to determine whether to gradually accumulate a pet deposit, thereby bringing consistency to the pet deposit requirements for HUD rental housing programs and better enabling owners to handle the costs associated with pet ownership by tenants. Accordingly, the undersigned certifies that this rule will not have a significant economic impact on a substantial number of small entities.

Notwithstanding HUD's determination that this rule will not have a significant economic impact on a substantial number of small entities, HUD specifically invites comments regarding less burdensome alternatives to this rule that will meet HUD's objectives as described in this preamble.

Environmental Impact

This proposed rule does not direct, provide for assistance or loan and mortgage insurance for, or otherwise govern or regulate, real property acquisition, disposition, leasing, rehabilitation, alteration, demolition, or new construction, or establish, revise, or provide for standards for construction or construction materials, manufactured housing, or occupancy. Accordingly, under 24 CFR 50.19(c)(1), this rule is categorically excluded from environmental review under the National Environmental Policy Act of 1969 (42 U.S.C. 4321).

Executive Order 13132, Federalism

Executive Order 13132 (entitled "Federalism") prohibits an agency from publishing any rule that has federalism implications if the rule either imposes substantial direct compliance costs on state and local governments and is not required by statute, or preempts state law, unless the agency meets the consultation and funding requirements of section 6 of the Executive Order. This proposed rule would not have federalism implications and would not impose substantial direct compliance costs on state and local governments or preempt state law within the meaning of the Executive Order.

Unfunded Mandates Reform Act

Title II of the Unfunded Mandates Reform Act of 1995 (2 U.S.C. 1531–1538) (UMRA) establishes requirements for Federal agencies to assess the effects

of their regulatory actions on state, local, and tribal governments, and on the private sector. This rule does not impose any Federal mandates on any state, local, or tribal governments, or on the private sector, within the meaning of the UMRA.

Drawbridge Operation Regulation; Hudson River, Troy and Green Island, NY

AGENCY: Coast Guard, DHS.

ACTION: Notice of proposed rulemaking.

SUMMARY: The Coast Guard proposes to modify the operating schedule that governs the highway bridge (Troy Green Island) across the Hudson River, mile 152.7, between Troy and Green Island, New York. The owner of the bridge, New York State Department of Transportation, requested that a twenty four hour advance notice be given for bridge openings. In addition, we are removing the regulations for the 112th Street Bridge, mile 155.4, between Troy and Cohoes which has been converted to a fixed bridge. It is expected that this change to the regulations would provide relief to the bridge owner from crewing the bridge while continuing to meet the reasonable needs of navigation as well as remove obsolete regulations from the Code of Federal Regulations.

DATES: Comments and related material must be received by the Coast Guard on or before July 23, 2013.
