SUPPLEMENTARY INFORMATION:

Background

This proposed rule would amend the WIC regulations to implement provisions related to EBT in the WIC Program included in Public Law 111-296, the Healthy, Hunger-Free Kids Act of 2010 (HHFKA), signed into law on December 13, 2010. The HHFKA amended provisions of the Child Nutrition Act of 1966 (42 U.S.C. 1771 et seq.) (CNA). The EBT provisions of the HHFKA that are included in this proposed rule are: (1) A definition of EBT; (2) a mandate that all WIC State agencies implement EBT systems by October 1, 2020; (3) a requirement for State agencies to submit annual EBT status reports on their progress toward EBT implementation; (4) revisions to current provisions that prohibit imposition of costs on retail vendors; (5) a requirement for the Secretary of Agriculture to establish minimum lane equipment standards; (6) a requirement for the Secretary of Agriculture to establish technical standards and operating rules; and (7) a requirement that State agencies use the National Universal Product Code (NUPC) database. FNS issued policy and guidance to WIC State agencies on the implementation of the legislative requirements addressed in this rulemaking that were effective on October 1, 2010. However, selected areas of the law are discretionary and therefore, FNS is seeking public

comment on several of the requirements contained in this proposed rule. The comment period is extended to provide additional time for interested parties to review and submit comments on the proposed EBT changes until June 29, 2013.

Dated: May 22, 2013.

Jeffrey J. Tribiano,

Acting Administrator, Food and Nutrition Service.
