3. *Beneficiary Recontact Form—20 CFR 404.703, 404.705—0960-0502.* SSA investigates recipients of disability payments to determine their continuing eligibility for payments. Research indicates recipients may fail to report circumstances that affect their

eligibility. Two such cases are: (1) When parents receiving disability benefits for their child marry; and (2) the removal of an entitled child from parents' care. SSA uses Form SSA-1588-OCR-SM to ask mothers or fathers about their marital status and children currently in

their care to detect overpayments and avoid continuing payment to those no longer entitled. Respondents are recipients of mothers' or fathers' Social Security benefits.

Type of Request: Revision of an OMB-approved information collection.
