Certain New Pneumatic Off-the-Road Tires From the People’s Republic of China: Rescission of Antidumping Duty Administrative Review; 2011–2012

AGENCY: Import Administration, International Trade Administration, Department of Commerce

DATES: *Effective Date:* June 3, 2013

FOR FURTHER INFORMATION CONTACT: Brooke Kennedy, AD/CVD Operations, Import Administration, International Trade Administration, U.S. Department of Commerce, 14th Street and Constitution Avenue NW., Washington, DC 20230; telephone: (202) 482-3818.

SUPPLEMENTARY INFORMATION:

Background

On September 4, 2012, the Department of Commerce (“the

Department”) published in the **Federal Register** a notice of “Opportunity to Request Administrative Review” of the antidumping duty order on certain new pneumatic off-the-road tires from the People’s Republic of China (“PRC”) for the period of review (“POR”) September 1, 2011, through August 31, 2012.¹

On September 28, 2012, and October 1, 2012, in accordance with section 751(a) of the Tariff Act of 1930, as amended (“the Act”), and 19 CFR 351.213(b), the Department received a timely request from Shandong Ling Long Tyre Co., Ltd. (“Linglong”) and Hangzhou Zhongce Rubber Co., Ltd. (“Zhongce”), respectively, to conduct an administrative review of the antidumping duty order with regard to its exports to the United States during the POR.

On October 31, 2012, the Department published in the **Federal Register** a notice of initiation of an administrative review of the antidumping duty order on certain new pneumatic off-the-road tires, with respect to the above-named companies.²

On December 10, 2012, Zhongce timely withdrew its request for a review and, on January 29, 2013, Linglong timely withdrew its request for a review.

Rescission

Pursuant to 19 CFR 351.213(d)(1), the Department will rescind an administrative review, in whole or in part, if the parties that requested a review withdraw the request within 90 days of the date of publication of notice of initiation of the requested review. Linglong and Zhongce withdrew their requests for review before the 90-day deadline, and no other party requested an administrative review of the antidumping duty order on new pneumatic off-the-road tires from the PRC for the POR. Therefore, in response to Linglong’s and Zhongce’s withdrawal of requests for review and pursuant to 19 CFR 351.213(d)(1), we are fully rescinding this review.

Assessment

The Department will instruct U.S. Customs and Border Protection (“CBP”) to assess antidumping duties on all appropriate entries. Antidumping duties shall be assessed at rates equal to the cash deposit of estimated antidumping duties required at the time of entry, or

withdrawal from warehouse, for consumption, in accordance with 19 CFR 351.212(c)(1)(i). The Department intends to issue appropriate assessment instructions directly to CBP 15 days after the date of publication of this notice in the **Federal Register**.

Notification to Importers

This notice serves as the only reminder to importers of their responsibility, under 19 CFR 351.402(f)(2), to file a certificate regarding the reimbursement of antidumping duties prior to liquidation of the relevant entries during this review period. Failure to comply with this requirement could result in the Secretary’s presumption that reimbursement of antidumping duties occurred and the subsequent assessment of double antidumping duties.

Notification Regarding Administrative Protective Order

This notice serves as the only reminder to parties subject to administrative protective order (“APO”) of their responsibility concerning the disposition of proprietary information disclosed under APO in accordance with 19 CFR 351.305(a)(3). Timely written notification of return/destruction of APO materials or conversion to judicial protective order is hereby requested. Failure to comply with the regulations and the terms of an APO is a sanctionable violation.

This notice is published in accordance with section 751 of the Act and 19 CFR 351.213(d)(4).

Hardwood and Decorative Plywood From the People’s Republic of China: Antidumping Duty Investigation; Correction and Postponement of Final Determination

AGENCY: Import Administration, International Trade Administration, Department of Commerce.

DATES: *Effective Date:* June 3, 2013

FOR FURTHER INFORMATION CONTACT: Catherine Bertrand or Katie Marksberry at (202) 482-3207 or (202) 482-7906, respectively, AD/CVD Operations,

Office 9, Import Administration, International Trade Administration, U.S. Department of Commerce, 14th Street and Constitution Avenue NW., Washington, DC 20230.

Background: The Department of Commerce (“the Department”) published a notice in the **Federal Register** on May 3, 2013, concerning the preliminary determination in the antidumping duty investigation of hardwood and decorative plywood from the People’s Republic of China.¹

**SUPPLEMENTARY INFORMATION:
Correction of Federal Register Notice**

The *Preliminary Determination* listed the combination rates for the respondents which were found to be eligible for a separate rate in this investigation. The Department inadvertently failed to list one supplier for Jiaxing Gsun Imp. & Exp. Co., Ltd. which should have received a separate rate.² The combination rate which should have been included in the

Preliminary Determination is listed below. This combination is in addition to the rates which were published in the *Preliminary Determination* and does not replace any previously published combination rates. Additionally, the Department will issue instructions to Customs and Border Protection correcting the suspension of liquidation instructions that were issued pursuant to the publication of the *Preliminary Determination* to include the below combination rate.

Exporter	Producer	Percent margin
Jiaxing Gsun Imp. & Exp. Co., Ltd	Linyi Qunxiang Wood Co., Ltd	22.14

Postponement of the Final Determination

The *Preliminary Determination* stated that the Department would issue its final determination no later than 75 days after the date of publication of the *Preliminary Determination*, in accordance with section 773(a)(1) of the Tariff Act of 1930, as amended (“the Act”). The final determination is currently due no later than July 17, 2013.

On April 3, 2013, Xuzhou Jiangyang Wood Industries Co. Ltd, and Xuzhou Jiangheng Wood Products Co. Ltd, and Linyi San Fortune Wood Co. Ltd (collectively, “Respondents”), requested, pursuant to 19 CFR 351.210(b), a postponement of the final determination and an extension of provisional measures.³ In accordance with sections 733(d) and 735 (a)(2)(A) of the Act and 19 CFR 351.210(b)(2)(ii) and (e), because (1) our preliminary determination is affirmative, (2) the requesting exporters account for a significant proportion of exports of the subject merchandise, and (3) no compelling reasons for denial exist, we are granting the requests and are

postponing the final determination until no later than 135 days after the publication of the *Preliminary Determination*. Suspension of liquidation will be extended accordingly.

An extension of 50 days from the current deadline of July 17, 2013, would result in a new deadline of September 5, 2013.

Dated: May 28, 2013.
Ronald K. Lorentzen,
Acting Assistant Secretary for Import Administration.
