**DEPARTMENT OF TRANSPORTATION****Federal Railroad Administration**

[**Docket No. FRA-2013-0002-N-13**]

**Proposed Agency Information Collection Activities; Comment Request**

**AGENCY:** Federal Railroad Administration, DOT.

**ACTION:** Notice and Request for Comments.

**SUMMARY:** In compliance with the Paperwork Reduction Act of 1995, this notice announces that the Information Collection Requirements (ICRs) abstracted below have been forwarded to the Office of Management and Budget (OMB) for review and comment. The ICRs describes the nature of the information collections and their expected burdens. The **Federal Register** notice with a 60-day comment period soliciting comments on the following collections of information was published on March 27, 2013 (78 FR 18672).

**DATES:** Comments must be submitted on or before July 5, 2013.

**FOR FURTHER INFORMATION CONTACT:** Mr. Robert Brogan, Office of Planning and Evaluation Division, RRS-21, Federal Railroad Administration, 1200 New Jersey Ave. SE., Mail Stop 25, Washington, DC 20590 (Telephone: (202) 493-6292), or Ms. Kimberly Toone, Office of Information Technology, RAD-20, Federal Railroad Administration, 1200 New Jersey Ave. SE., Mail Stop 35, Washington, DC 20590 (Telephone: (202) 493-6132). (These telephone numbers are not toll-free.)

**SUPPLEMENTARY INFORMATION:** The Paperwork Reduction Act of 1995 (PRA), Public Law 104-13, § 2, 109 Stat.

163 (1995) (codified as revised at 44 U.S.C. 3501-3520), and its implementing regulations, 5 CFR Part 1320, require Federal agencies to issue two notices seeking public comment on information collection activities before OMB may approve paperwork packages. 44 U.S.C. 3506, 3507; 5 CFR 1320.5, 1320.8(d)(1), 1320.12. On March 27, 2013, FRA published a 60-day notice in the **Federal Register** soliciting comment on ICRs that the agency was seeking OMB approval. See 78 FR 18672. FRA received no comments after issuing this notice. Accordingly, these information collection activities have been re-evaluated and certified under 5 CFR 1320.5(a) and forwarded to OMB for review and approval pursuant to 5 CFR 1320.12(c).

Before OMB decides whether to approve these proposed collections of information, it must provide 30 days for public comment. 44 U.S.C. 3507(b); 5 CFR 1320.12(d). Federal law requires OMB to approve or disapprove paperwork packages between 30 and 60 days after the 30 day notice is published. 44 U.S.C. 3507 (b)-(c); 5 CFR 1320.12(d); see also 60 FR 44978, 44983, Aug. 29, 1995. OMB believes that the 30 day notice informs the regulated community to file relevant comments and affords the agency adequate time to digest public comments before it renders a decision. 60 FR 44983, Aug. 29, 1995. Therefore, respondents should submit their respective comments to OMB within 30 days of publication to best ensure having their full effect. 5 CFR 1320.12(c); see also 60 FR 44983, Aug. 29, 1995.

The summary below describes the nature of the information collection requirements (ICRs) and the expected burden. The revised requirements are being submitted for clearance by OMB as required by the PRA.

*Title:* Filing of Dedicated Cars.

*OMB Control Number:* 2130-0502.

*Type of Request:* Extension without change of a currently approved collection.

*Affected Public:* Railroads.

*Form(s):* N/A.

*Abstract:* Title 49, Part 215 of the Code of Federal Regulations, prescribes certain conditions to be followed for the movement of freight cars that are not in compliance with this Part. Dedicated service means the exclusive assignment of railroad cars to the transportation of freight between specified points under the following conditions: (1) The cars are operated primarily on track that is inside an industrial or other non-railroad installation; and only occasionally over track of a railroad; (2) The cars are not operated at speeds of
