Oil and Gas; Hydraulic Fracturing on Federal and Indian Lands

AGENCY: Bureau of Land Management, Interior.

ACTION: Supplemental notice of proposed rulemaking; extension of comment period.

SUMMARY: On May 11, 2012, the Bureau of Land Management (BLM) published in the **Federal Register** a proposed rule to regulate hydraulic fracturing on Federal and Indian land. Due to the

complexity of the rule and the issues surrounding it, the BLM extended the comment period for 60 days beyond the end of the initial comment period. On May 24, 2013, the BLM published a supplemental notice of proposed rulemaking and request for comment. Key issues in the revised proposed rule include: the use of an expanded set of cement evaluation tools to help ensure that usable water zones have been isolated and protected from contamination and more detailed guidance on how trade secrets claims will be handled. The revised proposed rule would also provide opportunities for the BLM to coordinate standards and processes with individual States and tribes to reduce administrative costs and improve efficiency. This notice extends the public comment period on the revised proposed rule for 60 days beyond the initial comment period.

DATES: The comment period for the proposed rule published May 24, 2013 (78 FR 31636), is extended. Send your comments on this proposed rule to the BLM on or before August 23, 2013. The BLM need not consider, or include in the administrative record for the final rule, comments that the BLM receives after the close of the comment period or comments delivered to an address other than those listed below (see **ADDRESSES**).

Background

The revised proposed rule was published on May 24, 2013 (78 FR 31636), with a 30-day comment period closing on June 24, 2013. Since publication, the BLM has received numerous requests for extension of the comment period on the revised proposed rule. Because of the complexity of the rule and due to the controversial nature of well stimulation procedures, the BLM is hereby extending the comment period on the rule for 60 days. The closing date of the extended comment period is August 23, 2013.

Dated: June 5, 2013.

Tommy P. Beaudreau,

his or her prior comments, memoranda, or other filings (specifying the relevant page and/or paragraph numbers where such data or arguments can be found) in lieu of summarizing them in the memorandum. Documents shown or given to Commission staff during ex parte meetings are deemed to be written ex parte presentations and must be filed consistent with § 1.1206(b). In proceedings governed by § 1.49(f) or for which the Commission has made available a method of electronic filing, written ex parte presentations and memoranda summarizing oral ex parte presentations, and all attachments thereto, must be filed through the electronic comment filing system available for that proceeding, and must be filed in their native format (e.g., .doc, .xml, .ppt, searchable .pdf).
