D. *Funding restrictions.* For Fiscal Year 2013, not more than 5 percent of the funds will be made available to eligible producers with a refining capacity (as determined for the prior fiscal year) exceeding 150,000,000 gallons of a liquid advanced biofuel per year or exceeding 15,900,000 million British Thermal Units of biogas and solid advanced biofuel per year. (In calculating whether a producer meets either of these capacities, production of all advanced biofuel facilities in which the producer has 50 percent or more ownership will be totaled.) The Agency will provide payments to eligible solid advanced biofuels produced from forest biomass of not more than 5 percent of available program funds in Fiscal Year 2013. The remaining funds will be made available to all other producers.

E. *Payment provisions.* Fiscal Year 2013 payments will be made according to the provisions specified in 7 CFR 4288.130 through 4288.137. Amendment to Notice of Funding Availability for the Rural Energy for America Program

AGENCY: Rural Business-Cooperative Service, USDA.

ACTION: Notice.

SUMMARY: The Rural Business-Cooperative Service (Agency) published a notice in the **Federal Register** of March 29, 2013, (78 FR 19183) announcing the acceptance of applications for funds available under the Rural Energy for America Program (REAP) for Fiscal Year 2013. The Consolidated and Further Continuing Appropriations Act, 2013, provides additional funding for REAP. This Notice announces the availability of approximately \$65.2 million in Fiscal Year 2013 budget authority to fund REAP activities, which will support approximately \$31 million in grant program level and approximately \$142.3 million in guaranteed loan program level, which includes approximately \$13 million of discretionary funding. This Notice also extends the application period to June 14, 2013, for both Fiscal Year 2013 applicants and applicants who submitted Fiscal Year 2012 applications and wish to submit written requests to have their Fiscal Year 2012 applications considered for Fiscal Year 2013 funds.

FOR FURTHER INFORMATION CONTACT: For information about this Notice, please contact Lisa Noty, USDA Rural

Development, Energy Division, 255 U.S. Highway 69, Suite 5, Garner, IA 50438. Telephone: (641) 923-3666 extension 109. Email: lisa.noty@wdc.usda.gov.

SUPPLEMENTARY INFORMATION: The Agency is amending the Available Funds paragraph under Award Information section in the Notice of Funding Availability for the Rural Energy for America Program published on March 29, 2013, (78 FR 19183). The Consolidated and Further Continuing Appropriations Act, 2013, has provided additional funding for REAP.

The March 29, 2013, Notice identified up to \$20.8 million available to the REAP program, with up to \$10.4 million in grant program level and up to \$43.4 million in guaranteed loan program level. With the additional funding now available, for Fiscal Year 2013, up to \$65.2 million of budget authority is available to the REAP program, an increase of approximately \$44.4 million. The REAP grant program level increases approximately \$20.6 million, from \$10.4 million to up to \$31 million, with grant program levels for feasibility studies increasing from \$250,000 to up to \$350,000 and for grants of \$20,000 or less increasing from \$4.1 million to up to \$12.4 million. The guaranteed loan program level for Fiscal Year 2013 increases approximately \$99 million, from \$43.4 million to \$142.3 million, which includes approximately \$13 million in discretionary funds.

To reflect these changes in program level funding, the Agency is amending the funding levels and dollars available for grants and guaranteed loans for renewable energy system (RES) and energy efficiency improvement (EEI) projects and for grants for RES feasibility studies.

The Agency is also amending, for a second time, the application deadline for three sets of applications: (1) Renewable energy system (RES) and energy efficiency improvement (EEI) grants, (2) RES and EEI grant and loan combinations and (3) RES feasibility study grants. The Agency extended the original deadline for these applications from April 30, 2013, to May 31, 2013, in a May 8, 2013, Notice (78 FR 26747). The May 8, 2013, Notice, however, inadvertently did not extend the deadline for these same types of applications for Fiscal Year 2012 applicants who wish to be considered for Fiscal Year 2013 funding.

With this Notice, the Agency is extending the application deadline for the aforementioned grants to compete for Fiscal Year 2013 funds to June 14, 2013. This extension applies to both Fiscal Year 2013 applicants and to

Fiscal Year 2012 applicants who wish to submit a written request to have their Fiscal Year 2012 applications considered for Fiscal Year 2013 funds.

The application dates in this Notice supersede those identified in the May 8, 2013, Notice. This Notice makes no other changes to the March 29, 2013, Notice.
