Health Resources and Services Administration

Agency Information Collection Activities; Proposed Collection; Public Comment Request

AGENCY: Health Resources and Services Administration, HHS.

ACTION: Notice.

SUMMARY: In compliance with the requirement for opportunity for public comment on proposed data collection projects (Section 3506(c)(2)(A) of the Paperwork Reduction Act of 1995), the Health Resources and Services Administration (HRSA) announces plans to submit an Information Collection Request (ICR), described below, to the Office of Management and Budget (OMB). Prior to submitting the ICR to OMB, HRSA seeks comments from the public regarding the burden estimate, below, or any other aspect of the ICR.

DATES: Comments on this Information Collection Request must be received within 60 days of this notice.

ADDRESSES: Submit your comments to paperwork@hrsa.gov or mail the HRSA Information Collection Clearance Officer, Room 10-29, Parklawn Building, 5600 Fishers Lane, Rockville, MD 20857.

FOR FURTHER INFORMATION CONTACT: To request more information on the proposed project or to obtain a copy of the data collection plans and draft instruments, email paperwork@hrsa.gov or call the HRSA Information Collection Clearance Officer at (301) 443-1984.

SUPPLEMENTARY INFORMATION: When submitting comments or requesting information, please include the information request collection title for reference.

Information Collection Request Title: Evaluation and Initial Assessment of

HRSA Teaching Health Centers. OMB No. 0915-xxxx—New.

Abstract: Section 5508 of the Affordable Care Act of 2010 amended section 340H of the Public Health Service Act to establish the Teaching Health Center Graduate Medical Education program to support the expansion of new and existing primary care residency training programs in community-based settings. The primary goals of this program are to increase the production of primary care doctors who are well prepared to practice in community settings, particularly with underserved populations, and to improve the overall number and geographic distribution of primary care providers.

To ensure these goals are achieved, the George Washington University (GW) will conduct an evaluation of the training, administrative and organizational structures, clinical service, challenges, innovations, costs associated with training, and outcomes of Teaching Health Centers (THCs). GW has developed a program data collection tool that assesses basic organizational and training characteristics of the programs (including program specialty, numbers trained, training sites, educational partners, and residency program financing), educational initiatives (particularly around training for changing health care delivery systems and community experiences), and health center characteristics (including current workforce and vacancies, clinical service provided by residents, and participation in workforce programs such as the National Health Service Corps).

Questionnaires have also been developed for implementation with all THC matriculating residents, graduating residents, and graduated residents at one year post-graduation. The matriculation questionnaire aims to collect background information on THC residents to better understand the

characteristics of individuals who apply and are accepted to THC programs. The graduation questionnaire collects information on career plans. The alumni questionnaire collects information on career outcomes (including practice in primary care and in underserved settings) following graduation as well as feedback on the quality of training.

Statute requires that THC programs report annually on the types of primary care resident approved training programs that the THCs provided for residents, the number of approved training positions for residents, the number of residents who completed their residency training at the end of the academic year and care for vulnerable populations, and any other information as deemed appropriate by the Secretary. The described data collection activities will serve to meet this statutory requirement for the THC programs in a uniform and consistent manner and will allow comparisons of this group to other trainees in non-THC programs.

Burden Statement: Burden in this context means the time expended by persons to generate, maintain, retain, disclose or provide the information requested. This includes the time needed to review instructions; to develop, acquire, install and utilize technology and systems for the purpose of collecting, validating and verifying information, processing and maintaining information, and disclosing and providing information; to train personnel and to be able to respond to a collection of information; to search data sources; to complete and review the collection of information; and to transmit or otherwise disclose the information. The total annual burden hours estimated for this Information Collection Request are summarized in the table below.

Total Estimated Annualized burden hours:

Form name	Number of respondents	Number of responses per respondent	Total responses	Average burden per response (in hours)	Total burden hours
Program Data Collection Tool	40	1	40	8	320
THC Graduate Survey	200	1	200	0.33	66
THC Matriculant Survey	200	1	200	0.25	50
THC Graduation Survey	200	1	200	0.25	50
Total	640	640	486

Dated: June 6, 2013.

**DEPARTMENT OF HEALTH AND
 HUMAN SERVICES**

**Health Resources and Services
 Administration**

**Agency Information Collection
 Activities; Submission to OMB for
 Review and Approval; Public Comment
 Request**

AGENCY: Health Resources and Services
 Administration, HHS.
ACTION: Notice.

SUMMARY: In compliance with Section
 3507(a)(1)(D) of the Paperwork
 Reduction Act of 1995, the Health
 Resources and Services Administration
 (HRSA) has submitted an Information
 Collection Request (ICR) to the Office of
 Management and Budget (OMB) for
 review and approval. Comments
 submitted during the first public review
 of this ICR will be provided to OMB.
 OMB will accept further comments from
 the public during the review and
 approval period.

DATES: Comments on this ICR should be
 received within 30 days of this notice.

ADDRESSES: Submit your comments,
 including the Information Collection
 Request Title, to the desk officer for
 HRSA, either by email to
OIRA_submission@omb.eop.gov or by
 fax to 202-395-5806.

FOR FURTHER INFORMATION CONTACT: To
 request a copy of the clearance requests
 submitted to OMB for review, email the
 HRSA Information Collection Clearance
 Officer at *paperwork@hrsa.gov* or call
 (301) 443-1984.

SUPPLEMENTARY INFORMATION:
Information Collection Request Title:
 The Health Education Assistance Loan
 (HEAL) Program: Physician's
 Certification of Borrower's Total and
 Permanent Disability Form (OMB No.
 0915-0204)—Extension

Abstract: The Health Education
 Assistance Loan (HEAL) program
 provided federally-insured loans to
 students in schools of allopathic
 medicine, osteopathic medicine,
 dentistry, veterinary medicine,
 optometry, podiatric medicine,
 pharmacy, public health, allied health,
 or chiropractic, and graduate students in
 health administration or clinical
 psychology through September 30,
 1998. Eligible lenders, such as banks,
 savings and loan associations, credit
 unions, pension funds, state agencies,
 HEAL schools, and insurance
 companies made new refinanced HEAL
 loans which are insured by the federal
 government against loss due to
 borrower's death, disability, bankruptcy,
 and default. The basic purpose of the
 program was to assure the availability of
 funds for loans to eligible students who
 needed to borrow money to pay for their
 educational loans. Currently, the
 program monitors the federal liability
 and assists in default prevention
 activities.

The HEAL borrower, the borrower's
 physician, and the holder of the loan
 completes the Physician's Certification
 form to certify that the HEAL borrower

meets the total and permanent disability
 provisions. The Department of Health
 and Human Services uses this form to
 obtain detailed information about
 disability claims which includes the
 following: (1) The borrower's consent to
 release medical records to the
 Department of Health and Human
 Services and to the holder of the
 borrower's HEAL loans, (2) pertinent
 information supplied by the certifying
 physician, (3) the physician's
 certification that the borrower is unable
 to engage in any substantial gainful
 activity because of a medically
 determinable impairment that is
 expected to continue for a long and
 indefinite period of time or to result in
 death, and (4) information from the
 lender on the unpaid balance. Failure to
 submit the required documentation will
 result in disapproval of a disability
 claim. No changes have been made to
 the current form.

Burden Statement: Burden in this
 context means the time expended by
 persons to generate, maintain, retain,
 disclose or provide the information
 requested. This includes the time
 needed to review instructions; to
 develop, acquire, install and utilize
 technology and systems for the purpose
 of collecting, validating and verifying
 information, processing and
 maintaining information, and disclosing
 and providing information; to train
 personnel and to be able to respond to
 a collection of information; to search
 data sources; to complete and review
 the collection of information; and to
 transmit or otherwise disclose the
 information. The total annual burden
 hours estimated for this ICR are
 summarized in the table below.

TOTAL ESTIMATED ANNUALIZED BURDEN—HOURS

Type of respondent	Number of respondents	Number of responses per respondent	Total responses	Average burden per response (in hours)	Total burden hours
Borrower	30	1	30	.08	2
Physician	30	1	30	.5	15
Loan Holder	15	2	30	.17	5
Total	75	90	22

Dated: June 6, 2013.
