[Docket ID ED–2013–OPE–0077]

Negotiated Rulemaking Committee, Negotiator Nominations and Schedule of Committee Meetings—Title IV Federal Student Aid Programs, Gainful Employment in a Recognized Occupation

AGENCY: Office of Postsecondary Education, Department of Education.
ACTION: Intention to establish negotiated rulemaking committee.

SUMMARY: We announce our intention to establish a negotiated rulemaking committee to prepare proposed regulations for the Federal Student Aid programs authorized under title IV of the Higher Education Act of 1965, as amended (HEA) (title IV Federal Student Aid programs). The proposed regulations would establish standards for programs that prepare students for gainful employment in a recognized occupation. This committee will include representatives of organizations or groups with interests that are significantly affected by the subject matter of the proposed regulations. We request nominations for individual negotiators who represent key stakeholder constituencies for the issue to be negotiated to serve on the committee and we set a schedule for committee meetings.

The Department continues to review and appreciate the values and the testimony offered at the public hearings and the comments submitted through the public comment process regarding other proposed rulemaking topics, including: cash management of funds provided under title IV Federal Student Aid programs; regulations designed to prevent fraud; State authorization for programs offered through distance education or correspondence education; State authorization for foreign locations; programs authorized under title IV Federal Student Aid programs establishing standards for programs that prepare students for gainful employment in a recognized occupation; credit hour conversion; and appreciates and values the experience in the relevant subject under § 492(b)(1) of the HEA; the definition of “gainful employment” in a recognized occupation.

We intend to select negotiators for the negotiating committee. On May 13, 2013, we announced in the Federal Register (78 FR 27880) the addition of a fourth hearing. The hearings were held on May 21, 2013, in Washington, DC; May 23, 2013, in Minneapolis, Minnesota; May 30, 2013, in San Francisco, California; and June 4, 2013, in Atlanta, Georgia. We also invited parties unable to attend a public hearing to submit written comments on the additional topics and to submit other topics for consideration. Transcripts from all six public hearings will be found once they are available at http://www2.ed.gov/policy/highered/reg/hearulemaking/2012/index.html.

In particular, we announced our intent to propose regulations to address the use of debit cards and other banking mechanisms for disbursing title IV Federal Student Aid program funds, and to improve and streamline the campus-based Federal Student Aid programs. We also announced two public hearings at which interested parties could comment on the topics suggested by the Department and suggest additional topics for consideration for action by the negotiated rulemaking committee. Those hearings were held on May 23, 2012, in Phoenix, Arizona, and on May 31, 2012, in Washington, DC. We invited parties to comment and submit topics for consideration in writing as well.

On April 16, 2013, we published a notice in the Federal Register (78 FR 2247), as corrected at 78 FR 25235, announcing additional topics for consideration for action by the negotiated rulemaking committee. The additional topics for consideration are: cash management of funds provided under the title IV Federal Student Aid programs; State authorization for programs offered through distance education or correspondence education; State authorization for foreign locations of institutions located in a State; clock credit hour conversion; gainful employment; changes made by the Violence Against Women Reauthorization Act of 2013, Public Law 113–4, to the campus safety and security reporting requirements in the HEA; and the definition of “adverse credit” for borrowers in the Federal Direct PLUS Loan Program. We announced three public hearings at which interested parties could comment on the new topics suggested by the Department and suggest additional topics for consideration for action by the negotiating committee. Regulatory Issues: After consideration of the information received at the regional hearings and the submitted written comments, we have decided to establish, at this time, one negotiating committee to prepare proposed regulations for the title IV Federal Student Aid programs establishing standards for programs that prepare students for gainful employment in a recognized occupation.

We intend to select negotiators for the committee who represent the interests significantly affected by the establishment of standards for programs that prepare students for gainful employment in a recognized occupation. In so doing, we will follow the requirement in section 492(b)(1) of the HEA that the individuals selected must have demonstrated expertise or experience in the relevant subject under negotiation. We will also select...
individual negotiators who reflect the diversity among program participants, in accordance with section 492(b)(1) of the HEA. Our goal is to establish a committee that will allow significantly affected parties to be represented while keeping the committee size manageable.

The committee may create subgroups on particular aspects of this topic that may involve additional individuals who are not members of the committee. Such individuals who are not selected as members of the committee will be able to attend the meetings, have access to the individuals representing their constituencies, and participate in informal working groups on various issues between the meetings. The committee meetings will be open to the public.

Through the publication of future Federal Register notices in the coming months, we intend to establish committees to address other rulemaking issues.

Constituencies: We have identified the following constituencies as having interests that are significantly affected by the topic proposed for negotiations. The Department plans to seat as negotiators individuals from organizations or groups representing these constituencies:

- Students.
- Legal assistance organizations that represent students.
- Consumer advocacy organizations.
- Financial aid administrators at postsecondary institutions.
- State higher education executive officers.
- State attorneys general and other appropriate State officials.
- Business and industry.
- Institutions of higher education eligible to receive Federal assistance under title III, Parts A, B, and F and title V of the HEA, which include Historically Black Colleges and Universities, Hispanic-Serving Institutions, American Indian Tribally Controlled Colleges and Universities, Alaska Native and Native Hawaiian-Serving Institutions, Predominantly Black Institutions, and other institutions with a substantial enrollment of needy students as defined in title III of the HEA.
- Two-year public institutions of higher education.
- Four-year public institutions of higher education.
- Private, non-profit institutions of higher education.
- Private, for-profit institutions of higher education.
- Regional accrediting agencies.
- National accrediting agencies.
- Specialized accrediting agencies.
- Specialized accrediting agencies.

The goal of the committee is to develop proposed regulations that reflect a final consensus of the committee. Consensus means that there is no dissent by any member of the negotiating committee, including the committee member representing the Department. An individual selected as a negotiator will be expected to represent the interests of his or her organization or group, and participate in the negotiations in a manner consistent with the goal of developing proposed regulations on which the committee will reach consensus. If consensus is reached, all members of the organization or group represented by a negotiator are bound by the consensus and are prohibited from commenting negatively on the resulting proposed regulations. The Department will not consider any such negative comments that are submitted by members of such an organization or group.

Nominations: Nominations should include:

- The name of the nominee, the organization or group the nominee represents, and a description of the interests that the nominee represents.
- Evidence of the nominee’s expertise or experience in the subject to be negotiated.
- Evidence of support from individuals or groups within the constituency that the nominee will represent.
- The nominee’s commitment that he or she will actively participate in good faith in the development of the proposed regulations. The nominee’s contact information, including address, phone number, fax number, and email address.

Nominees will be notified whether or not they have been selected as negotiators as soon as the Department’s review process is completed. Schedule for Negotiations: The committee will meet for two sessions on the following dates:

Sessions will run from 9:00 a.m. to 5:00 p.m. on the first two days, and 9:00 a.m. to 12:00 p.m. on the last day.
