DEPARTMENT OF HOMELAND SECURITY
Coast Guard
33 CFR Part 165
[Docket No. USCG–2013–0322]
RIN 1625–AA00
Safety Zones; Swim Around Charleston; Charleston, SC

AGENCY: Coast Guard, DHS.

ACTION: Notice of proposed rulemaking.

SUMMARY: The Coast Guard proposes to establish temporary moving safety zones during the Swim Around Charleston, a swimming race occurring on the Wando River, the Cooper River, Charleston Harbor, and the Ashley River, in Charleston, South Carolina. The Swim Around Charleston is scheduled on Sunday, September 29, 2013. The temporary safety zones are necessary to protect swimmers, participant vessels, spectators, and the general public during the event. Persons and vessels would be prohibited from entering the safety zones unless authorized by the Captain of the Port Charleston or a designated representative.

DATES: Comments and related material must be received by the Coast Guard on or before July 15, 2013. Requests for public meetings must be received by the Coast Guard on or before June 28, 2013.
A. Public Participation and Request for Comments

We encourage you to participate in this rulemaking by submitting comments and related materials. All comments received will be posted without change to http://www.regulations.gov and will include any personal information you have provided.

1. Submitting Comments

If you submit a comment, please include the docket number for this rulemaking, indicate the specific section of this document to which each comment applies, and provide a reason for each suggestion or recommendation. You may submit your comments and related materials in writing (via hand delivery, mail, fax, email, or the Internet) or by telephone. Comments must be received on or before September 29, 2013. You may use only one of the following methods:

(2) Fax: 202–493–2251.
(3) Mail or Delivery: Docket Management Facility (M–30), U.S. Department of Transportation, West Building Ground Floor, Room W12–140, 1200 New Jersey Avenue SE., Washington, DC 20590–0001. Deliveries accepted between 9 a.m. and 5 p.m., Monday through Friday, except federal holidays. The telephone number is 202–366–9329.

See the “Public Participation and Request for Comments” portion of the SUPPLEMENTARY INFORMATION section below for further instructions on submitting comments. To avoid duplication, please use only one of these three methods.

B. Basis and Purpose

On Sunday, September 29, 2013, the Swim Around Charleston is scheduled to take place on the Wando River, the Cooper River, Charleston Harbor, and the Ashley River, in Charleston, South Carolina. The Swim Around Charleston will consist of a 12 mile swim that starts at Remley’s Point on the Wando River, crosses the main shipping channel of Charleston Harbor, and finishes at the I–526 bridge and boat landing on the Ashley River.

The purpose of the proposed rule is to ensure the safety of the swimmers, participants, spectators, and the general public during the Swim Around Charleston.

C. Discussion of Proposed Rule

The proposed rule would establish temporary moving safety zones of 50 yards in front of the lead safety vessel preceding the first race participant, 50 yards behind the safety vessel trailing the last race participant, and at all times extend 100 yards on either side of the race participants and safety vessels. The temporary safety zones would be enforced from 9 a.m. until 3:30 p.m. on September 29, 2013. Persons and vessels would be prohibited from entering or transiting through the safety zones unless authorized by the Captain of the Port Charleston or a designated representative. Persons and vessels would be able to request authorization to enter or transit through the safety zones by contacting the Captain of the Port Charleston by telephone at (843) 740–7050, or a designated representative via VHP radio on channel 16.

D. Regulatory Analyses

We developed this proposed rule after considering numerous statutes and executive orders related to rulemaking. Below we summarize our analyses based on a number of these statutes or executive orders.

1. Regulatory Planning and Review

This proposed rule is not a significant regulatory action under section 3(f) of Executive Order 12866, Regulatory Planning and Review, as supplemented by Executive Order 13563, Improving
Regulation and Regulatory Review, and does not require an assessment of potential costs and benefits under section 6(a)(3) of Executive Order 12866 or under section 1 of Executive Order 13563. The Office of Management and Budget has not reviewed it under those Orders.

The economic impact of this proposed rule is not significant for the following reasons: (1) The safety zones would only be enforced for a total of seven hours; (2) the safety zones would move with the participant vessels so that once the swimmers clear a portion of the waterway, the safety zones would no longer be enforced in that portion of the waterway; (3) although persons and vessels would not be able to enter or transit through the safety zones without authorization from the Captain of the Port of Charleston or a designated representative, they would be able to operate in the surrounding area during the enforcement period; (4) persons and vessels would still be able to enter or transit through the safety zones if authorized by the Captain of the Port of Charleston or a designated representative; and (5) the Coast Guard would provide advance notification of the safety zones to the local maritime community by Local Notice to Mariners and Broadcast Notice to Mariners.

2. Impact on Small Entities

The Regulatory Flexibility Act of 1980 (RFA), 5 U.S.C. 601–612, as amended, requires federal agencies to consider the potential impact of regulations on small entities during rulemaking. The term “small entities” comprises small businesses, not-for-profit organizations that are independently owned and operated and are not dominant in their fields, and governmental jurisdictions with populations of less than 50,000. The Coast Guard certifies under 5 U.S.C. 605(b) that this proposed rule will not have a significant economic impact on it, and that this rule would not have a significant economic impact on it, please submit a comment (see ADDRESSES) explaining why you think it qualifies and how and to what degree this rule would economically affect it. 3. Assistance for Small Entities

Under section 213(a) of the Small Business Regulatory Enforcement Fairness Act of 1996 (Pub. L. 104–121), we want to assist small entities in understanding this proposed rule. If the rule would affect your small business, organization, or governmental jurisdiction and you have questions concerning its provisions or options for compliance, please contact the person listed in the FOR FURTHER INFORMATION CONTACT, above. The Coast Guard will not retaliate against small entities that question or complain about this proposed rule or any policy or action of the Coast Guard.

4. Collection of Information

This proposed rule will not call for a new collection of information under the Paperwork Reduction Act of 1995 (44 U.S.C. 3501–3520).

5. Federalism

A rule has implications for federalism under Executive Order 13132, Federalism, if it has a substantial direct effect on the States, on the relationship between the national government and the States, or on the distribution of power and responsibilities among various levels of government. We have analyzed this proposed rule under that Order and determined that this rule does not have implications for federalism.

6. Protections

The Coast Guard respects the First Amendment rights of protesters. Protesters are asked to contact the person listed in the FOR FURTHER INFORMATION CONTACT section to coordinate protest activities so that your message can be received without jeopardizing the safety or security of people, places or vessels.

7. Unfunded Mandates Reform Act

The Unfunded Mandates Reform Act of 1995 (2 U.S.C. 1531–1538) requires Federal agencies to assess the effects of their discretionary regulatory actions. In particular, the Act addresses actions that may result in the expenditure by a State, local, or tribal government, in the aggregate, or by the private sector of $100,000,000 (adjusted for inflation) or more in any one year. Though this proposed rule would not result in such an expenditure, we do discuss the effects of this rule elsewhere in this preamble.

8. Taking of Private Property

This proposed rule would not cause a taking of private property or otherwise have taking implications under Executive Order 12630, Governmental Actions and Interference with Constitutionally Protected Property Rights.

9. Civil Justice Reform

This proposed rule meets applicable standards in sections 3(a) and 3(b)(2) of Executive Order 12988, Civil Justice Reform, to minimize litigation, eliminate ambiguity, and reduce burden.

10. Protection of Children From Environmental Health Risks

We have analyzed this proposed rule under Executive Order 13045, Protection of Children from Environmental Health Risks. This rule is not an economically significant rule and would not create an environmental risk to health or risk to safety that might disproportionately affect children.

11. Indian Tribal Governments

This proposed rule does not have tribal implications under Executive Order 13175, Consultation and Coordination with Indian Tribal Governments, because it would not have a substantial direct effect on one or more Indian tribes, on the relationship between the Federal Government and Indian tribes, or on the distribution of power and responsibilities between the Federal Government and Indian tribes.

12. Energy Effects

This proposed rule is not a “significant energy action” under Executive Order 13211, Actions Concerning Regulations That Significantly Affect Energy Supply, Distribution, or Use.

13. Technical Standards

This proposed rule does not use technical standards. Therefore, we did not consider the use of voluntary consensus standards.

14. Environment

We have analyzed this proposed rule under Department of Homeland Security Management Directive 023–01 and Commandant Instruction M16475.1D, which guide the Coast Guard in complying with the National Environmental Policy Act of 1969 (NEPA) (42 U.S.C. 4321–4370f), and
have made a preliminary determination that this action is one of a category of actions that do not individually or cumulatively have a significant effect on the human environment. A preliminary environmental analysis checklist supporting this determination is available in the docket where indicated under ADDRESSES. This proposed rule involves establishing temporary moving safety zones as described in figure 2–1, paragraph [34][g], of the Commandant Instruction. We seek any comments or information that may lead to the discovery of a significant environmental impact from this proposed rule.

List of Subjects in 33 CFR Part 165

Harbors, Marine safety, Navigation (water), Reporting and recordkeeping requirements, Security measures, Waterways.

For the reasons discussed in the preamble, the Coast Guard proposes to amend 33 CFR part 165 as follows:

PART 165—REGULATED NAVIGATION AREAS AND LIMITED ACCESS AREAS

§ 165.T07–0322 Safety Zones; Swim Around Charleston, Charleston, SC.

(a) Regulated Areas. The following regulated area is a moving safety zone:

All waters 50 yards in front of the lead safety vessel preceding the first race participants, 50 yards behind the safety vessel trailing the last race participants, and at all times extend 100 yards on either side of the race participants and safety vessels. The Swim Around Charleston swimming race consists of a 12 mile course that starts at Remley’s Point on the Wando River in approximate position 32°48’49” N, 79°54’27” W, crosses the main shipping channel of Charleston Harbor, and finishes at the I–526 bridge and boat landing on the Ashley River in approximate position 32°50’14” N, 80°01’23” W. All coordinates are North American Datum 1983.

(b) Definition. The term “designated representative” means Coast Guard Patrol Commanders, including Coast Guard coxswains, petty officers, and other officers operating Coast Guard vessels, and Federal, state, and local officers designated by or assisting the Captain of the Port Charleston in the enforcement of the regulated areas.

(c) Regulations.

(1) All persons and vessels are prohibited from entering or transiting through the regulated areas unless authorized by the Captain of the Port Charleston or a designated representative.

(2) Persons and vessels desiring to enter or transit through the regulated areas may contact the Captain of the Port Charleston by telephone at (843) 740–7050, or a designated representative via VHF radio on channel 16, to request authorization. If authorization to enter or transit through the regulated areas is granted by the Captain of the Port Charleston or a designated representative, all persons and vessels receiving such authorization must comply with the instructions of the Captain of the Port Charleston or a designated representative.

(3) The Coast Guard will provide notice of the regulated areas by Local Notice to Mariners, Broadcast Notice to Mariners, and on-scene designated representatives.

(d) Effective Date. This rule is effective from 9 a.m. until 3:30 p.m. on September 29, 2013.

Dated: May 29, 2013.

M.F. White,
Captain, U.S. Coast Guard, Captain of the Port Charleston.

[Docket Number USCG–2013–0285]
RIN 1625–AA00, 1625–AA87

Safety and Security Zones, San Juan Captain of the Port Zone

AGENCY: Coast Guard, DHS.

ACTION: Notice of proposed rulemaking; notice of meeting.

SUMMARY: The Coast Guard proposes to modify several aspects of the safety and security zones within the Sector San Juan Captain of the Port Zone. This action is necessary to consolidate, clarify, and otherwise modify safety and security zone regulations to eliminate unnecessary regulations and better meet the safety and security needs of the Puerto Rico and U. S. Virgin Island port communities. This action would modify existing safety zones; consolidate safety and security zones currently found in separate regulations into four regional regulations; and add and remove safety and security zones. Additionally, safety zones governing port closures in the event of a natural and other disasters have been added.

DATES: Comments and related material must be received by the Coast Guard on or before September 12, 2013.

A Public meeting will be held on August 1, 2013 at 9:00 a.m. at USCG Sector San Juan.

ADDRESSES: You may submit comments identified by docket number using any one of the following methods:

(2) Fax: 202–493–2251.
(3) Mail or Delivery: Docket Management Facility (M–30), U.S. Department of Transportation, West Building Ground Floor, Room W12–140, 1200 New Jersey Avenue SE., Washington, DC 20590–0001. Deliveries accepted between 9 a.m. and 5 p.m., Monday through Friday, except federal holidays. The telephone number is 202–366–9329.

See the “Public Participation and Request for Comments” portion of the SUPPLEMENTARY INFORMATION section below for further instructions on submitting comments. To avoid duplication, please use only one of these three methods.

FOR FURTHER INFORMATION CONTACT: If you have questions on this rule, call or email Lieutenant Commander Jose Perez, Sector San Juan Prevention Department, U.S. Coast Guard; telephone (787) 729–2374, email Jose.A.Perez3@uscg.mil. If you have questions on viewing or submitting material to the docket, call Barbara Hairston, Program Manager, Docket Operations, telephone (202) 366–9826. The address for Sector San Juan is 5 Calle La Puntilla, San Juan, Puerto Rico, 00901.

The address of MSD St. Thomas is 1 King Wharf Waterfront, St. Thomas, VI 00804.
