SUPPLEMENTARY INFORMATION: This notice informs the public that HUD has submitted to OMB a request for approval of the information collection described in Section A. The **Federal Register** notice that solicited public comment on the information collection for a period of 60 days was published on March 18, 2013.

A. Overview of Information Collection

Title of Information Collection:

Multifamily Default Status Report.

OMB Approval Number: 2502-0041.

Type of Request: Extension of a currently approved collection.

Form Number: HUD-92426.

Description of the need for the information and proposed use:

Mortgagees use this information collection to notify HUD that a project owner is delinquent (16 days) or more than 30 days past due on a mortgage payment, and to elect to assign a defaulted mortgage to the Department (per regulations at 24 CFR Part 207.256) by the 75th day from the date of default. To avoid an assignment of mortgage to HUD, which costs the Government millions of dollars each year, HUD and the mortgagor may develop a plan for reinstating the loan since HUD uses the information as an early warning mechanism. HUD Field Office and Headquarters staff use the data to (a) monitor mortgagee compliance with HUD's loan servicing procedures and assignments; and (b) potentially avoid mortgage assignments. This information is submitted electronically via the Internet.

Estimation of the total numbers of hours needed to prepare the information collection including number of respondents, frequency of response, and hours of response: The number of burden hours is 1,159. The number of

respondents is 44, the number of responses is 6,959, the frequency of response is 158, and the burden hour per response is 10 minutes

B. Solicitation of Public Comment

This notice is soliciting comments from members of the public and affected parties concerning the collection of information described in Section A on the following:

(1) Whether the proposed collection of information is necessary for the proper performance of the functions of the agency, including whether the information will have practical utility;
