DEPARTMENT OF EDUCATION

[Docket No. ED-2013-ICCD-0042]

Agency Information Collection Activities; Submission to the Office of Management and Budget for Review and Approval; Comment Request; Streamlined Clearance Process for Discretionary Grant

AGENCY: Department of Education (ED), Office of the Secretary/Office of the Deputy Secretary (OS)

ACTION: Notice.

SUMMARY: In accordance with the Paperwork Reduction Act of 1995 (44 U.S.C. chapter 3501 *et seq.*), ED is proposing an extension of an existing information collection.

DATES: Interested persons are invited to submit comments on or before July 19, 2013.

ADDRESSES: Comments submitted in response to this notice should be submitted electronically through the Federal eRulemaking Portal at <http://www.regulations.gov> by selecting Docket ID number ED-2013-ICCD-0042 or via postal mail, commercial delivery, or hand delivery. Please note that comments submitted by fax or email and those submitted after the comment period will not be accepted. Written requests for information or comments submitted by postal mail or delivery should be addressed to the Director of the Information Collection Clearance Division, U.S. Department of Education, 400 Maryland Avenue SW., LBJ, Room 2E105 Washington, DC 20202-4537.

FOR FURTHER INFORMATION CONTACT:

Electronically mail ICDocketMgr@ed.gov. Please do not send comments here.

SUPPLEMENTARY INFORMATION: The Department of Education (ED), in accordance with the Paperwork Reduction Act of 1995 (PRA) (44 U.S.C. 3506(c)(2)(A)), provides the general public and Federal agencies with an opportunity to comment on proposed, revised, and continuing collections of information. This helps the Department assess the impact of its information collection requirements and minimize the public's reporting burden. It also helps the public understand the Department's information collection requirements and provide the requested data in the desired format. ED is soliciting comments on the proposed information collection request (ICR) that is described below. The Department of Education is especially interested in public comment addressing the following issues: (1) Is this collection necessary to the proper functions of the Department; (2) will this information be processed and used in a timely manner; (3) is the estimate of burden accurate; (4) how might the Department enhance the quality, utility, and clarity of the information to be collected; and (5) how might the Department minimize the burden of this collection on the respondents, including through the use of information technology. Please note that written comments received in response to this notice will be considered public records.

Title of Collection: Streamlined Clearance Process for Discretionary Grant.

OMB Control Number: 1894-0001.

Type of Review: Extension without change of an existing collection of information.

Respondents/Affected Public: State, Local, or Tribal Governments.

Total Estimated Number of Annual Responses: 1.

Total Estimated Number of Annual Burden Hours: 1.

Abstract: Section 3505(a)(2) of the PRA of 1995 provides the OMB Director authority to approve the streamlined clearance process proposed in this information collection request. This information collection request was originally approved by OMB in January of 1997. This information collection streamlines the clearance process for all discretionary grant information collections which do not fit the generic application process. The streamlined clearance process continues to reduce the clearance time for the U.S. Department of Education's (ED's)

discretionary grant information collections by two months or 60 days. This is desirable for two major reasons: it would allow ED to provide better customer service to grant applicants and help meet ED's goal for timely awards of discretionary grants.

Dated: June 14, 2013.

Acting Director, Information Collection Clearance Division, Privacy, Information and Records Management Services, Office of Management.

Title of Collection: Program for International Student Assessment (PISA 2015) Recruitment and Field Test.

OMB Control Number: 1850-0755.

Type of Review: Revision of an existing information collection.

Respondents/Affected Public: Individuals or households.

Total Estimated Number of Annual Responses: 6,435.

Total Estimated Number of Annual Burden Hours: 6,758.

Abstract: The Program for International Student Assessments (PISA) is an international assessment of 15-year-olds which focuses on assessing students science, mathematics, and reading literacy. PISA was first administered in 2000 and is conducted every three years. This submission is for the sixth cycle in the series, PISA 2015, and requests OMB approval for field test and main study recruitment, and field trial data collection. As in 2006, in PISA 2015, science will be the major subject domain. The field test will also include computer-based assessments in reading, mathematics, and collaborative problem solving. In addition to the cognitive assessments described above, PISA 2015 will include questionnaires administered to assessed students, school principals, and teachers. School recruitment for the field test in the U.S. will begin in Fall 2013 with data collection occurring during April–May 2014. The U.S. PISA main study will be conducted from September through

November 2015. This submission is for recruitment for the 2014 field test and 2015 main study, conducting the 2014 field test data collection, and to provide a description of the overarching plan for all of the phases of the data collection, including the 2015 main study.

Full Text of Announcement

I. Funding Opportunity Description

Purpose of Program: The purpose of the Disability and Rehabilitation Research Projects and Centers Program is to plan and conduct research, demonstration projects, training, and related activities, including international activities, to develop methods, procedures, and rehabilitation technology that maximize the full inclusion and integration into society, employment, independent living, family support, and economic and social self-sufficiency of individuals with disabilities, especially individuals with the most severe disabilities, and to

improve the effectiveness of services authorized under the Rehabilitation Act of 1973, as amended (Rehabilitation Act).

Rehabilitation Engineering Research Centers Program

The purpose of NIDRR's RERCs program, which is funded through the Disability and Rehabilitation Research Projects and Centers Program, is to improve the effectiveness of services authorized under the Rehabilitation Act. It does so by conducting advanced engineering research, developing and evaluating innovative technologies, facilitating service delivery system changes, stimulating the production and distribution of new technologies and equipment in the private sector, and providing training opportunities. RERCs seek to solve rehabilitation problems and remove environmental barriers to improvements in employment, community living and participation, and health and function outcomes of individuals with disabilities.

Priority: This priority is from the notice of final priority for this program, published elsewhere in this issue of the **Federal Register**.

Absolute Priority: For FY 2013 and any subsequent year in which we make awards from the list of unfunded applicants from this competition, this priority is an absolute priority. Under 34 CFR 75.105(c)(3) we consider only applications that meet this priority.

This priority is:

RERC on Technologies to Support Successful Aging with Disability.

Note: The full text of this priority is included in the pertinent notice of final priority published in this issue of the **Federal Register** and in the application package for this competition.
